Fire with Fire Delacorte Press

Perfect for fans of Morgan Matson and Netflix/Hallmark Channel rom-coms, this is the story of a girl who decides to give in to the universe and just say yes to everything, bringing her friendship, new experiences, and, if she lets her guard down, true love. The perfect book to kick off summer! For as long as Rachel Walls can remember, she's had capital-G Goals: straight As, academic

scholarship, college of her dreams. And it's all paid off--after years of following the rules and acing every exam, Rachel is graduating at the top of her class and ready to celebrate by . . . doing absolutely nothing. Because Rachel Walls has spent most of high school saying no. No to dances, no to parties, and most especially, no to boys. Now, for the first time in her life, there's nothing stopping Rachel from having a little fun--nothing, that is, except herself. So when she stumbles on a beat up old self-help book--A SEASON OF YES!--a crazy idea pops into her head: What if she just said yes to . . . everything? And so begins a summer of yes. Yes to new experiences and big

mistakes, yes to rekindled friendships and unexpected romances, yes to seeing the world in a whole new way. This book is a fresh and fun take on the coming-of-age novel that explores the quintessential themes of growing up: taking risks, making mistakes, and, of course, love. And who knows? Lindsey Roth Culli's hilarious and heartwarming debut may just inspire your own SAY YES SUMMER.

Memoirs of a Teenage Amnesiac Simon and Schuster

"Once you visit Silver Springs, you'll never want to leave."—Robyn Carr, #1 New York Times bestselling author *Escape to Silver Springs*, the picturesque small California town where love conquers all...

After catching her fiancé cheating—with another man—usually straitlaced, workaholic Ellie Fisher indulges in a one-night stand with a tall dark stranger she meets at a trendy Miami bar.

Embarrassed, she ducks out the following morning without learning the guy's full

name, something that shouldn't have been a problem...until a pregnancy test turns positive. Being a professional football player, Hudson King has always been cautious around women. But this one had been different—so disinterested in his celebrity, so convincingly into him. When Ellie tracks him down, claiming she's carrying his baby, he's stunned. But having grown up as an orphan, he'll do anything to stay involved in his child's life, so he urges Ellie to move to Silver Springs, where they can co-parent. Hudson has a lot of love to give. Certainly enough for his child...and, he soon learns, for Ellie too. Don't miss Brenda Novak's latest book, *When I Found You!*

Les Amours de Lara Jean T01 Simon and Schuster

An accomplished novel from a talented writer, *Letters to the Lost* is a stunning, emotional love story. Iona Grey's prose is warm, evocative, and immediately engaging; her characters become so real you can't bear to let them go. I promised to love you forever, in a time when I didn't know if I'd live to see the start of another week. Now it looks like forever is finally running out. I never stopped loving you. I tried, for the sake of my own sanity, but I never even got close, and I never stopped hoping either. Late on a frozen February evening, a young woman is running through the streets of London.

Having fled from her abusive boyfriend and with nowhere to go, Jess stumbles onto a forgotten lane where a small, clearly un-lived-in old house offers her best chance of shelter for the night. The next morning, a mysterious letter arrives and when she can't help but open it, she finds herself drawn inexorably into the story of two lovers from another time. In London 1942, Stella meets Dan, a US airman, quite by accident, but there is no denying the impossible, unstoppable attraction that draws them together. Dan is a B-17 pilot flying his bomber into Europe from a British airbase; his odds of survival are one in five. In the midst of such uncertainty, the one thing they hold

onto is the letters they write to each other. Fate is unkind and they are separated by decades and continents. In the present, Jess becomes determined to find out what happened to them. Her hope—inspired by a love so powerful it spans a lifetime—will lead her to find a startling redemption in her own life in this powerfully moving novel.

Love and Other Unknown Variables

Simon and Schuster

In this sequel to *Wallbanger*, fan favorites Caroline Reynolds and Simon Parker negotiate the roller coaster of their new relationship while house-sitting in Sausalito. Playing house was never so much fun—or so confusing. With her boss on an extended honeymoon, Caroline's working crazy-long hours to keep the interior design company running—especially since she's also the lead designer for the renovation of a gorgeous old hotel. And with Simon, her hotshot photographer

boyfriend, gallivanting all over the world for his job, the couple is heavy-duty into "absence makes the heart grow fonder" mode. No complaints about the great reunion sex, though! Then a trip back east to his childhood home has Simon questioning his nomadic lifestyle. He decides to be home more. A lot more. And he wants Caroline home more, too. Though their friends' romantic lives provide plenty of welcome distraction, eventually Caroline and Simon have to sort out their relationship. Sure, more togetherness is a good thing—but does less traveling and working have to mean the other extreme? Apple pie and picket fences? With this second book in the

Cocktail series, USA TODAY bestselling author Alice Clayton delivers another delicious, frothy confection of a book, shaking up her characters, stirring in laugh-out-loud humor, and serving sizzling romance straight up!

It's Not Summer

Without You Simon & Schuster Books for Young Readers
From the author of *Elsewhere* and the *Birtheright* trilogy, Gabrielle Zevin's *Memoirs of a Teenage Amnesiac* is an imaginative YA novel all about love and

second chances. If Naomi had picked tails, she would have won the coin toss. She wouldn't have had to go back for the yearbook camera, and she wouldn't have hit her head on the steps. She wouldn't have woken up in an ambulance with amnesia. She certainly would have remembered her boyfriend, Ace. She might even have remembered why she fell in love with him in the first place. She would understand why her best friend, Will, keeps calling her "Chief." She'd get all his inside jokes, and maybe he wouldn't be so frustrated with her for forgetting things she can't possibly remember. She'd know about her mom's new family. She'd know

about her dad's fiancée. She wouldn't have to spend her junior year relearning all the French she supposedly knew already. She never would have met James, the boy with the questionable past and the even fuzzier future, who tells her he once wanted to kiss her. She wouldn't have wanted to kiss him back. But Naomi picked heads. *Memoirs of a Teenage Amnesiac* is a 2008 Bank Street - Best Children's Book of the Year.
