The World Book Encyclopedia

Vintage
An update of a popular work that takes on the myths of the Spanish Conquest of the Americas, featuring a new

afterword. Seven Myths of the Spanish Conquest reveals how the Spanish invasions in the Americas have been conceived and presented, misrepresented and misunderstood, in the five centuries since Columbus first crossed the Atlantic. This book is a unique and provocative synthesis of

ideas and themes that were for generations debated or perpetuated without question in academic and popular circles. The 2003 edition became the foundation stone of a scholarly turn since called The New Conquest History. Each of the book's seven chapters describes one "myth," or

one aspect of the Conquest that has been distorted or misrepresented, examines its roots, and explodes its fallacies and misconceptions. Using a wide array of primary and secondary sources, written in a scholarly but readable style, *Seven Myths of the Spanish Conquest* explains why Columbus did not set out to prove the world was round, the conquistadors were not soldiers, the native Americans did not take them for gods, Cortés did not have a

unique vision of conquest procedure, and handfuls of vastly outnumbered Spaniards did not bring down great empires with stunning rapidity. Conquest realities were more complex--and far more fascinating--than conventional histories have related, and they featured a more diverse cast of protagonists--Spanish, Native American, and African. This updated edition of a key event in the history of the Americas critically examines the book's arguments, how they

have held up, and why they prompted the rise of a New Conquest History. *The Magic Strings of Frankie Presto* Carson-Dellosa Publishing
From the beloved author of the #1 New York Times bestsellers *Tuesdays with Morrie* and *The Five People You Meet in Heaven* comes his most critically acclaimed novel yet—a stunningly original tale of love: love between a man and a woman, between an artist and his mentor, and between a musician and his God-given talent. Narrated by

the voice of Music itself, the story follows Frankie Presto, a war orphan born in a burning church, through his extraordinary journey around the world. Raised by a blind guitar teacher in Spain and gifted with a talent to change people's lives—using six mysterious blue strings—Frankie navigates the musical landscape of the twentieth century, from the 1950s jazz scene to the Grand Ole Opry to Elvis mania and Woodstock, all the while searching for his

childhood love. As he becomes a famous star, he loses his way, until tragedy steals his ability to play the guitar that had so defined him. Overwhelmed by his loss, Frankie disappears for decades, reemerging late in life for one spectacular yet mystifying farewell. Part love story, part magical mystery, *The Magic Strings of Frankie Presto* is Mitch Albom at his finest, a *Forrest Gump*-like epic about one man's journey to discover what truly matters and the power of talent to change

our lives.

The New York Times bestseller "The Shadow of the Wind is ultimately a love letter to literature, intended for readers as passionate about storytelling as its young hero." —Entertainment Weekly (Editor's Choice)
"One gorgeous read."
—Stephen King
Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War, and Daniel, an antiquarian book dealer's son who mourns the loss of his

mother, finds solace in a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and

doomed love. *Madrigal's Magic Key to Spanish* Carson-Dellosa Publishing
 In this "thriller with literary merit" (Time Out New York), a stunning narrative combines the gritty rhythms of Junot Diaz with the noir genius of Walter Mosley. *Bodega Dreams* pulls us into Spanish Harlem, where the word is out: Willie Bodega is king. Need college tuition for your daughter? Start-up funds for your fruit stand? Bodega can help. He gives everyone a leg up, in

exchange only for loyalty—and a steady income from the drugs he pushes. Lyrical, inspired, and darkly funny, this powerful debut novel brilliantly evokes the trial of Chino, a smart, promising young man to whom Bodega turns for a favor. Chino is drawn to Bodega's street-smart idealism, but soon finds himself over his head, navigating an underworld of switchblade tempers, turncoat morality, and murder. "Bodega is a fascinating character. . . . The story [Quiñonez] tells

has energy and verve."

—The New York Times

McGraw-Hill Companies This updated edition of the combination textbook and workbook is designed as an introduction to Spanish for classroom use. The emphasis is on oral proficiency--

conversational speaking and listening comprehension--but the authors also present detailed instruction in the fundamentals of Spanish grammar, vocabulary, reading comprehension, and writing in Spanish. The book is filled with exercises and answers, true-to-life dialogues, illustrations of Hispanic art, and photos that capture the flavor of Spanish culture in Spain and Latin America. In this new edition, the vocabulary sections and readings have been

updated to include the latest technology, while the cultural sections now include information about the Hispanic individuals currently making a splash on the world scene.
