The OPD Second Canadian Edition English/Spanish is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Spanish, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Spanish speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features: Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Spanish is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

Oxford Picture Dictionary English-Farsi Edition: Bilingual Dictionary for Farsi-speaking teenage and adult students of English Oxford University Press

These 168 activities are designed for instructors teaching beginner to intermediate teenage and

adult learners using the Oxford Picture Dictionary. Content of the Dictionary is organized within 12 thematic units, from Everyday Language, to People, to Housing, to Food, to Recreation. Each unit starts with an 'Intro' page (new to this edition) and ends with a story page, with single or double-page sub-topics introducing new words in a realistic visual context and easy-to-learn 'chunks'. The target new vocabulary is listed, and simple practice activities help students to put their new words into practice. Story pages include pre-reading questions to build previewing and predicting skills, and post-reading questions and role-play activities to support critical thinking and to encourage students to use the new language they have learned. Rich visual contexts recycle words from the unit.
