This inspiring  
new book  
from the team  
behind  
MillaMia  
knitwear is

packed with  
projects to  
take you  
through the  
wintertime. As  
the seasons  
change from  
cool, crisp  
autumn to the  
cold and dark  
of winter,  
Scandinavians  
are  
particularly  
good at easing

the transition  
with clothing,  
interiors and  
food that  
bring warmth  
and light.  
Sisters  
Katarina and  
Helena Rosen  
aim to share  
some  
wonderful  
Swedish  
traditions,  
designs and

activities with you – but of course with the signature modern twist that MillaMia bring to all things knitted. In this book you will find a mix of knitting projects to see you through the cold season, including stylish garments and accessories for adults and children, cosy homewares and unique gifts. Indulge in kitting yourself out for the first fall of snow, make clothes that the kids can wear for the festive season

and create interior projects that will bring warmth both literally and visually. You will also find a selection of ‘bonus’ projects – with a couple of favourite festive recipes and some wonderful paper projects that any yarn enthusiast will enjoy. [Elizabeth Zimmermann's Knitter's Almanac](#) National Geographic Books "Solveig Hisdal is not only aware of the knowledge housed in

Norway's museums, she has also learned how to use it. She has visited museums throughout the country, searching eagerly for the treasures that her ancestors left behind. She has found textiles, chests, cabinets and old folk costumes that have later become her greatest source of inspiration. This book is a result of her quest, and it shows how the creativity of the past has inspired her to

make beautiful knitted designs. It contains wonderful knitting ideas for almost all occasions, from a child's christening outfit to an exquisite, knitted bridal cardigan with beads and silk. Whether you wish to be inspired by the beautiful pictures, or knit some of the outfits -- enjoy the book!"--P. [4] of cover.

 Feel the magic of Outlander at your

fingertips with this officially licensed book of knitting: twenty patterns inspired by the hit series from STARZ and Sony Pictures Television, based on Diana Gabaldon's bestselling novels. From the Scottish Highlands to the courts of Versailles to the eastern shores of North America, the TV show *Outlander* brings to life in gorgeous detail the epic love story of Jamie Fraser

and Claire Beauchamp Randall Fraser. But beyond the drama and passion, what has captured fans' imagination the most are the rustic knits worn on the show. Now knitters of all skill levels can recreate them with twenty projects for apparel, accessories, and home décor that take inspiration from memorable episodes. Knit the capelet cowl that Mrs. Fitz gives to Claire at

Castle Leoch, warm your feet with Clan Mackenzie Boot Socks, swaddle your bairn with the Mo Chridhe Baby Blanket, and dress your Jamie in a warm waistcoat. From chunky knits to Celtic cables, each project includes a clearly written pattern, gorgeous photography, and scenes from the set. A love letter to the fans, Outlander Knitting will have you wishing you could time travel to the

Highlands. *Winter Knitting* Clarkson Potter Whether you are casting on one of the 8 sweater designs, or using the recipe pattern to create a colourful yoke sweater of your own, it's an adventure either way! Come along with us as we play with colour and pattern, creating beautiful sweaters and accessories. In order to add yet another element of adventure, we went to

amazing Iceland to photograph all of the pieces in this book. Join us as we take a trip full of colourwork fun and Icelandic adventure. [Sweater 101](#) Storey Publishing Alisha Rai, one of contemporary romance's brightest stars, makes her Avon Books debut with the first novel in the sexy Forbidden Hearts series! One night. No one will know. That was the deal. Every year, Livvy

Kane and Nicholas Chandler would share one perfect night of illicit pleasure. The forbidden hours let them forget the tragedy that haunted their pasts—and the last names that made them enemies. Until the night she didn't show up. Now Nicholas has an empire to run. He doesn't have time for distractions and Livvy's sudden reappearance in town is a major distraction.

She's the one woman he shouldn't want . . . so why can't he forget how right she feels in his bed? Livvy didn't come home for Nicholas, but fate seems determined to remind her of his presence—and their past. Although the passion between them might have once run hot and deep, not even love can overcome the scandal that divided their families. Being together might be against all the rules . . . but

being apart is impossible. One of Amazon's Best Romances of the Month & Best Romances of 2017! *Knit Kimono* Penguin Learn to crochet cables! Have you ever wanted to create a sweater with beautiful cables, but you didn't know how to knit? Pennywhistler's Pack will let you carry your essentials on any day trip. These Celtic-inspired stitches and projects are the perfect addition to your crochet repertoire. The perfect resource for any knitter wanting to reduce their carbon footprint and create wonderful, sustainable projects for their friends and family. This collection of twenty projects from knitting blogger and environmentalist Epipa shows you how to knit more sustainably. With this practical guide you can learn

how to make your knitting more environmental friendly by choosing the most eco-friendly yarns such as bamboo, organic cotton, linen and flax, as well as tips on how to reduce your yarn footprint. Drawing on her childhood experience where she was encouraged by her grandmothers to reuse, repair, and recycle, Epipa shares all her ideas for living a more sustainable

lifestyle while still enjoying the craft of knitting. As well as advice on yarn sourcing and the environmental impact of various different types of yarn, Epipa shares her knitting patterns for a more zero waste lifestyle. There are instructions for how to turn old t-shirts, bed linen and tablecloths into your own cotton yarn and how to restore unravelled yarn from

unfinished projects to its former glory rather than laying abandoned in a cupboard. The projects include beautiful, useful and practical things for everyday life such as shopping baskets for the larder, the kitchen and the bathroom as well as rugs and runners and accessories for the bathroom. Choose from knitted tea towels, dish clothes, and shopping bags so you don't

need to buy "disposable" plastic versions. Many of the projects are suitable for beginner knitters, and all the basic knitting instructions are included, but there are also more complicated projects including a knitted top and backpack for those with more experience. *New England Knits* Penguin You can create a designer wardrobe for just pennies when you let Ann Person

teach you the tips and tricks of sewing with knit fabrics. Learn to make tops, sweaters, cardigans, pants, and skirts with a conventional sewing machine and modern serging techniques. Includes 100s of illustrations and diagrams. Almost all knit fabrics are covered.
