A Mirror for Lovers: Shake-speare's Sonnets as Curious Perspective, by William F. Zak, seeks to identify in Shake-speare's sonnet sequence the structural and thematic features of the satirical tradition born in Plato's Symposium. Through this study, Zak traces the power of an idea to endure, re-animate, and enrich itself

through time: Plato's discrimination of the true nature of love in The Symposium. Born anew in its medieval reincarnations (The Romance of the Rose, The Vita Nuova, and The Canzoniere of Petrarch), the tradition begun in Plato's Symposium was then resuscitated in the Elizabethan sonnet sequence revival, most notably in Shake-speare's Sonnets. With extended examination of all the texts in the Q manuscript, A Mirror for Lovers makes a case for the mutually illuminating relationship among the sonnets to the fair young man and the dark lady, "A Lover's Complaint," and the mysterious dedication

that until now have never received attention as an integral symbolic matrix of meaning.

Love Sonnets of Shakespeare Penguin UK
'This Complete Sonnets and Poems is a distinguished addition to a distinguished series. It will repay continuing study, and act as a valuable point of reference for readers concerned more generally with Shakespeare's art and language. Colin Burrow's good sense, tact and balance as an editor are deeply impressive.' -H. R. Woudhuysen, Times Literary Supplement
This is the only fully annotated and modernized edition to bring together

Shakespeare's Sonnets as well as all his poems (including those attributed to him after his death). A full introduction discusses his development as a poet, and how the poems relate to his plays; detailed notes explain the language and allusions in clear modern English. While accessibly written, the edition takes account of the most recent scholarship and criticism.

Love Sonnets and Elegies McClelland & Stewart

This book discusses the possibility of a homoerotic interpretation of Shakespeare's sonnets. It gives minute attention to the text as well as to the extensive scholarship which has generally resisted such an interpretation.

This study closely analyses sonnets to bring out what they can tell us of different kinds of love, particularly self-love, the relation of these to the world of natural growth and temporal succession, and finally the ways in which art can properly be defined as a form of love.

As an undergraduate, Renaissance poetry lecturer Dr Rose Asher spent a year in Tuscany at the villa La Civetta - once the home of poet, Ginevra de Laura, who, according to local legend, was the infamous 'dark lady' of Shakespeare's sonnets, and the great love of his life. When Rose's most gifted student, Robin Weiss, dies in mysterious circumstances, Rose finds herself reluctantly agreeing to return to La Civetta in an attempt to find answers. The screenplay Robin wrote just before his death controversially suggested that the love affair between Shakespeare and his 'dark lady' was conducted on Italian soil. It has garnered Hollywood interest and much professional rivalry

among Rose's academic colleagues - who are all intent on finding out the truth. But if Robin had indeed discovered proof of Shakespeare's connections to La Civetta, was it really a literary coup worth killing for?

Bronwen Wallace Memorial Award-winning poet Sonnet L'Abbé returns with her third collection, in which a mixed-race woman decomposes her inheritance of Shakespeare by breaking open the sonnet and inventing an entirely new poetic form. DOROTHY LIVESAY POETRY PRIZE FINALIST RAYMOND SOUSTER AWARD FINALIST How can poetry grapple with how some cultures assume the place of others? How

can English-speaking writers use the English language to challenge the legacy of colonial literary values? In Sonnet's Shakespeare, one young, half-douglia (mixed South Asian and Black) poet tries to use "the master's tools" on the Bard's "house," attempting to dismantle his monumental place in her pysche and in the poetic canon. In a defiant act of literary patricide and a feat of painstaking poetic labour, Sonnet L'Abbé works with the pages of Shakespeare's sonnets as a space she will inhabit, as a place of power she will occupy. Letter by letter, she sits her own language down into the white spaces of Shakespeare's poems, until she overwhelms the original text and effectively erases Shakespeare's voice by subsuming his words into hers. In each of the 154 dense new poems of Sonnet's Shakespeare sits one "aggrocultured" Shakespearean sonnet--displaced, spoken over, but never entirely silenced. L'Abbé invented the process of Sonnet's Shakespeare to find a way to sing from a body that knows both oppression and privilege. She uses the procedural techniques of Oulipian constraint and erasure poeries to harness the raw

energies of her hyperconfessional, trauma-forged lyric voice. This is an artist's magnum opus and mixed-race girlboy's diary; the voice of a settler on stolen Indigenous territories, a sexual assault survivor, a lover of Sylvia Plath and Public Enemy. Touching on such themes as gender identity, pop music, nationhood, video games, and the search for interracial love, this book is a poetic achievement of undeniable scope and significance.

The Sonnets and a Lover's Complaint

When this volume of Shakespeare's poems first appeared in 1609, he had already written most of the great plays that made him famous. The 154 sonnets - all but two of which are addressed to a beautiful

young man or a treacherous 'dark lady' - contain some of the most exquisite and haunting poetry ever written, and deal with eternal subjects such as love and infidelity, memory and mortality, and the destruction wreaked by Time. Also included is A Lover's Complaint, originally published with the sonnets, in which a young woman is overheard lamenting her betrayal by a heartless seducer.

The poem opens with a description of a young woman crying at the brink of a river, throwing torn-up letters, jewelry, and other mementos of love into the water. An elderly gentleman approaches the woman and inquires about her sadness. She reacts by telling him about a previous lover who chased her, seduced her, and then abandoned her. She describes in detail how her lover enticed her with a speech. The 154 sonnets, all but two of which are addressed to a beautiful young man, 'Mr W.H., ' or a treacherous 'dark lady, ' contain some of the most exquisite and haunting poetry ever written, and deal with timeless subjects like love and infidelity, memory and mortality, and

Against the backdrop of Isla Negra — the sea and wind, the white sand with its scattering of delicate wild flowers, the hot sun and salty smells of the Pacific — Nobel laureate Pablo Neruda sets these joyfully sensual poems in celebration of his love. The subject of that love: Matilde Urrutia de Neruda, the poet's "beloved wife." As popular in the Hispanic world as the poet's renowned *Twenty Love Poems and a Song of Despair*, *One Hundred Love Sonnets* has

never before been published in its entirety in English translation. The reason for this astonishing neglect may lie in the historical circumstances that surrounded Neruda's "discovery " by English-speaking readers. In the United States he came to popularity during the turmoil of the sixties, when Americans needed a politically committed poet, and much of Neruda's canon answered that need. But, in his native Chile and throughout Latin America, Neruda has always been cherished as dearly for the earthly sensuality and eroticism of his love poetry as for his statements of political belief. To know this work, then is to understand the poet's art

more thoroughly.
