**Last Stop on Market Street** Walker Books Australia

A little boy explains why he hates picture books.

**Once I Was Very Very Scared** HarperCollins

A sumptuously illustrated exploration of the joy that comes with creating art for one's own self. There once was a time when all the colors, from midsummer blue to sunrise orange, lived at the tips of Annie's fingers... But when her classmates' sidelong glances cause Annie to notice all the tiny flaws in her art, her colorful creative spark fades--quite literally--to gray. With lyrical prose and eye-catching illustration, author-artist Lisa Anchin shows readers how to find the beauty in imperfections and celebrate the joy of creation for creations' sake.

**Bauhaus, Modernism and the Illustrated Book** Candlewick Press

With a new edition of this best-selling guide to Photoshop Elements, Philip Andrews takes his comprehensive coverage further than ever before. Using a perfect blend of colorful images and helpful screen shots, Adobe Photoshop Elements 10 for Photographers covers every function and feature of Elements 10.

Whether you are a new user wanting to take your first steps into the world of digital image editing, or a seasoned pro looking for professional-quality results from your images, this expert guide will help you get up to speed. Starting with the basics of importing and organizing your images through to the essentials of image adjustments and corrections, Adobe Photoshop Elements 10 for Photographers builds up your skills before moving on to more advanced techniques. Complex topics such as effectively working with layers and filters, creating panoramas, and outputting your images for web and print will have you pushing your images and creativity further than ever before. Completed by a series of small projects to put your new skills to the test, this book covers it all! Incorporating general photography tips along the way, Philip Andrews has geared this essential guide towards the digital photographer and all your needs. Packed with images and screen shots to show you how to get the most out of your images. Written by Adobe Ambassador and Elements expert Philip Andrews. Tutorials and professional examples show you how to put your new skills to the test in the real world. Be sure to visit the accompanying websites [www.PhotoshopElements.net](http://www.PhotoshopElements.net) and

photographers.photoshop.com for additional Elements 10 tutorials, tips, example galleries, offers and advice. An experience photographer, author, editor and online course creator, Philip Andres is Adobe Australia's official Photoshop and Elements Ambassador, making him the perfect guide to the Elements software.

*Children's Books in Print, 2007* HarperCollins UK

Mole thinks the moon is the most beautiful thing he's ever seen, so he sets about retrieving it, but bringing down the moon is not as easy as he thinks! Walker Books have collaborated with King Rollo Films to create this animated DVD packaged with the picture book.

**The Snowflake** Alfred A. Knopf

Curious minds are rewarded with curious answers in a fantastical bedtime book by Mac Barnett and Isabelle Arsenault. Why is the ocean blue? What is the rain? What happened to the dinosaurs? It might be time for bed, but one child is too full of questions about the world to go to sleep just yet. Little ones and their parents will be charmed and delighted as a patient father offers up increasingly creative responses to his child's nighttime wonderings. Any child who has ever asked "Why?" — and any parent who has attempted an explanation — will recognize themselves in this sweet storybook for dreamers who are looking for answers beyond "just because."

*Bing Untitled Picture Book (Bing)* Penguin

The brand-new HEARTWARMINGLY HILARIOUS children's picture book from NUMBER ONE bestselling David Walliams. Illustrated by artistic genius Tony Ross.

*Just Because* Candlewick Press

The real-life, classic story of a dyslexic girl and the teacher who would not let her fail. A perfect gift for teachers and for reading students of any age. Patricia Polacco is now one of America's most loved children's book creators, but once upon a time, she was a little girl named Trisha starting school. Trisha could paint and draw beautifully, but when she looked at words on a page, all she could see was jumble. It took a very special teacher to recognize little Trisha's dyslexia: Mr. Falker, who encouraged her to overcome her reading disability. Patricia Polacco will never forget him, and neither will we. This inspiring story is available in a deluxe slipcased edition, complete with a personal letter to readers from Patricia Polacco herself. Thank You, Mr. Falker will make a beautiful gift for the special child who needs encouragement or any special teacher who has made a difference in the child's life.

*Geronimo* HarperCollins UK

An empowering story of empathy, courage, and hope, based on the author's real-life experience immigrating to the US as a child and working at the front desk of the motel where her parents work. Ten year-old Mia Tang moved to the US for a better life, a freer life, but so far, it's a life where she runs the front desk of a motel while her parents clean rooms. And she's not even allowed to use the swimming pool. Based on author Kelly Yang's real-life experience immigrating to America from China and running a motel with her parents, this novel explores how one little girl overcomes language barriers, discrimination, and her own lack of confidence to find her voice — and use it to make a difference. This is a sensitive story of tolerance and diversity that will resonate with readers of all cultures who have experienced the challenges of feeling like an outsider.

**Born to be Mild** Penguin

Since its publication in 1984, *The Mysteries of Harris Burdick* has stimulated the minds of readers of all ages and backgrounds. Now the original fourteen drawings are available in a large portfolio edition of loose sheets. In addition, a newly discovered fifteenth drawing, titled *The Youngest Magician*, has been added,

as well as an updated introduction by the author. The puzzles of these mysterious drawings will be even more provocative because of the larger size and the exceptional printing quality. For the first time, the drawings can be shared with groups or displayed singly. *The Mysteries of Harris Burdick* was a New York Times Best Illustrated Book of 1984.

*The Paper Bird* Harper Collins

A debut picture book about loving your name, finding your voice, and standing up for yourself from the critically acclaimed illustrator of *Bilal Cooks Daal* and *I Am Perfectly Designed*. Mirha is so excited for her first day of school! She can't wait to learn, play, and make new friends. But when her classmates mispronounce her name, she goes home wondering if she should find a new one. Maybe then she'd be able to find a monogrammed keychain at the gas station or order a hot chocolate at the cafe more easily. Mama helps Mirha to see how special her name is, and she returns to school the next day determined to help her classmates say it correctly—even if it takes a hundred tries.

*Forthcoming Books* Sphere

Completely updated for the latest version of Adobe Photoshop Elements, Philip Andrews returns with his comprehensive guide to this popular software package. Akin to Martin Evening's bestselling Photoshop title, every feature and function of Elements is covered here in step-by-step detail. Accompanied by helpful screenshots and colorful images, highlighted in an updated and modernized design, this versatile guide is perfect if you're a first time user wanting to dip your toe into the world of digital image adjustment, or a seasoned pro wanting to hone your skills for perfectly fine tuned images. The more advanced projects, such as completing a photo book from scratch, stitching together multiple images to create fantastic panoramas, working with raw files, and more, are perfect if you want to push your images even further for amazing results from this fabulous software package. The easy to follow tutorials are complemented by general photography tips and tricks to give your images that masterful edge. Truly geared toward the photographer's needs, both pre and post-capture, this essential guide is a perfect companion for anyone wanting to take their images a step further with Elements.

*Untitled Picture Book* Schiffer Kids

An exquisitely illustrated paean to everyone who struggles to learn how to read, and to everyone who won't give up on them. Cal is not the readin' type. Living way high up in the Appalachian Mountains, he'd rather help Pap plow or go out after wandering sheep than try some book learning. Nope. Cal does not want to sit stoney-still reading some chicken scratch. But that Book Woman keeps coming just the same. She comes in the rain. She comes in the snow. She comes right up the side of the mountain, and Cal knows that's not easy riding. And all just to lend his sister some books. Why, that woman must be plain foolish—or is she braver than he ever thought? That Book Woman is a rare and moving tale that honors a special part of American history—the Pack Horse Librarians, who helped untold numbers of children see the stories amid the chicken scratch, and thus made them into lifetime readers.

*Adobe Photoshop Elements 10 for Photographers* Taylor & Francis

On his way to deliver a splendid necklace to the Sun from the Moon, Jack Hare is diverted by a series of odd characters and when he finally reaches his destination he realizes that the necklace is missing. The reader is invited to answer several riddles and solve the mystery from clues given in the text.

*Jamberry Board Book* Penguin

Those who know Kurt Vonnegut as one of America's most beloved and influential writers will be surprised and delighted to discover

that he was also a gifted graphic artist. This book brings together the finest examples of his funny, strange, and moving drawings in an inexpensive, beautifully produced gift volume for every Vonnegut fan. Kurt Vonnegut's daughter Nanette introduces this volume of his never before published drawings with an intimate remembrance of her father. Vonnegut always drew, and many of his novels contain sketches. *Breakfast of Champions* (1973) included many felt-tip pen drawings, and he had a show in 1983 of his drawings at New York's Margo Feiden Gallery, but really got going in the early 1990s when he became acquainted with the screenprinter Joe Petro III, who became his partner in making his colorful drawings available as silkscreens. With a touch of cubism, mixed with a Paul Klee gift for caricature, a Calder-like ability to balance color and line, and more than a touch of sixties psychedelic sensibility, Vonnegut's aesthetic is as idiosyncratic and defiant of tradition as his books. While writing came to be more onerous in his later years, making art became his joyful primary activity, and he made drawings up until his death in 2007. This volume, and a planned touring exhibition of the drawings, will introduce Vonnegut's legion of fans to an entirely new side of his irrepressible creative personality.

*I Want My Hat Back* Penguin

An enchanting and timeless winter tale from one of today's most celebrated picture book stars. From award-winning and bestselling picture book creator Benji Davies, comes a brand-new Christmas classic... High, high up in the clouds a tiny snowflake is made. Perfectly small, fluffy, crystal and white, it tumbles and bounces inside the cloud. But then she begins to fall... Exquisitely told and beautifully illustrated, *The Snowflake* tells the tale of one snowflake and one little girl - both longing for something and looking for their own special place in the world. *The Snowflake* is an utterly unforgettable and classic picture book from the multi-award winning and internationally bestselling picture-book creator, Benji Davies. Twice winner of Oscar's Book Prize "An author-illustrator destined to be one of this generation's great talents" - Huffington Post

**I Hate Picture Books!** HarperCollins UK

A little squirrel announces that he was once very, very, scared and finds out that he is not alone. Lots of little animals went through scary experiences, but they react in different ways. Turtle hides and gets a tummy ache, monkey clings, dog barks, and elephant doesn't like to talk about it. They need help, and they get help from grown-ups who help them feel safe and learn ways to cope with difficult feelings. This story was written to help children and grown-ups understand how stress can affect children

and ways to help them.

*All the Fun of the Fair (Bad Nana, Book 2)* Houghton Mifflin Harcourt

The second book in the wickedly funny series for ages six and up from the creator of *Where Bear?*, *Pass It On* and the *Pom Pom* series, with colour illustrations throughout.

*Uelsmann Untitled* HarperCollins UK

A stimulating survey of how the Bauhaus and the modernist revolution have shaped graphic design. This lively and authoritative book explores the influence of the Bauhaus and modernism on typography and book design. Distinguished book designer and author Alan Bartram examines work by such key figures as Max Bill, F. T. Marinetti, El Lissitzky, Laszlo Moholy-Nagy, Jan Tschichold, and Paul Rand. All of the carefully chosen examples--some of which have not been previously reproduced--clearly demonstrate the modernist revolution that took place in graphic design. In an informative introductory essay, Bartram surveys the German art and design school known as the Bauhaus. Under Walter Gropius, the Bauhaus intended to create an academic, theoretical, and practical synthesis of all forms of visual expression--a marrying of art, architecture, industry, and design that had never been attempted before. Although the Bauhaus existed for only fourteen years, from 1920 to 1934, Bartram asserts that its philosophy influenced the appearance of almost every kind of modernist artifact throughout the twentieth century and continues to do so today. Engagingly written and handsomely illustrated, this volume is a valuable resource for designers and book lovers everywhere.

*Diane Arbus* HarperCollins Children's Books

Vashti believes that she cannot draw, but her art teacher's encouragement leads her to change her mind and she goes on to encourage another student who feels the same as she had.

**Kurt Vonnegut Drawings** The Monacelli Press, LLC

A New York Times Best Illustrated Children's Book of 2011! A picture-book delight by a rising talent tells a cumulative tale with a mischievous twist. Features an audio read-along! The bear's hat is gone, and he wants it back. Patiently and politely, he asks the animals he comes across, one by one, whether they have seen it. Each animal says no, some more elaborately than others. But just as the bear begins to despond, a deer comes by and asks a simple question that sparks the bear's memory and renews his search with a vengeance. Told completely in dialogue, this delicious take on the classic repetitive tale plays out in sly illustrations laced with visual humor-- and winks at the reader with a wry irreverence that will have kids of all ages thrilled to be in on the joke.
