From E. Lockhart, author of the highly acclaimed, New York Times bestseller *We Were Liars*, which John Green called "utterly unforgettable," comes *The Boy Book*, the second book in the uproarious and heartwarming Ruby Oliver novels. Here is how things stand at the beginning of newly-licensed driver Ruby Oliver's junior year at Tate Prep: • Kim: Not speaking. But far away in Tokyo. • Cricket: Not speaking. • Nora: Speaking--sort of. Chatted a couple times this summer when they bumped into each other outside of school--once shopping in the U District, and once in the Elliot Bay Bookstore. But she hadn't called Ruby, or anything. • Noel: Didn't care what anyone thinks. • Meghan: Didn't have any other friends. • Dr. Z: Speaking. • And Jackson. The big one. Not speaking. But, by Winter Break, a new job, an unlikely but satisfying friend combo, additional entries to *The Boy Book* and many difficult decisions help Ruby to see that there is, indeed, life outside the Tate Universe.

"I saw some parents at Liberty Park who were chasing their kids around. The dad was smoking a cigarette and I had such overwhelming pity for those poor kids because I assumed their dad must have been a terrible person, and it only stood to reason that he was an awful father who didn't love his children. I was able to quickly deduce all this because he was smoking. I watched him push his kids on the swing, wondering when he might push them too far, something only a wicked person would do." *Mormon Boy* is an unforgettable peek into the world of a young Warren Driggs--his wonderful family, his loving parents, nine siblings, and a supportive, tight-knit community. What could possibly be wrong with that? This honest, heartwarming, and at times hilarious coming-of-age-and-out-of-religion memoir will leave you laughing, smiling, and cringing until the last page.

Maiden Voyage is Denton Welch's debut novel, a frankly autobiographical account of a short period in his life when - at the age of 16 - he ran away from his English boarding school, before being sent back to Shanghai to live with his businessman father. "Trembling with sex", is how Alan Bennett wonderfully describes Maiden Voyage; and as well as portraying so acutely the passions and nameless longings of a teenage boy, and the strange quirks and brutalities of public school life, it is also a novel that deals with the agony of childhood bereavement - the suffering of a boy who has only recently lost his mother. When Maiden Voyage was first published in 1943 it was an overnight sensation, and so graphic in its depiction of adolescence and the schooling system that Welch's publisher - Herbert Read - was forced to seek legal advice. Seventy years on, there is little to shock the modern reader - but more than enough to earn a new generation of fans and admirers. William Burroughs said, "If ever there was a writer who was neglected, it was Denton. He makes you aware of the magic that is right beneath your eyes."

Now Ahmed's struggling to get by on his own, but with no one left to trust and nowhere to go, he's starting to lose hope. Then he meets Max, a thirteen-year-old American boy from Washington, D.C. Together, Max and Ahmed will defy the odds, learning from each other what it means to be brave and how hope can change your destiny. Set against the backdrop of the Syrian refugee crisis, award-winning author of *Jepp, Who Defied the Stars* Katherine Marsh delivers a gripping, heartwarming story of resilience, friendship and everyday heroes. Barbara O'Connor, author of *Wish* and *Wonderland*, says "Move Nowhere Boy to the top of your to-be-read pile immediately."

They rowed hard, away from the battleships and the bombs. Water sprayed over them. The rowboat pitched one way and then the other. Then, before his eyes, the Arizona lifted up out of the water. That enormous battleship bounced up in the air like a rubber ball and split apart. Fire burst out of the ship. A geyser of water shot into the air and came crashing down. Adam was almost thrown out of the rowboat. He clung to the seat as it swung around. He saw blue skies and the glittering city. The boat swung back again, and he saw black clouds, and the Arizona, his father's ship, sinking beneath the water. -- from *A Boy at War* "He kept looking up, afraid the planes would come back. The sky was obscured by black smoke....It was all unreal: the battleships half sunk, the bullet holes in the boat, Davi and Martin in the water." December 7, 1941: On a quiet Sunday morning, while Adam and his friends are fishing near Honolulu, a surprise attack by Japanese bombers destroys the fleet at Pearl Harbor. Even as Adam struggles to survive the sudden chaos all around him, and as his friends endure the brunt of the attack, a greater concern hangs over his head: Adam's father, a navy lieutenant, was stationed on the USS Arizona when the bombs fell. During the subsequent days Adam -- not yet a man, but no longer a boy -- is caught up in the war as he desperately tries to make sense of what happened to his friends and to find news of his father. Harry Mazer, whose autobiographical novel, *The Last Mission*, brought the European side of World War II to vivid life, now turns to the Pacific theater and how the impact of war can alter young lives forever.

Meet Tim Bazzett, fifty years ago. This book is not so much a memoir as a rambling and luminous letter he is writing to his kids. In it he pays tribute and homage to his parents, to his teachers, and to Reed City, the town that shaped him. Mining his earliest memories, Bazzett tells of childhood scrapes, homemade toys, playing cowboys and "war" and even comes clean about an embarrassing feat of flatulence in a most unlikely place which became legend in family lore. He takes you along to Indian Lake, where he spent his summers swimming, and to Saturday matinees at the Reed Theater, where he learned homespun values from Gene and Roy. You'll meet the nuns who educated him at St. Philip's School, where he learned to dance and diagram. Early struggles with sex, sin and "Catholic guilt" are given their due, along with a short-lived religious vocation and a stint at the seminary. A "pseudo-farm kid," Bazzett tells too of his trials with cows, chickens, and picking pickles; and of lessons in "animal psychology" learned from his grandfather. His high school years are marred by pimples, dorkiness, and pining for the "popular" girls, but brightened by a few close friends and some minor successes on the basketball court. He loves some of his teachers, clashes with others, and even terrorizes one, as he fumbles his way toward manhood. It's all here - the work, the play, the frustrations and the joys of growing up working-class and Catholic in the heart of small-town America. Anyone who has been there will chuckle, remember and relate to *Reed City Boy*.
