Whose wheels are these? Read the rhyming text and look at the bright pictures to work it out. Then lift the giant flaps and reveal the different vehicles to see if you were right!

*The Soul of a Team* Arcadia Publishing

Fifteen-(Earth)-year-old Trish "Trash" Nupindju dreams of derby stardom. When you come from a multiracial family of poor moisture farmers on Mars, making the local hover derby team seems like the only way out. But when Trish finally gets (AKA sneaks into) a tryout, will this "fresh meat" have what it takes to make the cut? And then when a half-dead Martian shows up on her doorstep, how will that change what Trish had planned for her future? Find out in the first volume of this new science fiction trilogy from award-winning graphic novelist Jessica Abel. Part science fiction, part rollicking roller derby adventure story, Trish Trash: Rollergirl of Mars is a compelling character study of a young girl who feels trapped by the circumstances of her birth and economic situation.

*The Derby Daredevils: Kenzie Kickstarts a Team* Capstone

Unlock your athletic potential and get into the best shape of your life with Krista Stryker's HIIT and bodyweight workouts—all of which can be done in

just minutes a day! If you've ever thought you couldn't get results without spending hours in the gym, that you'd never be able to do a pull-up, or that it's too late to get in your best shape ever, The 12-Minute Athlete will change your mind, your body, and your life. Get serious results with high-intensity interval training (HIIT) workouts that can be done in just minutes a day. Give up the excuses and learn to use your own bodyweight and a few basic pieces of portable equipment for short, incredibly effective workouts. Reset your mindset, bust through mental blocks, and set meaningful goals you'll actually accomplish. You can finally ditch the dieting and enjoy food as fuel with simple eating guidelines to the 80/20 rule. In The 12-Minute Athlete you'll also find: -A guide to basic calisthenics and bodyweight exercises for any fitness level -Progressive exercises to achieve seemingly "impossible" feats like pistol squats, one-arm push-ups, pull-ups, and handstands -More than a dozen simple and healthy recipes that will fuel your workouts -Two 8-week workout plans for getting fitter, faster, and stronger -Bonus Tabata workouts -And so much more! The 12-Minute Athlete is for men and women, ex-athletes and new athletes, experienced athletes and "non-athletes"—for anyone who has a body and wants to get stronger and start living their healthiest life.

*Roller Girl* Skyhorse Publishing Inc.

The 1950s phenomenon of Roller Derby is back in full force, and it's definitely not your grandma's game anymore. With leagues in more than one hundred cities across the country, a national tournament, and major sponsors, the new wave of the sport has gone mainstream. No one is better qualified to tell the story of Flat Track Derby's astronomic rise than Melissa "Melicious" Joulwan. As a founding member of the Texas Rollergirls -- the league that launched the sport and the reigning national champions -- she has helped redefine what it means to be stylish, sporty, and sexy. With her

mouthy, tough-as-nails style, Melicious recounts her best tales from the track: her fierce rivalries with The Wrench and Ivanna S. Pankin, the scene at the annual national tournament, the thrill of a bout, and the infractions that so often bring her to the penalty box. From the minute she first laced up her skates and wrapped herself in her alter ego, Roller Derby has given her a confidence boost, and she shares the positive impact the sport has also had on girls -- young and not-so-young -- who tack posters of her on their bedroom walls and lace up their own skates. Complete with photos and suggestions on how to develop a Rollergirl name and persona, this unprecedented tell-all comes from the woman who's watched the sport evolve from an underground Friday-night event to a bona fide national phenomenon.

Synopsis: When Joy gets on the Brooklyn Scallywags and meets the star, Lizzie Lightning, she and her long term partner Michelle find their lives turned upside down. For The Love Of asks how much you're willing to sacrifice – or lose – in order to follow your heart. Cast Size: 9 Diverse Females “tough, thrilling, compelling, dramatic”—Stage Raw “raw and real and complicated”—Chicago Tribune “a seductively rousing show.”—LA Weekly

**A History of the Nets** Dial Press

The changing fortunes of Detroit, told through the lens of the city's major sporting events, by the bestselling author of Soccernomics, and a prizewinning cultural critic From Ty Cobb and Hank Greenberg to the Bad Boys, from Joe Louis and Gordie Howe to the Malice at the Palace, City of Champions explores the history of Detroit through the stories of its most gifted athletes and most celebrated teams, linking iconic events in the history of Motown sports to the city's shifting fortunes. In an era when many teams have left rustbelt cities to relocate elsewhere, Detroit has held on to its franchises, and there is currently great hope in the revival of the city focused on its downtown sports complexes—but to whose benefit? Szymanski and Weineck show how the fate of the teams in Detroit's stadiums, gyms, and fields is echoed in the rise and fall of the car industry, political upheavals ushered in by the depression, World War II, the 1967 uprising, and its recent bankruptcy and renewal. Driven by the conviction that sports not only mirror society but also have a special power to create both community and enduring narratives that help define a city's sense of self, City of Champions is a unique history of the most American of cities.

**Derby Girl** Open Road Media

Tear up the rink with your favorite ponies in this standalone My Little Pony comic adventure! Lace up your skates, everypony, we're heading to the Kenbucky Roller Derby! After getting rejected from the local roller derby team, Sunny sets out to form her own team. Thanks to self-appointed team manager Pipp and her ClipTrot sleuthing skills, they find the perfect pony to join them: Tracy Tailspin, retired derby legend! But they'll need more skaters if they want to win the Kenbucky Derby, the toughest championship in Equestria. Sunny holds tryouts for all the other creatures who are either too mean, too scary, too uncoordinated, or...the Pegasnails, who are all heart but no limbs. Can the newly formed Maretime Bay Brawlers battle their way through the competition to take home the trophy? Or has Sunny just signed her friends up for rink rash and disappointment? Exploring themes of trust, learning how to be a good competitor, and having faith in your friends' skills, this miniseries whips the Mane 5 on their silliest, most hilarious adventure yet! This book collects My Little Pony: Kenbucky Roller Derby #1-5.

Fiction. Drama. California Interest. Native American Studies. Alaska Native Literature. Edited by Elizabeth Russo. "Three Alaska authors, three Alaska stories, one Alaska book, all brought forth by an Alaska publisher. If that alone is not enough to make you buy this book, read on. In a state known for books about bush pilots, bear encounters and fish stories, WEATHERED EDGE is something new. It is literary fiction—high quality stuff, but unpretentious, accessible, and populated with settings and characters that many of us will recognize."—Bill Streever

Best Roller Derby Coach Ever IDW Publishing

A powerful and redemptive story of how the dazzling world of roller derby helped one young woman transform her fear and self-doubt into gutsy, big-hearted, adventurous living “A universal story of healing and triumph, made all the more beautiful, wild, and free by Gabe’s fierce love for roller derby and her team, who become her family.”—ABBY WAMBACH, Olympian, activist, and author of the #1 New York Times bestseller Wolfpack ONE OF THE BEST BOOKS OF THE YEAR: Book Riot Growing up queer in a conservative Midwestern town, Gabe Montesanti never felt comfortable in her own skin. A competitive swimmer, she turned to perfectionism and self-control to create a sense of safety, only to develop an eating disorder and constantly second-guess her instincts. When she enters graduate school in St. Louis, she is determined to put the baggage of her childhood behind her. With no prior experience, she joins Arch Rival, one of the top-ranked roller derby leagues in the world. Gabe instantly falls in love with the sport’s roughness, intensity, and open embrace of people who are literally and figuratively scarred. She soon finds community and a sense of belonging, reveling in the tattoos, glitter, and campiness. But when Gabe suffers a catastrophic injury, she can no longer ignore the parallels between the physicality of roller derby and the unresolved trauma of her upbringing. Rendered inactive, forced to be still, Gabe realizes she needs to heal her emotional wounds as much as her physical ones; she must confront her fear and self-diminishment in order to feel truly alive. Told with unflinching honesty and a giant dose of wonder, Brace for Impact is a tender, inspiring memoir about the everyday heroism of pursuing a life less ordinary, and the deeply human need to be at peace with who you are.

Jammer Star University of Texas Press

Book #3 in this highly illustrated middle-grade series stars shy Tomoko and finds the team at roller derby sleepaway camp in nearby Dallas, Texas—now in paperback! School’s out, and the Derby Daredevils are excited to spend all summer tearing up the track. But, the coaches have something super special planned: the Austin league is heading to Dallas for a week of roller derby sleepaway camp! Tomoko could not be more excited—she loves roller derby and her team. Plus, she’s been going camping with her uncle every summer since she can remember. She’s got all the gear and the skills she needs for two weeks in the great outdoors. But roller derby camp isn’t in the great outdoors. It’s in the middle of the city. And it means meeting a bunch of new kids, which isn’t exactly a strength for shy, introverted Tomoko. Disappointed, she puts her head down and skates

hard until the team gets lost in the middle of Dallas—without a grown-up or a cell phone to guide them back to camp. Tomoko uses her wilderness skills and navigational know-how to lead them home and her calm demeanor to keep everyone feeling safe.

Rollergirl Macmillan

Every Reason We Shouldn't by Sara Fujimura is a charming multicultural romance perfect for the many fans of Jenny Han and Rainbow Rowell.

Warning: Contains family expectations, delightful banter, great romantic tension, skating (all kinds!), Korean pastries, and all the feels. Sixteen-year-old figure skater Olivia Kennedy’s Olympic dreams have ended. She’s bitter, but enjoying life as a regular teenager instead of trying to live up to expectations of being the daughter of Olympians Michael Kennedy and Midori Nakashima...until Jonah Choi starts training at her family’s struggling rink. Jonah’s driven, talented, going for the Olympics in speed skating, completely annoying... and totally gorgeous. Between teasing Jonah, helping her best friend try out for roller derby, figuring out life as a normal teen and keeping the family business running, Olivia’s got her hands full. But will rivalry bring her closer to Jonah, or drive them apart? “This book is like a warm hug filled with all the things I love. I started smiling from page one and couldn’t put it down.” —Courtney Milan At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Weathered Edge Ladybird

"A young graphic novel chapter book about the escape escapades of class pets at Daisy P. Flugelhorn Elementary School"--

Whose... Wheels? Sourcebooks, Inc.

Annie’s roller derby team is finally on a winning streak. They plan a special Halloween bout with their arch rivals, the High Rollers. But Annie sprains her ankle. Will it heal in time for the bout?

The Great Pet Escape iUniverse

“Part manifesto, part how-to-guide . . . required reading for anyone who’s searching for new ways to be fearless.” —Carrie Brownstein When most Americans hear the words “roller derby” today, they think of the kitschy sport once popular on weekend television during the seventies and eighties. Originally an endurance competition where skaters traveled the equivalent of a trip between Los Angeles and New York, roller derby gradually evolved into a violent contact sport often involving fake fighting, and a kitschy weekend-television staple during the seventies and eighties. But in recent decades it’s come back strong, with more than 17,000 skaters in more than four hundred leagues around the world, and countless die-hard fans. Down and Derby will tell you everything you ever wanted to know about the sport. Written by veteran skaters as both a history and a how-to, it’s a brassy celebration of every aspect of the sport, from its origins in the late 1800s, to the rules of a modern bout, to the science of picking an alias, to the many ways you can get involved off skates. Informative, entertaining, and executed with the same tough, sassy, DIY attitude—leavened with plenty of humor—that the sport is known for, Down and Derby is a great read for both skaters and spectators.

**My Little Pony: Kenbucky Roller Derby #5** Penguin

A “fun, fanciful, and even informative” history of felines as revealed by a very learned tabby with a knack for hunting down facts (People). Since the dawn of civilization, felines have prowled alongside mankind as they expanded their territory and spread the myth of human greatness. And today, cats are peddled on social media as silly creatures here to amuse humans with their antics. But this is an absurd, self-centered fantasy. The true history of felines is one of heroism, love, tragedy, sacrifice, and gravitas. Not entirely convinced? Well, get ready, because Baba the Cat is here to set the record straight. Spanning almost every continent and thousands—yes, thousands—of years, Baba’s complex story of feline survival presents readers with a diverse cast of cats long forgotten: from her prehistoric feline ancestors and the ancient Egyptian cat goddess Bastet to the daring mariners at the height of oceanic discovery, key intellectuals in the Enlightenment period, revered heroes from World Wars I and II, and the infamous American tabbies. Baba, a talented model in addition to a scholar, goes beyond surface-level scratches, pairing her freshly unearthed research with a series of stunning costume portraits to bring history to life. A paws-on journey through the feline hall of fame, with in-depth research and four-legged testimonials that will make you rethink who defines history, A Cat’s Tale is a one-of-a-kind chronicle that introduces readers to the illustrious ancestors of their closest companions and shows, once and for all, that cats know exactly what they’re doing. “Almost certainly the most unique cat history book ever published.” —Smithsonian Magazine

My Little Pony: Kenbucky Roller Derby Macmillan + ORM

Flat track roller derby is one of the country’s fastest growing sports. What started as a single league in Austin, Texas, a couple of decades ago has grown into an international phenomenon, with nearly two thousand leagues around the world. Rollergirls captures the spirit of the game, which is poised to become an Olympic sport, and highlights the women who have become known as the godmothers of modern-day roller derby. Documentary photographer Felicia Graham takes readers on a visual tour of more than 160 black-and-white images, showcasing the confidence it takes to become a rollergirl and the camaraderie that develops among the players. Focusing on the Texas League, where it all began, Graham celebrates the culture and personality of flat track derby everywhere. Despite their different reasons for joining the sport, women of varying professions, ages, and lifestyles have made roller derby uniquely their own. With tongue-in-cheek team names like the Hotrod Honeys and personas like Sparkle Plenty and Buckshot Betty, the players use their brains and brawn to master the strategic game while also expanding the sport internationally. It’s all done with bravado and a brash sense of humor unique to full-contact sports. Graham has been photographing the Texas Rollergirls on and off the track, in Texas and on the international circuit, for more than a decade. Spending untold hours with the league and collecting thousands of photographs of pivots and blockers, adoring crowds, and the sweat of the bench, she has created a visual narrative of women who embody the freedom of flying around the track. In these pages, readers learn how regular girls become rollergirls--determined, athletic, intimidating, and powerful, all on their own terms.

**Dorothy’s Derby Chronicles: Rise of the Undead Redhead** Abrams

Sixteen-year-old Robin Ellis (aka Robin CookieJars) wants to be the best jammer on her roller-derby team and maybe one day play for the Creek City Roller Derby All-Stars like her idol, Annie Mossity. But star junior player April Reid (aka April Powers) always seems to be one lap ahead. Until recently, that is. Robin has noticed that April has been losing a lot of weight, and her game is suffering. This may be Robin’s chance to finally grab the MVP title. But her success may come at a very heavy cost.

Uncomfortable Labels The New Press

Since 1935, roller derby has thrilled fans and skaters with its constant action, hard hits, and edgy attitude. However, though its participants' athleticism is undeniable, roller derby has never been accepted as a "real" sport. Michella M. Marino, herself a former skater, tackles the history of a sport that has long been a cultural mainstay for one reason both utterly simple and infinitely complex: roller derby has always been coed. Richly illustrated and drawing on oral histories, archival materials, media coverage, and personal experiences, Roller Derby is the first comprehensive history of this cultural phenomenon, one enjoyed by millions yet spurned by mainstream gatekeepers. Amid the social constraints of the mid-twentieth century, roller derby's emphasis on gender equality attracted male and female athletes alike, producing gender relations and gender politics unlike those of traditional sex-segregated sports. In an enlightening feminist critique, Marino considers how the promotion of pregnancy and motherhood by roller derby management has simultaneously challenged and conformed to social norms. Finally, Marino assesses the sport's present

and future after its resurgence in the 2000s.
