### **The David Story: A Translation with Commentary of 1 and 2 Samuel**

Zondervan

Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

**The Real Truth** Beacon Hill Press of Kansas City

In *The Lost Meaning of the Seventh Day*, Sigve K. Tonstad recovers the profound and foundational understanding of God that can be experienced in the seventh day. He shows that Scripture has consistently asserted that the Sabbath of Creation is the Sabbath of the whole story of how God makes right what has gone wrong in the world. Tonstad argues that the seventh day is the symbol of God's faithfulness precisely when God's presence seems to be in doubt. He demonstrates how God, through the seventh day, seeks the benefit of all creation. Inevitably, this leads to an

investigation of how this universal symbol became obscured. This sweeping work of biblical theology and historical analysis traces the seventh day as it is woven throughout Scripture and the history of Christianity. Its twenty-seven chapters consider, among other things, the relationship of the seventh day to freedom, to social conscience, to the greatest commandment, and to the enigmatic rest that remains. Tonstad engages the move away from the seventh day in early Christian history, the mindset in medieval Christianity, and the sobering long-term implications leading all the way to the Holocaust and the ecological crises in our time. *The Lost Meaning of the Seventh Day* will engage, illuminate, provoke, and ultimately inspire readers who enjoy a serious work presented in a style that is luminous and a delight to read.

[Understanding the Purpose and Power of Women](#) Thomas Nelson

How does the Jesus of the New Testament compare to the Jesus we think we know so well? Join bestselling author Philip Yancey as he conducts an enlightening biblical and historical investigation into the real Jesus. From the manger in Bethlehem to the cross in Jerusalem, Philip Yancey presents a complex character who generates questions as well as answers--a disturbing and exhilarating Jesus who wants to radically transform your life and stretch your faith. In *The Jesus I Never Knew*, Yancey: Cuts through existing views and preconceptions of Jesus, citing experts from church history, modern history, and popular culture Discusses how different people and cultures view Jesus Dissects popular quotes about Jesus Points us back to the Bible *The Jesus I Never Knew* will engage your heart, mind, emotions, and senses,

preparing you for a new, life-changing encounter with the real Jesus described in the Gospels. Praise for *The Jesus I Never Knew*: "This is the best book about Jesus I have ever read, probably the best book about Jesus in the whole century. Yancey gently took away my blinders and blazed the trail through my own doubting fears, pious know-it-all, and critical balderdash until I saw the Savior anew and thought I heard him ask me, 'Now whom do you say that I am?' and I understood the question as I never had before." --Lewis B. Smedes, Senior Professor, Fuller Seminary "Philip Yancey takes the reader with him on his very personal journey to Jesus. In *The Jesus I Never Knew*, I became convinced that the Jesus I met--in some ways for the first time--has known me all along. This book is destined to become a favorite--to recommend to those still seeking Jesus and to pass along to those who've met him, but long to know him more." --Elisa Morgan, President Emerita, MOPS International

Women Living Well B&H Publishing Group

*The Complete Year of Sermons* provides 104 sermon outlines to help you create your messages and preaching schedule for the entire year. . .

**Our High Calling** Ls Company  
New York Times bestseller *What is Jesus worth to you?* It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we

have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

The Complete Year of Sermons Baker Books

In *Walking with Jesus: A Way Forward for the Church*, Pope Francis urges us to make Jesus central in our individual lives and in the collective life of the Church—to walk toward him, and ultimately to walk with him at all times and in all places. With a foreword by Archbishop of Chicago Blase J. Cupich, Pope Francis's first major appointment in the United States, *Walking with Jesus* offers the Church a much-needed way forward, past its inner and outer walls, as it fearlessly follows Christ toward the future.

The Gospel According to Matthew B&H Publishing Group

Now in paperback, this book offers 1,500 of the best quotations available today. The illustrations deal with contemporary subjects such as abortion, drugs, and divorce, as well as the timeless subjects of faith, commitment, and Christian living.

Steps to Personal Revival Christian Fellowship Centre

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives.

Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed.

Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

*The Spirit of Prophecy* Review and Herald Pub Assoc

The Bible is full of the references to the second coming of the Saviour, and the events of the great day of God. The language of the inspired writers expresses in the most vivid manner, the awful and terrific scenes of that day in which God arises from His place to punish the inhabitants of the earth. God

always warns before sending His judgments. As He warned Sodom and Gomorrah before sending fire and brimstone, and the antediluvian world through Noah before the flood, even so today He is sending a message of warning. In Revelation, Chapter 14, we find the three angels' messages which are being heralded around the world.

Finding Waldo Loyola Press

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

**Experiencing God (2008 Edition)** W. W. Norton & Company

Every book of the Bible tells us what is true about God. In Genesis we see Him as Creator and Covenant Maker. In Exodus we see Him as our strong Deliverer who sets us free from sin and death. In this 10-session study of Exodus 19-40, journey through the story of how God shepherds His newly-liberated children into an understanding of what their freedom means: lives consecrated for service to God and to one another. Revisit familiar scenes of the giving of the Ten Commandments, the idolatrous worship of a golden calf, and of the intricate details of the tabernacle. And with fresh perspective, ask what these stories teach God's children today about

how to live as those set free. In every page of the Bible, learn to see Christ through the stories of His people. And discover how the God who created you and made a covenant with you will deliver you from death to life, for His name and renown. Additional purchase or renting of the video teaching sessions is recommended for the best experience of this Bible study book. Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete among 10 weeks of group sessions Ten essential teaching videos, approximately 30-45 minutes per session, available via redemption code printed in Bible study book for individual streaming access Benefits: Learn the deeper theological implications of stories you may have known for years. Understand how the freedom God gives His children is meant to lead us to lives of glad service to God and our communities of faith. Explore how we understand the character of Christ, even through Old Testament accounts.

### **The Letters to the Seven Churches of Asia**

Independently Published Christian education has all but disappeared from the majority of educational systems around the world. As governments limit or banish God from among our schools in the name of "separation of church and state," we find the very foundation upon which many schools began disintegrating before our eyes. This is not a new problem. Over the centuries people have had the same concern of what is true education and the place of religion in the educational system. Among these were the newly devoted Christians arising from the Great Advent movement sweeping North America during the 18th and 19th century. Author Alonzo T. Jones, an

important figure in Great Advent movement, felt that Christians should take a solid look at the educational systems of that day. Jones believed that true Christian education was the only becoming choice to Christians. In *The Place of the Bible in Education*, he outlines according to the Bible what exactly Christian education looks like. He also explores the true meaning of the separation between church and state and how Christian education does not fall under such discrimination. In this book, he discusses how secular education falls short of even the true meaning of education and how this has an adverse affect on our young people. Jones shows how there is a Biblical precedent for true education and how the Bible should and can become part of the educational system.

### *Walking from East to West: God in the Shadows* Baker Publishing Group

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

**Three Messages of Revelation 14**  
Zondervan

Completely revised and updated for the postmodern age, *So What's the Difference?* gives you easy-to-understand, nonjudgmental answers to the question, "How does orthodox biblical Christianity differ from other faiths?" Here Fritz Ridenour explains the basic tenets of Protestantism, Roman Catholicism, Eastern Orthodoxy, Judaism, Islam, Hinduism, Buddhism, Jehovah's Witnesses, Christian Science, New Age, Mormonism, and other religions and belief systems of the world. You will also learn why relative thinking--the idea that there is no objective, absolute truth--has become the predominant mindset in our culture, and how you can respond. This bestselling guide will help you recognize the real differences between the Christian faith and other viewpoints and make it easier for you to explain and share your faith with others.

### **The Priesthood of All Believers**

Smyth & Helwys Pub

Women of every culture and society are facing the dilemma of identity. Traditional views of what it means to be a woman and changing cultural and marital roles are causing women conflict in their relationships with men. Women are under tremendous stress as they struggle to discover who they are and what role they are to play today—in the family, the community, and the world. In this expanded edition of *Understanding the Purpose and Power of Women*, now with helpful study questions following each chapter, best-selling author Dr. Myles Munroe examines societies' attitudes toward women and addresses vital issues such as: Are women and men equal? How is a woman unique from a man? What does the Bible really teach about women? Is the woman to blame for the fall of mankind? What are the purpose and design of the woman?

Should women be in leadership? What is a woman's basic communication style? What are a woman's emotional and sexual needs? What is a woman's potential? To live successfully in the world, women need a new awareness of who they are and new skills to meet today's challenges. Whether you are a woman or a man, married or single, this book will help you to understand the woman as she was meant to be.

### **A Serious Call to a Devout and Holy Life** Canongate U.S.

This examination of the Christian life constitutes one of the most remarkable books of devotion ever written. William Law's book dates from 1728, a decade before England's great evangelical revival, during which it exercised a significant influence on the movement's leaders. *A Serious Call* has been praised by readers as varied as Samuel Johnson, Edward Gibbon, and John Wesley. "If Mr. Law finds a spark of piety in a reader's mind, he will soon kindle it into a flame," declared Gibbon, and Wesley pronounced Law's work as one of the books that formed his "explicit resolve to be all devoted to God." Three hundred years after its initial publication, this volume continues to win accolades from modern readers who appreciate its guidelines on prayer, personal holiness, and charity. Simple but profound, it features brief chapters that make it particularly suitable for daily devotions.

### **Radical** Crossway

This is a completely new typeset of the monumental 1957 classic, containing an extensive historical and theological introduction and detailed in-text notations by George R. Knight. Originally produced by the Ministerial Association of the General Conference of Seventh-day Adventists, *Questions on Doctrine* was widely acclaimed and distributed in

the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation. As part of the Adventist Classic Library, Knight's essays provide the background for how the book came about and describes the interaction of the principal players involved in the crisis that shelved this classic work for more than a generation.

Faith and Works TEACH Services, Inc.  
A modern classic--revised with more than 70 percent new material--is based on seven Scriptural realities that teach Christians how to develop a true relationship with the Creator.

*1500 Illustrations for Biblical Preaching*  
Courier Corporation  
This last small group of Bernard's sermons to be published in translation by Cistercian Publications rightly goes by the title *De varii* in the critical edition. While most of them treat feasts on the church calendar, they do so in a somewhat hit-or-miss fashion. Three sermons also deal with God's will, God's mercies, and the gifts of the Holy Spirit. Two sermons for the feast of Saint Victor are a response to a request to Bernard

from the monks of Montiéramey; the Bollandist Life of Saint Victor appears here as a complement to those sermons. Besides the nine sermons normally assigned to the *De varii*, this volume also includes a sermon on the feast of Saint Benedict that was recently added to the collection in *Sources Chrétiennes*. The survival of this loose assemblage of sermons outside of the organized collections of Bernard's sermons provides a reminder of Bernard as preacher and writer, able despite all his other activities to turn his hand to preaching when called upon. While they treat of disparate themes, they allow us to encounter the quintessential Bernard--speaking of the life of desire, the true meaning of holiness, and the awakening of the spiritual senses in the search for God.

Witnessing Without Fear Review and Herald Pub Assoc

Zacharias invites readers to follow him on this journey through his life and into the lives of others, and see how he has become more convinced with each year that Jesus Christ is the one who came to give us life to the fullest and to point us to the freedom and beauty of truth for everyone--easterner or westerner--all over the world.
