INGRID MARSHALL

The Church and Human Society at the Threshold of the Third Millennium David C Cook

A few of us have barely gotten to the edge of that authority, but before Jesus comes again, there's going to be a whole company of believers who will rise up and with the authority that is theirs, ...and they will do the work that God intended they should do.

An introduction to dispensationalism and mid-Acts dispensationalism in particular.
Catechism of the Catholic Church Biblica
DOING BUSINESS GOD'S WAY is a study of how God manages His resources so we can manage ours in a similar fashion. Dennis Peacocke draws out twelve principles of management, growth, and productivity that can bring lasting change into the life and culture of all who apply them.

Studies in the Book of Hebrews McGill-Queen's Press - MQUP

From a prize-winning author, this book charts the course of Christianity from ancient history onwards.

The Christian Doctrine of the Church, Faith, and the Consummation NavPress
Church planting takes a lot of effort. Dr. Jackson offers instruction for those interested in the establishment and

administration of a local church.

Outside the Lines BoD - Books on Demand

The early Christian Gnosis did not spring up in isolation, but drew upon earlier sources. In this book, many of these sources are revealed for the first time. Special emphasis is placed on the Hellenistic doctrine of the "Solar Logos" and the early Christian symbolism which depicted Christ as the Spiritual Sun, the illumination source of order, harmony, and spiritual insight. Based on 15 years of research, this is a unique book which throws a penetrating light on the secret traditions of early Christianity. It clearly demonstrates that number is at the heart of being. Jesus Christ, Sun of God, illustrates how the Christian symbolism of the Spiritual Sun is derived from numerical symbolism of the "ancient divinities."

The Template of Time Faith Library Publications

A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In *Irresistible*, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes

Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

Sacred Ritual, Profane Space Walter de Gruyter GmbH & Co KG

The human transformation available at the 'limen' (literally: the edge or threshold), noticed across different cultures by anthropologists, is at the heart of the Gospel. Indeed the liminal place is the place of transformation and change par excellence. We live in age of enormous and rapid change to which we do not yet see an end. There is therefore a 'kairos' moment here for the church to understand the importance of liminality through this unique book. Reading this book will offer new 'lenses' to understand humanity, God's world, the shape of Christian discipleship, the church and its mission differently. The authors believe engaging with liminality can help both readers' faith and the church to be re-imagined - and have included case studies, exercises and questions in each chapter to help this process.

Holman New Testament

Commentary - Matthew iUniverse

We have long been aware of the challenge of reaching the unreached peoples of the world. For many this seemed a daunting and almost impossible task. However, with a clear biblical model of church planting, which works in divergent cultural settings, it seems that this may in fact be possible. In *A Vision of the Possible*, Daniel Sinclair thoroughly covers practical whys and how-to's concerning pioneer church planting among unreached people groups, with applicable discussions from Scripture along the way. Its emphases include resistant environments and church planting in teams. It also includes the newly revised seven Pioneer Church Planting Phases which is widely used by mission agencies working among unreached peoples. Those on the field, and those in preparation, including those in Bible schools and seminaries, will find this book immensely practical. Senders on the homefront will also find it invaluable, as they seek to understand the biblical and concrete issues the friends they support grapple with on a daily basis.

Universalism, the Prevailing Doctrine of the Christian Church During Its First Five Hundred Years

Wipf and Stock Publishers

These studies by E. J. Waggoner given at the 1897 General Conference have been

re-typed from the 1897 General Conference Bulletin. The daily Bible studies that Elder Waggoner gave are presented as alive and full of hope for each Bible student today.

A History of Christianity

LiturgyTrainingPublications
2024 Nautilus Book Awards Silver Winner in "Religion / Spirituality of Western Thought" Category Winner of the Living Now Book Award, Church of the Wild reminds us that once upon a time, humans lived in an intimate relationship with nature. Whether disillusioned by the dominant church or unfulfilled by traditional expressions of faith, many of us long for a deeper spirituality. Victoria Loorz certainly did. Coping with an unraveling vocation, identity, and planet, Loorz turned to the wanderings of spiritual leaders and the sanctuary of the natural world, eventually cofounding the Wild Church Network and Seminary of the Wild. With an ecospiritual lens on biblical narratives and a fresh look at a community larger than our own species, Church of the Wild uncovers the wild roots of faith and helps us deepen our commitment to a suffering earth by falling in love with it--and calling it church. Through mystical encounters with wild deer, whispers from a scrubby oak tree, wordless conversation with a cougar, and more, Loorz helps us connect to a love that literally holds the world together--a love that calls us into communion with all creatures.

Dogmatics III Quest Books

The Bible's hidden time code holds the answers to some of life's greatest questions, such as: "What is our destination?" and "When will we get there?" In the Template of Time, Tom Payne relies on eight years of intensive research as he shares a comprehensive,

chronological study of the quirky time patterns scattered throughout the Bible that, when assembled, create an eternal template upon which history unfolds. Just as atmospheric patterns suggest tomorrow's weather forecast, the historical patterns of the template suggest future outcomes while ruling out coincidence and chance. While illustrating how some forecasts have already come true, Payne examines the various time cycles that clearly demonstrate how the rhythms of history are leading to future surprises. As he follows the development of the Roman Empire and its prophesied conflict with the people of God, Payne proves that, as we approach the culmination of processes two thousand years in the making, everyone will be affected.

Dogmatics: The Christian doctrine of the church, faith, and the consummation Zondervan

Short description: The first of the three volumes of Brunner?

[The Church in Rome in the First Century](#)
James Clarke & Co.

One in a series of twelve New Testament verse-by-verse commentary books edited by Max Anders. Includes discussion starters, teaching plan, and more. Great for lay teachers and pastors alike.

Jesus Christ, Sun of God Augsburg Books

Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller

understanding of every subject. The word catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

A Vision of the Possible B&H

Publishing Group

A message that can no longer be ignored... Drawing on the personal experience of survivors of abuse and their allies, *Letters to a Broken Church* speaks directly into the existential abuse

crisis facing the Church of England and other Christian denominations right now. Its powerful message is that the structures, leadership, practices and culture of the Church must change radically to face up to the historic scale of abuse within its institutions at all levels. The clear requirement for transparency and accountability after decades of evasion and denial is also highlighted in these essays, along with the need to make proper recompense to those whose lives have been impacted. Contributors to *Letters to a Broken Church* include a serving bishop, a well-known newspaper columnist, several theologians and others from public life -- but principally people in the shadows whose voices and experience as survivors have frequently been pushed aside, marginalised or silenced within the Church. Here is a searingly honest, multi-voice call for action and redress that can no longer be ignored.
