### Tuesday Tucks Me In Dell

The amazing true story of the orphaned baby hippo and 130-year-old giant turtle whose remarkable friendship touched millions around the world. The inspiring true story of two great friends, a baby hippo named Owen and a 130-yr-old giant tortoise named Mzee (Mm-ZAY). When Owen was stranded after the Dec 2004 tsunami, villagers in Kenya worked tirelessly to rescue him. Then, to everyone's amazement, the orphan hippo and the elderly tortoise adopted each other. Now they are inseparable, swimming, eating, and playing together. Adorable photos e-mailed from friend to friend quickly made them worldwide celebrities. Here is a joyous reminder that in times of trouble, friendship is stronger than the differences that too often pull us apart.

Pink was the runt of the pig litter. He was so small that the Kerby family didn't think he would survive—so they brought him into the house where he met Tink, a new dachshund mom. When Tink saw Pink, she immediately adopted him into her family, and helped nurse him back to health. Pink thrived in his new family: the puppies didn't mind that Pink looked nothing like them—he was just their size. This remarkable story has already garnered a great deal of media attention: the irresistible photographs documenting Pink and Tink's relationship have appeared on Good Morning America and The Ellen DeGeneres Show. Readers of all ages will be captivated by these adorable animals and the amazing bond that they share.

The amazing true story of a herd of elephants, the man who saved them, and the miracle of love that brought them home. One day in 1999, Lawrence Anthony and Françoise Malby hear that a herd of wild African elephants need a new home. They welcome the elephants to their wildlife sanctuary—Thula Thula—with open arms. But the elephants are much less sure they want to stay. How will Lawrence prove to them that they are safe and loved? What follows is a gorgeously illustrated real-life story of a friendship . . . and the story of the miraculous way that love given freely will return—greater and more wonderful than it began. • TOUCHING ANIMAL FRIENDSHIPS: Owen and Mzee, Tarra and Bella, Rescue and Jessica . . . touching true stories of the emotional bonds possible between species are charming, and speak to the limitlessness of love. • ELEPHANT APPEAL: Elephants are one of the most fascinating and charming wild animals in all

of nature. This heartwarming true story will intrigue and inspire children, and turn even the most reluctant readers into elephant enthusiasts. • CONSERVATION THEME: This book tells the true story of caring for one of the world's most beloved endangered animals: the African elephant. This book is a great, upbeat jumping-off point for discussions of the importance of preserving endangered species and their environments. • ENGAGING NONFICTION: There's no better way to get readers hooked on factual books than to offer them real-life stories with heart and meaning. • STRONG CURRICULUM CONNECTIONS: The Next Generation Science Standards (NGSS) emphasize learning about animal habitats/biomes in K-2 curriculums, while later grades address topics like conservation and endangered species. With a depth of research and an engaging, highly visual narrative, this book is an excellent resource for librarians and primary school educators. Perfect for: • Kindergarten and elementary school teachers • Parents and grandparents • Librarians • Lovers of animals, wildlife, and the natural world • Zoo and natural history museumgoers

 A friendship unlike any other! After retiring from the circus, Tarra became the first resident of the Elephant Sanctuary in Tennessee. When other elephants moved in and developed close friendships, only Tarra remained alone—until the day she met a stray mixed-breed dog named Bella. From then on, the two were inseparable. Color photographs of Tarra and Bella at home in the Elephant Sanctuary deftly illustrate this inspiring story of inter-species companionship.

This early work by Thomas Nashe was originally published in 1600 and we are now republishing it with a brand new introductory biography. 'Summer's Last Will and Testament' is an Elizabethan era stage play that broke new ground in the development of English Renaissance drama. Thomas Nashe was born in November 1567. He was an English Elizabethan Pamphleteer, playwright, poet and satirist, but little is known with certainty about his life. Much of the information we have has been inferred from his writings. Nashe's first appearance in print was his preface to Robert Greene's *Menaphon* (1589), in which he offers a brief definition of art and an overview of contemporary literature. His early exercise in euphuism *The Anatomy of Absurdity* was published in the same year. From then on Nashe became involved in numerous political and religious causes, including the Martin Marprelate controversy where he sided with the bishops. Nashe offers an important insight into the workings of 16th century

English life and his writings will continue to be studied for both their literary content and historical relevance.

*A Recipe for Bedtime* Clarkson Potter

Based on the New York Times bestseller, *Until Tuesday* this full-color book filled with adorable photographs tells the story of the amazing service dog who helps former U.S. Army Captain Luis Carlos Montalva..n overcome his combat-related wounds.

*I Am the Mountain Mouse* Penguin

Does living with a pet really make people happier and healthier? What can we learn from biomedical research with mice? Who enjoys a better quality of life—the chicken destined for your dinner plate or the rooster in a Saturday night cockfight? Why is it wrong to eat the family dog? Drawing on more than two decades of research into the emerging field of anthrozoology, the science of human-animal relations, Hal Herzog offers an illuminating exploration of the fierce moral conundrums we face every day regarding the creatures with whom we share our world. Alternately poignant, challenging, and laugh-out-loud funny—blending anthropology, behavioral economics, evolutionary psychology, and philosophy—this enlightening and provocative book will forever change the way we look at our relationships with other creatures and, ultimately, how we see ourselves.

*Tarra and Bella* Macmillan

The “powerful and haunting” biography of a star circus elephant who rebelled against her handlers and finally found freedom (Jane Goodall). Against the backdrop of a glittering but brutal circus world, *Last Chain on Billie* charts the history of elephants in America, the inspiring story of Tennessee’s Elephant Sanctuary, and the spellbinding tale of a resilient elephant who survived a decade of captivity. Left in the wild, Billie the elephant would have been free to wander the jungles of Asia with her family. Instead, traders captured her as a baby and shipped her to America, where circus trainers taught her to carry humans, stand on a tub and balance on one leg. For decades, Billie crisscrossed the country under miserable conditions—chained, beaten, and forced to perform stunts under harsh lights and blaring music.

Finally, she got a lucky break. As part of the largest elephant rescue in American history, Billie wound up at a sanctuary for performing elephants in Tennessee. But, overcome with anxiety, she withdrew from the rest of the elephants and refused to let anyone remove a chain still clamped around her leg. Her caregivers began to wonder if Billie could ever escape her emotional wounds.

Chet has smelled a lot of unusual things in his years as trusted companion and partner to P.I. Bernie Little, but nothing has prepared him for the exotic scents he encounters when an old-fashioned traveling circus comes to town. Bernie scores tickets to this less-than-greatest-show-on-earth because his son Charlie is crazy about elephants. The only problem is that Peanut, the headlining pachyderm of this particular one-ring circus, has gone missing--along with her trainer, Uri DeLeath. Stranger still, no one saw them leave. How does an elephant vanish without a trace into the dark desert night? Some very dangerous people would prefer that Chet and Bernie disappear for good and will go to any lengths to make that happen. Across the border in Mexico and separated from Bernie, Chet must use all his natural strength and doggy smarts to try and save himself--not to mention Bernie and a decidedly uncooperative Peanut, too.

Christy's mother always tells her to be good to Eddie Lee, a neighborhood child with Down's Syndrome. But Christy wants to run and play -- and not worry about Eddie Lee tagging along. One hot summer day, though, Eddie Lee takes Christy to a secret place in the woods and teaches her that beautiful things can be found in unexpected places. "What makes Fleming's first book so effective are the carefully selected details and authentic portrayal of the children's attitudes -- as well as Cooper's luminous art, summoning up all the enchantment of a lovely summer day and presenting Eddie Lee as believably endearing". -- Kirkus Reviews, pointer review "(A book) that can lead children away from harmful stereotypes and labels". -- Book Links

Here is a timely tale of a mouse who thinks he's a lot braver and better than anyone around him. Undaunted by extreme heights, wild animals, or angry birds, this mouse is determined to conquer every obstacle in his path. He climbs, dives, and does all that he can to prove how brave he is. "I am the mountain mouse!" he shouts when he summits his first not-quite-mountain. And this is usually the warning for his minions to take cover . . . because what they see and what Mountain Mouse sees are never quite the same! Full of slapstick silliness and adventurous antics, I Am the Mountain Mouse points out how ridiculous a big ego can be . . . in a quite deliciously over-the-top way!

**Summer's Last Will and Testament** Penguin

From the creators of *The World's Greatest Elephant* comes the real-life story of the MGM Studios Lion. Perhaps the most recognizable Hollywood animal--outside of Lassie--is "Leo the Lion," MGM Studios' famous mascot. For decades his image introduced hundreds of motion pictures, and Zamba the lion acted in dozens more. But he wasn't always a Hollywood star, and he certainly proved to be much more. This real-life story of Zamba, told by world-renowned animal behaviorist Ralph Helfer and Caldecott Honor recipient Ted Lewin, follows the famous lion from an orphaned cub in Africa to iconic Hollywood actor. But Zamba's greatest role wasn't scripted and it certainly wasn't captured on film. In 1969, the canyon that housed Ralph Helfer's animal ranch was ravaged by floods. As death claimed many of the animals, dozens were led to safety by one heroic lion.

Zamba's story, beautifully told and illustrated, is one that will entertain and inspire--both cubs and lions.

Imagine walking to the same place every day, to meet your best friend. Imagine watching hundreds of people pass by every morning and every afternoon. Imagine waiting, and waiting, and waiting. For ten years. This is what Hachiko did. Hachiko was a real dog who lived in Tokyo, a dog who faithfully waited for his owner at the Shibuya train station long after his owner could not come to meet him. He became famous for his loyalty and was adored by scores of people who passed through the station every day. This is Hachiko's story through the eyes of Kentaro, a young boy whose life is changed forever by his friendship with this very special dog. Simply told, and illustrated with Yan Nascimbene's lush watercolors, the legend of Hachiko will touch your heart and inspire you as it has inspired thousands all over the world.

**The Commentary of Father Monserrate** Square Fish

A stray Labrador named Bella befriends Tarra, a former circus elephant and resident of the Elephant Sanctuary in Tennessee. While the pairing is unusual, the two are inseparable--even when a crisis threatens to separate them. Based on the national media sensation, this is a true story of friendship and loyalty.

**How Animals Grieve** Penguin

Good friends come in all shapes and sizes! Unlikely Friendships, the runaway New York Times bestseller with a compelling message of hope and friendship and differences overcome, is rewritten just for younger readers. This hardcover chapter book for children ages seven and up collects five heartwarming true stories of animal friendship: a hippo and the goat who is his best friend, an iguana that snuggles with a cat, a dog that takes care of a blind deer, a cat and orangutan who become friends, and a mother dog who cares for a tiny piglet. Chapter books give young readers a strong sense of accomplishment, and these heartwarming animal stories, with their incredible photographs and inexplicable mysteries of attraction, their focus on friendship, love, and the ways that creatures of all different species can find common bonds of affection, will keep kids turning the pages to find out about the unusual ways animals help each other and discover the love of new friends. Each is a perfect gift for young animal lovers, and a lovely subject to help kids get reading.
