Lieutenant Straughan Downing Kelsey, Jr.
was my only and older brother. He was the
family's Protector. When he was Killed In
Action, June 2, 1967 in Quang Tin
Province, Vietnam the family died with
him. My younger sister and I survive. We
are all that is left of a once glorious family.
I wish that the gifts the Lord blessed him

with will not be forgotten nor his courage,
valor and compassion. He was a gifted
athlete, artist, musician and intellect. He
graduated from Princeton University in
June of 1965 and entered the Marine Corps
almost immediately. It was his lifelong
dream. This book is his story and legacy. It
is the story of the times he lived in when
America went from watching Howdy
Doody to civil rights race riots and war at
home and Vietnam. America lost her
innocence but Stevie never wavered in his
devotion to his country and the Marine
Corps. Press Release: My Brother Stevie: A

Marine's Untold Story: Vietnam 1967 By Marianne Kelsey Orestis In recognition of her book, *My Brother Stevie: A Marine's Untold Story: Vietnam 1967* and tireless work in promoting patriotism while honoring the sacrifice and service of all Veterans and their families, The Department of Defense recently awarded Authorhouse author, Marianne Kelsey Orestis, the prestigious Vietnam War Commemoration Award. Orestis represented the great State of Maine and the Topsham-Brunswick Chapter of the National Society of the Daughters of the American Revolution in Washington, DC on June 30, 2017 at a ceremony celebrating her commitment to keeping the stories alive of Vietnam Veterans in her book. This tome is a story of courage and sacrifice of not only her brother but of all Marines, especially those who lost their lives at the massacre of Operation Union II on June 2, 1967. The battle was fought in the Quang Tin Province of Vietnam at the village of Ving Huy near the Mekong Delta where the An Hoa Marine Combat Field Base was located. This massacre resulted in the greatest loss of Marine riflemen throughout the entire war in a single day.

Orestis reaches deep into their lives to tell the stories of this harrowing battle so replete with uncommon valor. In this personal account, Orestis chronicles not only the life of the Lieutenant but of the times he lived in paying respect to the lives of those who gave their utmost. Orestis received the Department of Defense Certificate in appreciation of her dedication to the educating of those who came afterward by telling the stories of service, honor and sacrifice of the Veterans and their families in her biography.

Farm Income Tax Manual e-artnow George P. McClelland, a member of the 155th Pennsylvania Infantry in the Civil War, witnessed some of the war's most pivotal battles during his two and a half years of Union service. Death and destruction surrounded this young soldier, who endured the challenges of front line combat in the conflict Lincoln called "the fiery trial through which we pass." Throughout his time at war, McClelland wrote to his family, keeping them abreast of his whereabouts and aware of the harrowing experiences he endured in battle. Never before published,

McClelland's letters offer fresh insights into camp life, battlefield conditions, perceptions of key leaders, and the mindset of a young man who faced the prospect of death nearly every day of his service. Through this book, the detailed experiences of one soldier—examined amidst the larger account of the war in the eastern theater—offer a fresh, personal perspective on one of our nation's most brutal conflicts. *Your Brother in Arms* follows McClelland through his Civil War odyssey, from his enlistment in Pittsburgh in the summer of 1862 and his journey to Washington and march to Antietam, followed by his encounters in a succession of critical battles: Fredericksburg, Chancellorsville, Gettysburg, Spotsylvania Court House, the North Anna River, Petersburg, and Five Forks, Virginia, where he was gravely injured. McClelland's words, written from the battlefield and the infirmary, convey his connection to his siblings and his longing for home. But even more so, they reflect the social, cultural, and political currents of the war he was fighting. With extensive detail, Robert C. Plumb expounds on McClelland's words by placing the events described in

context and illuminating the collective forces at play in each account, adding a historical outlook to the raw voice of a young soldier. Beating the odds of Civil War treatment, McClelland recovered from his injury at Five Forks and was discharged as a brevet-major in 1865—a rank bestowed on leaders who show bravery in the face of enemy fire. He was a common soldier who performed uncommon service, and the forty-two documents he and his family left behind now give readers the opportunity to know the war from his perspective. More than a book of battlefield reports, *Your Brother in Arms: A Union Soldier's Odyssey* is a volume that explores the wartime experience through a soldier's eyes, making it an engaging and valuable read for those interested in American history, the Civil War, and military history.

My Brother Stevie: A Marine's Untold Story Author House

The fire of tyranny continues to burn in America and all over the world. The loss of jobs, erosion of our national borders and the death of the dollar are merely fractions of the problems brought upon us by

greedy tyrants and America's refusal to repent. Our children are looking at a bleak future unless we break the grip of oppression and turn our country around right now! America has stood as the symbol of freedom for many years, but such freedom is coming to an end unless we get up the guts and backbone to fight. There is a resistance boiling in America that has the fortitude to take a stand against intrusive government and the destruction of our Constitution. This resistance will give Big Brother a bloody nose and a black eye.

This carefully crafted ebook: "The Greatest Works of Dostoyevsky: Crime and Punishment + The Brother's Karamazov + The Idiot + Notes from Underground + The Gambler + Demons (The Possessed / The Devils)" contains 6 books in one volume and is formatted for your eReader with a functional and detailed table of contents. Table of Contents: Crime and Punishment The Brother's Karamazov The Idiot Notes from Underground The Gambler Demons (The Possessed / The Devil Fyodor Dostoevsky (1821-1881) was a Russian novelist and short-story writer. His writing

is steeped in deep psychology and the exploration of human nature, while it also accurately depicts the Russian reality of his times. Dostoyevsky is usually regarded as one of the finest novelists who ever lived. In his time he was also renowned for his activity as a journalist. Each of Dostoyevsky's works is famous for its psychological profundity, and, indeed, Dostoyevsky is commonly regarded as one of the greatest psychologists in the history of literature. He specialized in the analysis of pathological states of mind that lead to insanity, murder, and suicide and in the exploration of the emotions of humiliation, self-destruction, tyrannical domination, and murderous rage. These major works are also renowned as great "novels of ideas" that treat timeless and timely issues in philosophy and politics. Psychology and philosophy are closely linked in Dostoyevsky's portrayals of intellectuals, who "feel ideas" in the depths of their souls.

This carefully crafted ebook: "The Brother's Karamazov - Unabridged Garnett Translation" is formatted for your eReader with a functional and detailed table of contents. This is the version based on the unabridged Garnett translation. The Brothers Karamazov is the final novel by the Russian author Fyodor Dostoyevsky. Dostoyevsky spent nearly two years writing The Brothers Karamazov, which was completed and published in November 1880. The book is a passionate philosophical novel set in 19th century Russia, that enters deeply into the ethical debates of God, free will, and morality. It is a spiritual drama of moral struggles concerning faith, doubt, and reason, set against a modernizing Russia. Dostoyevsky composed much of the novel in Staraya Russa, which inspired the main setting. Since its publication, it has been acclaimed all over the world by

intellectuals as one of the supreme achievements in literature. Fyodor Mikhailovich Dostoyevsky (1821 - 1881) was a Russian novelist, short story writer, essayist and philosopher. Dostoyevsky's literary works explore human psychology in the context of the troubled political, social, and spiritual atmosphere of 19th-century Russia. Many literary critics rate him as one of the greatest and most prominent psychologists in world literature.
