 The human population's annual total
 consumption is not sustainable by one
 planet. This unprecedented situation calls
 for a reform of religious cultures that
 promote a large ideal family size. Many
 observers assume that Christianity is
 inevitably part of this problem because it
 promotes "family values" and statistically,
 in America and elsewhere, has a higher
 birthrate than nonreligious people. This
 book explores diverse ideas about human
 reproduction in the church past and

present. It investigates an extreme fringe
 of U.S. Protestantism, including the
 Quiverfull movement, that use Old
 Testament "fruitful" verses to support
 natalist ideas explicitly promoting higher
 fecundity. It also challenges the claim by
 some natalists that Martin Luther in the
 16th century advocated similar ideas. This
 book argues that natalism is inappropriate
 as a Christian application of Scripture,
 especially since rich populations' total
 footprints are detrimental to biodiversity
 and to human welfare. It explores the
 ancient cultural context of the Bible verses
 quoted by natalists. Challenging the
 assumption that religion normally
 promotes fecundity, the book finds
 surprising exceptions among early
 Christians (with a special focus on Saint
 Augustine) since they advocated spiritual
 fecundity in preference to biological
 fecundity. Finally the book uses a

hermeneutic lens derived from Genesis 1,
 and prioritising the modern problem of
 biodiversity, to provide ecological
 interpretations of the Bible's "fruitful"
 verses.

Joshua Valiant Chronicles of the Nephilim
 The ancient books of Genesis and Enoch
 tell us that spirit beings known as the
 Watchers descended to the Earth, had sex
 with women, and begat a hybrid race of
 offspring known as the Nephilim. Such
 tales are as old as humanity itself. These
 histories and accounts of visitations and
 subsequent mixed-blood, alien-human
 races comprise the bulk of the world's
 myths, legends, religions, and
 superstitions. The Rise and Fall of the
 Nephilim examines: Elohim and the Bene
 Ha Elohim--God and the Sons of God The
 Watchers: UFOs, extraterrestrials, angels,
 infiltrators, and impregnators Biblical and
 apocryphal sources from Enoch to Moses

The role of the Fae, Elves, Elementals, and ancient gods What if the old spiritualities and religions weren't just legends? What if there was something living and breathing beneath the surface, a tangible interlinking of religious thought and spirituality, science and myth, inter-dimensionality and cold, hard fact? The Nephilim walked among us... and still do today.

Moses University of Chicago Press
Noah PrimevalChronicles of the Nephilim
Enoch Primordial Crossway

The biblical and historical research behind the novel Qin: Dragon Emperor of China. Respected Christian author and novelist Brian Godawa explores the connections that ancient China has with the Bible in language and stories, from the creator God to Satan, to the Tower of Babel and beyond.

Anchor

Kings, priests, prophets, and pagan nations are deceived into becoming unwitting cosmic chess pieces in this calculated war between light and darkness. From Jerusalem to Babylon and on to Rome, Lucifer believes he can destroy Israel in a deadly and delicate game of power politics; in fact, he must do so or the nightmare will only intensify. Rising Darkness is a fast-paced thriller with devious plots and sudden turns that will eventually find its ultimate conclusion in the small town of Bethlehem. Book jacket.

Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

The Dragon King Grove/Atlantic, Inc.

The recent translation of a Babylonian tablet launches a groundbreaking investigation into one of the most famous stories in the world, challenging the way we look at ancient history. Since the Victorian period, it has been understood that the story of Noah, iconic in the Book of Genesis, and a central motif in Judaism, Christianity and Islam, derives from a much older story that existed centuries before in ancient Babylon. But the relationship between the Babylonian and biblical traditions was shrouded in mystery. Then, in 2009, Irving Finkel, a curator at the British Museum and a world authority on ancient Mesopotamia, found himself playing detective when a member of the public arrived at the museum with an intriguing cuneiform tablet from a family collection. Not only did the tablet reveal a new version of the Babylonian Flood Story; the ancient poet described the size and completely unexpected shape

of the ark, and gave detailed boat building specifications. Decoding this ancient message wedge by cuneiform wedge, Dr. Finkel discovered where the Babylonians believed the ark came to rest and developed a new explanation of how the old story ultimately found its way into the Bible. In *The Ark Before Noah*, Dr. Finkel takes us on an adventurous voyage of discovery, opening the door to an enthralling world of ancient voices and new meanings.

Caleb Vigilant HarperChristian + ORM

"Inspired by the New Age book *God Calling*, Sarah Young claims to be receiving messages from Jesus Christ which she compiled into what is now her best-selling book, *Jesus Calling*. Author Warren Smith carefully documents his concerns about her book, her "Jesus," and the New Age implications contained in many of Young's devotional messages. He also warns about the danger of contemplative prayer and in elevating spiritual experiences over the Word of God."

Judgment InterVarsity Press

An essential companion to the Third Heaven novels!At the end of *The Third Heaven Apocalypse of Kings*, Henel James was invited to discover more about the journalistic Grigori.Why has the reporter been summoned to Heaven? What would Argoth the Prince of House Grigori want?This original story from Donovan M. Neal expands on earlier events that helped shape the angelic-world of the Third Heaven Universe, with some surprising nods to the Third Heaven stories that will delight fans of the books.Return to the realm of angels, to the time before time: a time before the rise of fallen stars, and explore the realm of Limbo... the realm where all your choices live and from which no one can escape.Read the first book of this exciting new series now.

Jezebel Random House Worlds

Ride with the Horsemen of the Apocalypse as they seek to unearth a plot that could plunge all of Creation into chaos! Ages before the events of *Darksiders* and *Darksiders II*, two of the feared Horsemen—Death and War—are tasked with stopping a group of renegades from locating the Abomination Vault: a hoard containing weapons of ultimate power and malice, capable of bringing an end to the uneasy truce between Heaven and Hell . . . but only by unleashing total destruction. Created in close collaboration with the *Darksiders II* teams at Vigil and THQ, *Darksiders: The Abomination Vault* gives an exciting look at the history and world of the Horsemen, shining a new light on the unbreakable bond between War and

Death.

An encyclopedic compendium of the myths and actual events from humanity's ancient civilizations that reveal the influence of visitors from the 12th planet--the Anunnaki • Offers easy access to the myriad characters and subjects covered by the seven books of *The Earth Chronicles* series • Provides alphabetical listings to the terminology of ancient civilizations concerning their gods, kings, cultures, and religions • Contains detailed summations, commentaries, and instructions for locating topics within all the author's books *The Earth Chronicles* series, a historical and archaeological adventure into the origins of mankind and planet Earth, began with the publication of the bestselling *The 12th Planet*. The series is based on the premise that the myths from the world's earliest civilizations were in fact recollections of actual events and that the gods of ancient peoples were visitors to Earth from another planet--the Anunnaki, inhabitants of the 12th planet. The series' books include *The 12th Planet*, *The Stairway to Heaven*, *The Wars of Gods and Men*, *The Lost Realms*, *When Time Began*, *The Cosmic Code*, and *The End of Days*, all products of the author's unmatched study of the ancient records of Sumer, Babylonia, Assyria, Israel, and Egypt and the civilizations of pre-Columbian America. Unearthing the hidden history of Earth and mankind, the series uses the past to unveil the meaning of the prophesied future. Zecharia Sitchin has created an encyclopedic compendium of the key figures, sites, concepts, and beliefs to provide a unique navigational tool through this entire opus. Entries are coded to indicate at a glance their cultural origin and contain summations, commentaries, and guidance for locating the topics within all of his books, including *Genesis Revisited*, *Divine Encounters*, *The Lost Book of Enki*, *The Earth Chronicles Expeditions*, and *Journeys to the Mythical Past*.

Jewish writings from the period of Second Temple present a rich and complex variety of first-hand materials. Here, the editors have updated their classic sourcebook on Jewish beliefs and practices to take into account current thinking about the sources.

When Giants Were Upon the Earth Simon and Schuster

A man is chosen by God to undertake a momentous mission of rescue before an apocalyptic flood destroys the world.
Jesus Triumphant Embedded Pictures

How God Captures the Imagination This book was previously released with the title, *Myth Became Fact: Storytelling, Imagination & Apologetics in the Bible*. Brian Godawa, Hollywood screenwriter and best-selling novelist, explores the nature of imagination in the Bible. He explains how God subverts pagan religions by appropriating their imagery and creativity, and redeeming them within a Biblical worldview. The sea dragon Leviathan, the Storm God and others are examined within their Biblical context to draw out the spiritual meaning. Improve your imagination in glorifying God and defending the faith. Here are the Chapters and what you will learn. *Old Testament Storytelling Apologetics* Israel shared creative images with their pagan neighbors: The sea dragon of chaos, and the storm god. These are polemical concepts used by Biblical writers to subvert pagan gods and show the incomparability of Yahweh. *Biblical Creation and Storytelling* Creation stories in the ancient Near East and the Bible both express a primeval battle called *Chaoskampf*, the fight of deity to create order out of chaos. But how do they differ? *The Universe in Ancient Imagination* A detailed comparison and contrast of the Biblical picture of the universe with the ancient Mesopotamian one. Is the Bible full of ancient superstitions and false science or is there something deeper going on here? *New Testament Storytelling Apologetics* Paul's sermon to the pagans on Mars Hill is an example of the apologetics of subversion: Communicating the Gospel in terms of a pagan narrative with a view toward replacing their worldview. Learn how Christian imagination and apologetics work together. *Imagination in Prophecy and Apocalypse* God uses creative and imaginative descriptions of future events to intentionally obscure his message from unbelievers, while at the same time showing the true meaning of history to believers. This will help you understand the End Times better. *An Apologetic of Biblical Horror* Learn how God uses the genre of horror in the Bible as a powerful moral tool to communicate spiritual, social and moral truth in the context of repentance from sin and redemptive victory over evil. In fact, horror is one of God's favorite genres. You'll see.

For fans of Jim Butcher and Kevin Hearne comes an action-packed new urban fantasy series featuring a tough, bleakly funny, down-on-his luck oil rig worker with an unlikely destiny as a monster-slayer and savior of the planet. "Monsters," said Vince Martinelli. "There are monsters on the rig, Dave." Dave Hooper has a hangover from hell, a horrible ex-wife, and the fangs of the IRS deep in his side. The last thing he needs is an explosion at work. A real explosion. On his off-shore oil rig. But this is no accident, and despite the news reports, Dave knows that terrorists aren't to blame. He knows because he killed one of the things responsible. When he wakes up in a hospital bed guarded by Navy SEALs, he realizes this is more than just a bad acid trip. Yeah, Dave's had a few. This trip is way weirder. Killing a seven-foot-tall, tattooed demon has transformed the overweight, balding safety manager into something else entirely. A foul-mouthed, beer-loving monster slayer, and humanity's least worthy Champion.

ANOTHER JESUS CALLING Zondervan
The goodness of creation, Original Sin, and the promise of a messiah are the starting points for this course, which explores our salvation through the Paschal Mystery. The students encounter the mystery and glory of the suffering, death, Resurrection, and Ascension of Jesus Christ. The course also explores how the Paschal Mystery informs our daily lives, our prayer, and our participation in the life of the Church. The second edition of our popular *Living In Christ* series offers updated navigation, organizing and synchronizing curriculum across both teacher guides and student books. The student books have shifted from a section-part-article structure to a unit-chapter-article structure where sections become units and a part is now a chapter.

The Paschal Mystery Fortress Press
The *Knowing the Bible* series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's

overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.

James Destiny Image Publishers
In the beginning... Three brothers - Gabriel, Michael and Lucifer. Royalty. Archangels. United in devotion to their father and all his works. But when Lucifer learns of their father's latest creation - a new race, fashioned from crude matter and yet made in his image - he is consumed with resentment. Why have he and his angelic kind been overlooked? After a bitter confrontation, Lucifer is cast out, doomed to an eternity of exile and punishment. Unrepentant, he vows he won't suffer alone. Mankind has made a powerful enemy - one determined to lure it into darkness and torment any way he can... "There could be no bigger canvas for film-making." - Mark Ordesky (Executive Producer - *Lord of the Rings*); "Alec not only re-frames pre-history; she also imaginatively illustrates how the realm of spirit impacts the contemporary material world." Ileen Maisel (Executive Producer for the *Golden Compass*) "This is the best work of fiction I have read since the last installment of Dean Koontz' *Frankenstein* series" Jim McDonald - *1340Mag* - Online Entertainment Magazine.

The Ark Before Noah Embedded Pictures (Foreword by Peter M. Masters) This classic work examines typology not only as a biblical and theological subject but also in its connection with Christian doctrines and dispensations. Two volumes in one.
