Top Notch 3 Student Book/Workbook Split  
B OUP Oxford

A communication-focussed course in American English. This flexible course builds confidence through an emphasis on speaking and listening skills, and enhances learning through the innovative and interactive digibook. The Teacher's Resource Book Pack contains teacher's notes, a test generator CD-ROM and a

webcode for the Digibook.  
British Book News Hong Kong University  
Press

Aimed at absolute beginners, this title provides a measured, step-by-step approach that aims to build both skills and confidence. It contains a mix of language work and many practice material that help learners to consolidate their knowledge of key points before proceeding further. The vocabulary syllabus focuses on high-frequency survival terms.

The focus of Paradigms in Word Formation: Theory and applications is on the relevance of paradigms for linguistic description. Paradigmatic organization has traditionally been considered an inherent feature of inflectional morphology, but research in the last decades clearly shows the existence of paradigms in word formation, especially in affixal derivation, often at the expense of other word-formation processes. This volume seeks to address the role that paradigms may play in the description of compounding,

conversion and participles. This volume should be of interest to anyone specialized in the field of English morphology and word formation.

*Breakthrough Plus* Oxford University Press, USA

Still the world's most trusted adult English course - American Headway Third Edition combines a perfectly-balanced syllabus with more conversation, assessment and digital teaching and learning resources than ever before.

*English File Intermediate Student's Book*  
*Breakthrough Plus*

The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology combines solid grammar and practice, vocabulary development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension activities practise the four skills.

"Everyday English" and "Spoken grammar" sections practise real-world speaking skills,

and a writing section for each unit at the back of the book provides models for students to analyse and imitate. Workbook audio available at a

**Without Key** John Benjamins Publishing

This is a collection of articles on the topic of self-access language learning by a variety of experienced educators currently

active in the field of English language teaching in Hong Kong. Separate chapters discuss a wide range of issues confronting ELT professionals in tertiary and secondary education, and in the private sector.

Applied Linguistics OUP Oxford

English language teaching textbooks (or coursebooks) play a central role in the life of a classroom. This edited volume contains research-informed chapters focusing on: analysis of textbook content; how textbooks are used in the classroom; and textbook writers' accounts of the materials writing, design, and publishing process.

**New Headway Pronunciation Course Elementary: Student's Practice Book**  
Springer

This is a practical and imaginative addition to the New Headway. It helps students to express themselves clearly and confidently by training them in the key areas of pronunciation. There is practice of individual sounds, with a guide to suitable exercises for speakers of particular languages. There is a focus on lexical sets. Training is given in stress and intonation patterns for accurate, functional use. Help is provided with the features of connected

speech.
