Winner of the Booker prize and twice winner of the Booker of Bookers, *Midnight's Children* is "one of the most important books to come out of the English-speaking world in this generation" (New York Review of Books). Reissued for the 40th anniversary of the original publication--with a new introduction from the author--Salman Rushdie's widely acclaimed novel is a masterpiece in literature. Saleem Sinai is born at the stroke of midnight on August 15, 1947, the very moment of India's independence. Greeted by fireworks displays, cheering crowds, and Prime

Minister Nehru himself, Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well-being are inextricably bound to those of his nation; his life is inseparable, at times indistinguishable, from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1,000 other "midnight's children," all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people--a brilliant incarnation of the universal human comedy. *Midnight's Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

*From Plassey to Partition* is an eminently readable account of the emergence of India as a nation. It covers about two hundred years of political and socio-economic turbulence. Of particular interest to the contemporary reader will be sections such as Early Nationalism: Discontent and Dissension , Many Voices of a Nation and Freedom with Partition . On the one hand, it converses with students of Indian history and on the other, it engages general and curious readers. Few books on this crucial period of history have captured the rhythms of India s polyphonic nationalism as *From Plassey to Partition*.

This book presents a complete and accessible description of the history of early India. It starts by discussing the origins and growth of civilizations, empires, and religions. It also deals with the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as at the Harappan civilization. In addition, the rise of Jainism and Buddhism, Magadha and the beginning of territorial states, and the period of Mauryas, Central Asian countries, Satvahanas, Guptas, and Harshavardhana are also analysed. Next, it stresses varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. Finally, the process of transition from ancient to medieval India and the origin of the Aryan culture has also been examined.

In conclusion, "NCERT Summary (Class VI – XII) One Liner General Knowledge Book" by Dr. Manish Rannjan transcends the boundaries of conventional study guides, offering a transformative educational experience that empowers learners to excel and thrive in their academic pursuits. Don't miss your chance to elevate your learning journey with this indispensable resource. Grab your copy now and embark on a transformative academic odyssey unlike any other!

*Need of the Society & the Law* V&S Publishers

: The present study is sought to analyse the current position of animals and their rights, the laws in India and also the rights which are enjoyed by the animals in America and England. This present study also specifies the various types of cruelty that are covered by the law and the animals which are exempted to be protected by the law. It is also investigated the other ways which causes pain and suffering but are not included in the criteria of animal cruelty. This study also specifies the competent and appropriate authority responsible for the protection of animal right. Today's copyright law not only protects the copyright owner's and neighbouring rights, but also addresses the issue of public interest, attempting to create a balance between the two in the digital age. Thus, copyright law has progressed from its early days, when it primarily protected literary and aesthetic works, to a modern world full of technical advancements. Creators of literary, dramatic, musical, and aesthetic works, as well as makers of cinematograph films and sound recordings, have a legal claim to copyright. It is defined as "the legal right granted to an author, composer, etc. (or his assignee) to print, publish, and sell copies of his original work for a set number of years.
