 spring, summer, fall (autumn) and winter.
When Are the 4

Seasons in Australia?

The year shana, properly "change" (of seasons), was the agricultural and, thus, liturgical year. There is no reference to the New Year's Day in the Bible. After the conquest of Jerusalem (587 bce), the Babylonians introduced their cyclic calendar (see above Babylonian calendars) and the

reckoning of their regnal years from Nisanu 1, about the spring equinox .

Season - Wikipedia

According to the lunisolar Hindu calendar, there are six seasons or ritus in a year. Since Vedic times, Hindus across India and South Asia have used this calendar to structure their lives around the seasons of the year. The faithful still use it today

for important Hindu festivals and religious occasions.

Each season brings different weather, hours of light, and plant/animal behaviors. The seasons are brought about by the yearly orbit of the earth around the sun and the tilt of the earth's axis. Below are the astronomical dates for the calendar year 2020 for both the northern and southern hemispheres.
