An
entertaining,
humorous,
and
inspirational
memoir by the
founder and
chief creative
officer of the
multimillion-

dollar lifestyle
brand ban.do,
who “has
become a
hero among
women (and
likely some
men too) who
struggle with
mental
health”

(Forbes). After graduating from college, Jen Gotch was living with her parents, heartbroken and lost, when she became convinced that her skin had turned green. Hallucinating that she looked like Shrek was terrifying, but it led to her first diagnosis and the start of a journey towards self-awareness, acceptance, success, and ultimately, joy. With humor and candor, Gotch shares the empowering story of her

unlikely path to becoming the creator and CCO of a multimillion-dollar brand. From her childhood in Florida where her early struggles with bipolar disorder, generalized anxiety, and ADD were misdiagnosed, to her winding career path as a waitress, photographer, food stylist, and finally, accidental entrepreneur, she illuminates how embracing her flaws and understanding the influence

of mental illness on her creativity actually led to her greatest successes in business and life. Hilarious, hyper-relatable, and filled with fascinating insights and hard-won wisdom on everything from why it's okay to cry at work to the myth of busyness and perfection to the emotional rating system she uses every day, Gotch's inspirational memoir dares readers to live each day with hope,

<p>optimism, kindness, and humor. <i>And We Rise</i> Harper Collins Discusses the friendship between Booker T. Wahington, founder of the Tuskegee Institute, and Julius Rosenwald, president of Sears, Roebuck and Company and how, through their friendship, they were able to build five thousand schools for African Americans in the Southern states. <u>You Need a Schoolhouse</u></p>	<p>Penguin A SPECTATOR BOOK OF THE YEAR A TIMES BOOK OF THE YEAR A TELEGRAPH BOOK OF THE YEAR A VOGUE BOOK OF THE YEAR 'A rollicking read... [Ostler] tells Elizabeth's story with admirable style and gusto' Sunday Times 'Terrifically entertaining: if you liked Bridgerton, you'll love this. . . and her research is impeccable' Evening Standard When the glamorous</p>	<p>Elizabeth Chudleigh, Duchess of Kingston, Countess of Bristol, went on trial at Westminster Hall for bigamy in April 1776, the story drew more attention in society than the American War of Independence. A clandestine, candlelit wedding to the young heir to an earldom, a second marriage to a Duke, a lust for diamonds and an electrifying appearance at a masquerade ball in a</p>
---	---	---

diaphanous dress: no wonder the trial was a sensation. However, Elizabeth refused to submit to public humiliation and retire quietly. Rather than backing gracefully out of the limelight, she embarked on a Grand Tour of Europe, being welcomed by the Pope and Catherine the Great among others. As maid of honour to Augusta, Princess of Wales, Elizabeth led

her life in the inner circle of the Hanoverian court and her exploits delighted and scandalised the press and the people. She made headlines, and was a constant feature in penny prints and gossip columns. Writers were intrigued by her. Thackeray drew on Elizabeth as inspiration for his calculating, alluring Becky Sharp. But her behaviour, often depicted as attention-

seeking and manipulative, hid a more complex tale – that of Elizabeth’s fight to overcome personal tragedy and loss. Now, in this brilliantly told and evocative biography, Catherine Ostler takes a fresh look at Elizabeth’s story and seeks to understand and reappraise a woman who refused to be defined by society’s expectations of her. *Spellbound by Marcel St.*

Martin's Press 2022
 Hardcover
 Reprint of the 1927 Edition.
 Full facsimile of the original edition and not reproduced with Optical Recognition Software.
 Roughly 60 years after the abolition of slavery, anthropologist Zora Neale Hurston made an incredible connection: She located one of the last surviving captives of the last slave ship to bring Africans to the United States. Hurston, a known figure of the Harlem Renaissance who would later write the novel *Their Eyes Were Watching God*, conducted interviews with the survivor but struggled to publish them as a book in the early 1930s. In fact, they were only released to the public in a book called *Barracoon: The Story of the Last "Black Cargo"* that came out on May 8, 2018. Reprinted here is the original article outlining Hurston's discovery. It is also, perhaps, Hurston's first published work. Originally published in *The Journal of Negro History*, Volume 12, Number 4, October 1, 1927. *The Upside of Being Down* Midland Books This novel of turn-of-the-century white "Florida Crackers" marks a daring departure for the author famous for her complex accounts of black culture and heritage. Full of insights into the

nature of love, attraction, faith, and loyalty, Seraph on the Suwanee is the compelling story of two people at once deeply in love and deeply at odds. The heroine, young Arvey Henson, is convinced she will never find true love and happiness, and defends herself from unwanted suitors by throwing hysterical fits and professing religious fervor. Arvey meets her match, however, in handsome Jim

Meserve, a bright, enterprising young man who knows that Arvey is the woman for him, and refuses to allow her to convince him otherwise. With the same passion and understanding that have made *Their Eyes Were Watching God* a classic, Hurston explores the evolution of a marriage full of love but very little communication and the desires of a young woman in search of herself and

her place in the world. Wrapped in Rainbows Harper Collins Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent

accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Moses, Man of the Mountain

Simon and Schuster
It was a mild May morning in Charleston, South Carolina, in 1862, the second year of the Civil War, when a 23-year-old enslaved man named Robert

Smalls boldly seized a Confederate steamer. With his wife and two young children hidden on board, Smalls and a small crew ran a gauntlet of heavily armed fortifications in Charleston Harbour and delivered the valuable vessel and the massive guns it carried to nearby Union forces. Smalls' courageous and ingenious act freed him and his family from slavery and immediately made him a Union hero. It

also challenged much of the country's view of what African Americans were willing to do for their freedom. In 'Be Free or Die,' Cate Lineberry tells the remarkable story of Smalls' escape and his many accomplishments during the war, including becoming the first black captain of an Army vessel *Barracoon* Simon and Schuster
The Creole Affair is the most

successful slave rebellion in American history, and the effects of that rebellion on diplomacy, the domestic slave trade, and the definition of slavery itself. Held against their will aboard the Creole—a slave ship on its way from Richmond to New Orleans in 1841—the rebels seized control of the ship and changed course to the Bahamas. Because the Bahamas were subject to British rule of law, the slaves

were eventually set free, and these American slaves' presence on foreign soil sparked one of America's most contentious diplomatic battles with the UK, the nation in control of those remote islands. Though the rebellion appeared a success, the ensuing political battle between the United States and Britain that would lead the rivals to the brink of their third

war, was just beginning. As such, The Creole Affair is just as importantly a story of diplomacy: of two extraordinary non-professional diplomats who cleverly resolved the tensions arising from this historic slave uprising that, had they been allowed to escalate, had the potential for catastrophe. *Slave Old Man* Harper Collins Abducted from Africa, sold in America. "A deeply affecting

record of an extraordinary life"- Daily Telegraph A major literary event: a newly published work from the author of the American classic *Their Eyes Were Watching God*, with a foreword from Pulitzer Prize-winning author Alice Walker. *Wench* HarperCollins The "heart-stopping" (The Millions), "richly layered" (Brooklyn Rail), "haunting, beautiful" (BuzzFeed) story of an

escaped captive and the killer hound that pursues him "Slave Old Man is a cloudburst of a novel, swift and compressed—but every page pulses, blood-warm. . . The prose is so electrifyingly synesthetic that, on more than one occasion, I found myself stopping to rub my eyes in disbelief." —Parul Sehgal, *The New York Times* Shortlisted for the National Book Critics

Circle Award for Fiction, Patrick Chamoiseau's *Slave Old Man* was published to accolades in hardcover in a brilliant translation by Linda Coverdale, winning the French-American Foundation Translation Prize and chosen as a Publishers Weekly Best Book of 2018. Now in paperback, *Slave Old Man* is a gripping, profoundly unsettling story of an elderly enslaved person's

daring escape into the wild from a plantation in Martinique, with his enslaver and a fearsome hound on his heels. We follow them into a lush rain forest where nature is beyond all human control: sinister, yet entrancing and even exhilarating, because the old man's flight to freedom will transform them all in truly astonishing—even otherworldly—ways, as the

overwhelming physical presence of the forest reshapes reality and time itself. Chamoiseau's exquisitely rendered new novel is an adventure for all time, one that fearlessly portrays the demonic cruelties of the slave trade and its human costs in vivid, sometimes hallucinatory prose. Offering a loving and mischievous tribute to the Creole culture of early nineteenth-century

Martinique, this novel takes us on a unique and moving journey into the heart of Caribbean history. The Duchess Countess Penguin
*"A powerful, necessary book." SLJ, starred review
A powerful, impactful, eye-opening journey that explores through the Civil Rights Movement in 1950s-1960s America in spare and evocative verse, with historical photos interspersed

throughout. In stunning verse and vivid use of white space, Erica Martin's debut poetry collection walks readers through the Civil Rights Movement—from the well-documented events that shaped the nation's treatment of Black people, beginning with the "Separate but Equal" ruling—and introduces lesser-known figures and moments that were just as crucial to the Movement and our nation's

centuries-long fight for justice and equality. A poignant, powerful, all-too-timely collection that is both a vital history lesson and much-needed conversation starter in our modern world. Complete with historical photographs, author's note, chronology of events, research, and sources. Praise for *And We Rise*: *"This powerful collection of poems serves not only as a history lesson but also a

conversation starter about the civil rights movement and other events that have impacted the treatment of Black Americans throughout history." -- SLC (starred review) "A strong, historically accurate collection that can enhance any social studies or language arts unit. More important, audiences will appreciate these poems that leap off the pages, bringing history, pain,

dignity, and fierce determination to life." --

A gripping true account of African slaves and white slavers whose fates are seemingly reversed, shedding fascinating light on the early development of the nations of Sierra Leone, Liberia, and Australia, and on the role of former slaves in combatting the illegal trade.
Cudjo's Own Story of the

Last African Slaver W. W. Norton & Company
In a groundbreaking study of Zora Neale Hurston, Deborah Plant takes issue with current notions of Hurston as a feminist and earlier impressions of her as an intellectual lightweight who disregarded serious issues of race in American culture. Instead, Plant calls Hurston a "writer of resistance" who challenged the

politics of domination both in her life and in her work. One of the great geniuses of the Harlem Renaissance, Hurston stands out as a strong voice for African American women. Her anthropological inquiries as well as her evocative prose provide today's readers with a rich history of African American folk culture - a folk culture through which Hurston expressed her personal and political

strategy of resistance and self-empowerment . Through readings of Hurston's fiction and autobiographical writings, Plant offers one of the first book-length discussions of Hurston's personal philosophy of individualism and self-reliance. From a discussion of Hurston's preacher father and influential mother, whose guiding philosophy is reflected in the title of this book, to the influence of

Spinoza and Nietzsche, Plant puts into perspective the driving forces behind Hurston's powerful prose. [The Slave Ship](#) [Clotilda and the Making of AfricaTown](#), [USA University of Illinois Press](#) From “one of the greatest writers of our time” (Toni Morrison)—the author of *Barracoon* and *Their Eyes Were Watching God*—a collection of remarkable stories, including eight “lost” Harlem Renaissance

tales now available to a wide audience for the first time. New York Times' Books to Watch for BuzzFeed's Most Anticipated Books Newsweek's Most Anticipated Books Forbes.com's Most Anticipated Books E!'s Top Books to Read Glamour's Best Books Essence's Best Books by Black Authors In 1925, Barnard student Zora Neale Hurston—the sole black

student at the college—was living in New York, “desperately striving for a toe-hold on the world.” During this period, she began writing short works that captured the zeitgeist of African American life and transformed her into one of the central figures of the Harlem Renaissance. Nearly a century later, this singular talent is recognized as one of the most influential and revered

American artists of the modern period. Hitting a Straight Lick with a Crooked Stick is an outstanding collection of stories about love and migration, gender and class, racism and sexism that proudly reflect African American folk culture. Brought together for the first time in one volume, they include eight of Hurston’s “lost” Harlem stories, which were found in forgotten periodicals

and archives. These stories challenge conceptions of Hurston as an author of rural fiction and include gems that flash with her biting, satiric humor, as well as more serious tales reflective of the cultural currents of Hurston’s world. All are timeless classics that enrich our understanding and appreciation of this exceptional writer’s voice and her contributions to America’s literary traditions.

"Roche
published the
first account
of the last
slave ship to
enter the
United
States....She
was the
artist/writer

daughter of a prominent white family here. She spent a great deal of time interviewing the people who had been illegally brought into South Alabama to be the slaves of several local men." - Michael Thomason, PhD, Lagniappe Weekly In 1914 Emma Langdon Roche (1878-1945) published the book "Historic Sketches of the South," which book included several

chapters on the last voyage of the schooner Clotilda which was the last known U.S. slave ship to bring captives from Africa to the United States. It is these chapters on the Clotilda, comprising about 25 pages, which have been republished here for the convenience of the interested reader. In July 1860, the schooner Clotilda, under the command of Captain William Foster and carrying a

cargo of 110 enslaved Africans, arrived in Mobile Bay. Captain Foster was working for Timothy Meaher, a wealthy Mobile shipyard owner and steamboat captain, who had built Clotilda in 1856 for the lumber trade. Meaher was said to have wagered some "Northern gentlemen" from New England, who likely provided the financing for the illegal venture, that he could successfully

smuggle slaves into the US despite the 1807 Act Prohibiting Importation of Slaves. Regarding the slaves comprising the cargo, Roche notes: "THE slaves who constituted the Clotilde's cargo and who have become historic by being the last brought into the United States were captured by Dahomey's warriors and Amazons on one of their cruel excursions. For many years the tribe

of Dahomey had been a scourge to the weaker and more peaceable tribes whose domains lay near the Gold Coast or in the interior away from the coast of Guinea." Hitting a Straight Lick with a Crooked Stick Bloomsbury Publishing USA Zora Neale Hurston brings us Black America's folklore as only she can, putting the oral history on the written page with grace and understanding

. This new edition of *Mules and Men* features a new cover and a P.S. section which includes insights, interviews, and more. For the student of cultural history, *Mules and Men* is a treasury of Black America's folklore as collected by Zora Neale Hurston, the storyteller and anthropologist who grew up hearing the songs and sermons, sayings and tall tales that have formed and oral

history of the South since the time of slavery. Set intimately within the social context of Black life, the stories, “big old lies,” songs, voodoo customs, and superstitions recorded in these pages capture the imagination and bring back to life the humor and wisdom that is the unique heritage of Black Americans.

The Turner House

Houghton Mifflin Harcourt
This new biography

takes into account the whole woman—not just the prolific author of such great works as *Their Eyes Were Watching God*, *Moses, Man of the Mountain*, *Jonah's Gourd Vine*, *Mules and Men*, as well as essays, folklore, short stories, and poetry—but the philosopher and the spiritual soul, examining how each is reflected in her career, fiction and nonfiction publications,

social and political activity, and, ultimately, her death. When we ask what animated the woman who achieved all that she did, we must necessarily probe further. Not one of the other existing biographies discusses or analyzes Hurston's spirituality in any sustained sense, even though this spirituality played a significant role in her life and works. As author Deborah G. Plant shows, Zora Neale

Hurston's ability to achieve and to endure all she did came from the courage of her convictions—a belief in self that was profoundly centered and anchored in spirituality.

Changing My Mind Rowman & Littlefield Shows how African captives endured capture, imprisonment, the middle passage, and slavery in America only to persevere and found a free and vibrant community in

America.
Zora and Langston: A Story of Friendship and Betrayal Simon and Schuster K. M. Szpara's Docile is a science fiction parable about love and sex, wealth and debt, abuse and power, a challenging tour de force that at turns seduces and startles. There is no consent under capitalism. To be a Docile is to be kept, body and soul, for the uses of the owner of your contract. To be a Docile is to forget, to

disappear, to hide inside your body from the horrors of your service. To be a Docile is to sell yourself to pay your parents' debts and buy your children's future. Elisha Wilder's family has been ruined by debt, handed down to them from previous generations. His mother never recovered from the Dociline she took during her term as a Docile, so when Elisha decides to try

<p>and erase the family's debt himself, he swears he will never take the drug that took his mother from him. Too bad his contract has been purchased by Alexander Bishop III, whose ultra-rich family is the brains (and money) behind</p>	<p>Dociline and the entire Office of Debt Resolution. When Elisha refuses Dociline, Alex refuses to believe that his family's crowning achievement could have any negative side effects—and is determined to turn Elisha into the perfect Docile</p>	<p>without it. Content warning: Docile contains forthright depictions and discussions of rape and sexual abuse. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.</p>
