Teaching the Literatures of the American Civil War

John Wiley & Sons
Derived from the parent Guide to Literature in English, this volume offers in concise form over 4,000 entries on literature in English from cultures throughout the world. Writers and major works

from the UK and the USA are represented, as are those from Canada, the Caribbean, Australia, India, and Africa. The coverage is broad - from the classics of English literature to the best of modern writing. Additionally, the Guide has a wealth of entries on literary movements, groups or schools in literature and criticism, literary magazines, genres and sub-genres, critical concepts, and

rhetorical terms. *Becoming Poetry* University of Notre Dame Press
Winner of the Lewis P. Simpson Award In *Becoming Poetry*, Jay Rogoff closely inspects the work of two dozen poets, his forebears and his contemporaries, to reveal how their poetry achieves its impact upon readers. His essays, drawn from more than twenty years of literary criticism, explore how the

staying power of a poet's work and the likelihood of its enjoying a lasting identification with its creator depend on the skilled manipulation of poetic technique. Considering how poetry can manifest a vividly conceived world of feeling and sensation, Rogoff maintains that we understand and evaluate poets by the sum of their most persuasive inventive strategies, including their attention to form. The poet, finally, constructs a uniquely imagined universe and thus, in the

minds of readers, becomes the poetry. A model of practical criticism, intended for enthusiasts at all levels, *Becoming Poetry* demystifies how poetry operates on its audience to create a virtual, affective experience of lasting power and value. *The Southern war poetry of the Civil War*
 CHANGDER OUTLINE
 In The Etiquette of Early Northern Verse, Roberta Frank peers into the northern poet's workshop, eavesdropping as Old English and Old Norse

verse reveal their craft secrets. This book places two vernacular poetries of the long Viking Age into conversation, revealing their membership in a single community of taste, a traditional stylistic ecology that did serious political and historical work. Each chapter seeks the codes of a now-extinct verse technique. The first explores the underlying architecture of the two poetries, their irregularities of pace, startling formal conventions, and tight verbal detail work. The

passage of time has worn away most of the circumstantial details that literary scholars in later periods take for granted, but the public relations savvy and aural and syntactic signals of early northern verse remain to some extent retrievable and relatable, an etiquette prized and presumably understood by its audiences. The second and longest chapter investigates the techniques used by early northern poets to retrieve and organize the symmetries of language.

It illustrates how supererogatory alliteration and rhyme functioned as aural punctuation, marking off structural units and highlighting key moments in the texts. The third and final chapter describes the extent to which both corpora revealed in negations, litotes, indirection, and down-toners, modes that forced audiences to read between half-lines, to hear what was not said. By decluttering and stripping away excess, by drawing words through a

tight mesh of meter, alliteration, and rhyme, the early northern poet filtered out dross and stitched together a poetics of stark contrasts and forebodings. Poets and lovers of poetry of all periods and places will find much to enjoy here. So will students in Old English and Old Norse courses. *The Southern War Poetry of the Civil War* Columbia University Press This illustrated and fully updated Third Edition of *The Cambridge Guide to Literature in English* is the

most authoritative and international survey of world literature in English available. The Guide covers everything from Old English to contemporary writing from all over the English-speaking world. There are entries on writers from Britain and Ireland, the USA, Canada, India, Africa, South Africa, New Zealand, the South Pacific and Australia, as well as on many important poems, novels, literary journals and plays. This new edition has been brought completely up to

date with more than 280 new author entries, most of them for living authors. The general reader will find it fascinating to browse and to discover many new writers and works, while students will find it an invaluable resource for daily use. This is a unique work of reference for the twenty-first century that no reader or library should be without. The Cambridge Companion to American Poetry and Politics since 1900 Cambridge University Press

Poetry, prose, photos, and songs of the Civil War. The authors range from hawks to doves. In the former category, James Madison Bell wrote: "The pleasing duty still remains / To sing a people from their chains." The Southern War Poetry of the Civil War LSU Press

The Encyclopaedia Britannica Oxford University Press, USA
An authoritative and

comprehensive guide to poetry throughout the world The Princeton Handbook of World Poetries—drawn from the latest edition of the acclaimed Princeton Encyclopedia of Poetry and Poetics—provides a comprehensive and authoritative survey of the history and practice of poetry in more than 100 major regional, national, and diasporic literatures and language traditions around the globe. With more than 165 entries, the book combines broad overviews and focused

accounts to give extensive coverage of poetic traditions throughout the world. For students, teachers, researchers, poets, and other readers, it supplies a one-of-a-kind resource, offering in-depth treatment of Indo-European poeties (all the major Celtic, Slavic, Germanic, and Romance languages, and others); ancient Middle Eastern poeties (Hebrew, Persian, Sumerian, and Assyro-Babylonian); subcontinental Indian poeties (Bengali, Hindi,

Marathi, Punjabi, Sanskrit, Tamil, Urdu, and more); Asian and Pacific poeties (Chinese, Japanese, Korean, Vietnamese, Mongolian, Nepalese, Thai, and Tibetan); Spanish American poeties (those of Mexico, Peru, Argentina, Chile, and many other Latin American countries); indigenous American poeties (Guaraní, Inuit, and Navajo); and African poeties (those of Ethiopia, Somalia, South Africa, and other countries, and including African languages,

English, French, and Portuguese). Complete with an introduction by the editors, this is an essential volume for anyone interested in understanding poetry in an international context. Drawn from the latest edition of the acclaimed Princeton Encyclopedia of Poetry and Poetics Provides more than 165 authoritative entries on poetry in more than 100 regional, national, and diasporic literatures and language traditions throughout the world Features extensive

coverage of non-Western poetic traditions Includes an introduction, bibliographies, cross-references, and a general index

Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

Caminar Civil War Poetry
When Abraham Lincoln

met Harriet Beecher Stowe in 1863, he reportedly greeted her as "the little woman who wrote the book that started this Great War." To this day, Uncle Tom's Cabin serves as a touchstone for the war. Yet few works have been selected to represent the Civil War's literature, even though historians have filled libraries with books on the war itself. This volume helps teachers address the following questions: What is the relation of canonical works to the multitude of

occasional texts that were penned in response to the Civil War, and how can students understand them together? Should an approach to war literature reflect the chronology of historical events or focus instead on thematic clusters, generic forms, and theoretical concerns? How do we introduce students to archival materials that sometimes support, at other times resist, the close reading practices in which they have been trained? Twenty-three essays cover such topics as

visiting historical sites to teach the literature, using digital materials, teaching with anthologies; soldiers' dime novels, Confederate women's diaries, songs, speeches; the conflicted theme of treason, and the double-edged theme of brotherhood; how battlefield photographs synthesize fact and fiction; and the roles in the war played by women, by slaves, and by African American troops. A section of the volume provides a wealth of resources for teachers.

 Courier Corporation
 The horrors of the First World War released a great outburst of emotional poetry from the soldiers who fought in it as well as many other giants of world literature. Wilfred Owen, Rupert Brooke and W B Yeats are just some of the poets whose work is featured in this anthology. The raw

emotion unleashed in these poems still has the power to move readers today. As well as poems detailing the miseries of war there are poems on themes of bravery, friendship and loyalty, and this collection shows how even in the depths of despair the human spirit can still triumph.
War is Kind Nelson Thornes
 Deeply affecting and diverse in perspective, *The Poetry of the American Civil War* is the first comprehensive volume to focus entirely

on poetry written and published during the Civil War. Of the nearly one thousand books of poetry published in the 1860s, some two hundred addressed the war in some way, and these collectively present a textured portrait of life during the conflict. The poets represented here hail from the North and the South, and at times mirror each other uncannily. Among them are housewives, doctors, preachers, bankers, journalists, and teachers. Their verse reflects the

day-to-day reality of war, death, and destruction, and it contemplates questions of faith, slavery, society, patriotism, and politics. This is an essential volume for poetry lovers, historians, and Civil War enthusiasts alike.

Publisher Description
Literary Studies Indiana
University Press
*Literary Studies: A
Practical Guide* provides a
comprehensive

foundation for the study of English, American, and world literatures, giving students the critical skills they need to best develop and apply their knowledge. Designed for use in a range of literature courses, it begins by outlining the history of literary movements, enabling students to contextualize a given work within its cultural and historical moment. Specific focus is then given to the use of literary theory and the analysis of: Poetry Prose fiction and novels Plays

Films. A detailed unit provides clear and concise introductions to literary criticism and theory, encouraging students to nurture their unique insights into a range of texts with these critical tools. Finally, students are guided through the process of generating ideas for essays, considering the role of secondary criticism in their writing, and formulating literary arguments. This practical volume is an invaluable resource for students, providing them with the

tools to succeed in any English course.
Everyday Life in the Muslim Middle East, Third Edition Cambridge University Press
 The first substantial commentary for a generation on this book of Horace's Odes, a great masterpiece of classical Latin literature.

The Augustan Art of Poetry Modern Language Association
 '[The book offers] meticulous case studies of authorial technique with much relevant historical detail. Discussion of

sound symbolism is laudably precise and informative. [...] Glossed illustrative passages are provided throughout to maintain contact with a large potential audience. [...] The overall quality of the book cannot be ignored. This is an outstanding work of literary analysis.' Geoffrey Russom, Brown University
World War I Poetry BoD - Books on Demand
 Malaysian writing in English has had a history of over five decades since Malaysia attained independence. This

anthology of Malaysian poetry in the English language represents the most complete single collection of poems by veteran as well as new authors to be released in recent decades. In keeping with general trends in poetry, the poets presented in this volume begin with themselves as centres of their own little worlds and then move outwards to those still close to them in different kinds of situations and relationships. They touch upon individual growth

and experiences before taking the world and its concerns into their purview. Other poems explore religious and spiritual consciousness. The potential that Man has on his journey of life leads beyond his daily obsessions and takes him into realms of expanding consciousness, with the final stages of the long journey reaching the transcendental and mystical. Altogether, while providing a spectrum of recent Malaysian poetry in English, this collection also gives the reader

insights into the unique voices of several generations of Malaysian poets dealing with a whole range of themes connected with their lives, universal issues and concerns.

The Cambridge

Introduction to Modernist Poetry Routledge

Modernist poems are some of the twentieth-century's major cultural achievements, but they are also hard work to read. This wide-ranging introduction takes readers through modernism's most famous poems and

some of its forgotten highlights to show why modernists thought difficulty and disorientation essential for poetry in the modern world. In-depth chapters on Pound, Eliot, Yeats and the American modernists outline how formal experiments take on the new world of mass media, democracies, total war and changing religious belief. Chapters on the avant-gardes and later modernism examine how their styles shift as they try to re-make the community of readers.

Howarth explains in a clear and enjoyable way how to approach the forms, politics and cultural strategies of modernist poetry in English.

Asian Centre Anthology of Malaysian Poetry in English Candlewick Press (MA)

A comprehensive, chronological overview of American literature in three scholarly and authoritative volumes A Companion to American Literature traces the history and development of American literature from its early origins in

Native American oral tradition to 21st century digital literature. This comprehensive three-volume set brings together contributions from a diverse international team of accomplished young scholars and established figures in the field. Contributors explore a broad range of topics in historical, cultural, political, geographic, and technological contexts, engaging the work of both well-known and non-canonical writers of every period. Volume One is an

inclusive and geographically expansive examination of early American literature, applying a range of cultural and historical approaches and theoretical models to a dramatically expanded canon of texts. Volume Two covers American literature between 1820 and 1914, focusing on the development of print culture and the literary marketplace, the emergence of various literary movements, and the impact of social and historical events on

writers and writings of the period. Spanning the 20th and early 21st centuries, Volume Three studies traditional areas of American literature as well as the literature from previously marginalized groups and contemporary writers often overlooked by scholars. This inclusive and comprehensive study of American literature: Examines the influences of race, ethnicity, gender, class, and disability on American literature Discusses the role of technology in book production and

circulation, the rise of literacy, and changing reading practices and literary forms Explores a wide range of writings in multiple genres, including novels, short stories, dramas, and a variety of poetic forms, as well as autobiographies, essays, lectures, diaries, journals, letters, sermons, histories, and graphic narratives. Provides a thematic index that groups chapters by contexts and illustrates their links across different traditional chronological boundaries A Companion

to American Literature is a valuable resource for students coming to the subject for the first time or preparing for field examinations, instructors in American literature courses, and scholars with more specialized interests in specific authors, genres, movements, or periods.
