Night Break is the eighth in the Young Sherlock Holmes series in which the iconic detective is reimagined as a brilliant, troubled and engaging teenager – creating unputdownable detective adventures that remain true to the spirit of the original books. Sherlock's mother has died, his father has disappeared in India and his sister is acting strangely. The Holmes family seems to be falling apart, and not even brother Mycroft can keep it together. But while Sherlock is worrying about all of this, a man living nearby vanishes in his own house while Sherlock and Mycroft are visiting. Where did he go, and what is the connection with a massive canal being built in Egypt? The answer will rock the world, and tear the Holmes family apart! Another fast-paced, brilliantly plotted adventure in Andrew Lane's Young Sherlock series as the teenage Sherlock Holmes comes up against a fresh crop of sinister, clever crooks. Sherlock Holmes: think you know him? Think again.

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. "A great next choice for readers who have enjoyed Catherine Gilbert Murdock's *Dairy Queen* and Miranda Kenneally's *Catching Jordan*."—SLJ "Fast-paced football action, realistic family drama, and sweet romance...[will have] readers looking for girl-powered sports stories...find[ing] plenty to like."—Booklist "Tessa's ferocious competitiveness is appealing."—Kirkus Reviews "[The Football Girl] serve[s] to illuminate the appropriately complicated emotions both of a young romance and of pursuing a dream. The highly acclaimed novel based on America's most infamous unsolved murder case. Dive into 1940s Los Angeles as two cops spiral out of control in their hunt for The Black Dahlia's killer in this powerful thriller that is "brutal and at the same time believable" (New York Times). On January 15, 1947, the torture-ravished body of a beautiful young woman is found in a Los Angeles vacant lot. The victim makes headlines as the Black Dahlia -- and so begins the greatest manhunt in California history. Caught up in the investigation are Bucky Bleichert and Lee Blanchard: Warrants Squad cops, friends, and rivals in love with the same woman. But both are obsessed with the Dahlia -- driven by dark needs to know everything about her past, to capture her killer, to possess the woman even in death. Their quest will take them on a hellish journey through the underbelly of postwar Hollywood, to the core of the dead girl's twisted life, past the extremes of their own psyches -- into a region of total madness.

The Adventures of Sherlock Holmes A Study in Scarlet The Hound of the Baskervilles The Return of Sherlock Holmes The Sign of the Four "To Sherlock Holmes she is always the woman. I have

seldom heard him mention her under any other name. In his eyes she eclipses and predominates the whole of her sex. It was not that he felt any emotion akin to love for Irene Adler. All emotions, and that one particularly, were abhorrent to his cold, precise but admirably balanced mind. He was, I take it, the most perfect reasoning and observing machine that the world has seen, but as a lover he would have placed himself in a false position. He never spoke of the softer passions, save with a gibe and a sneer. They were admirable things for the observer—excellent for drawing the veil from men's motives and actions. But for the trained reasoner to admit such intrusions into his own delicate and finely adjusted temperament was to introduce a distracting factor which might throw a doubt upon all his mental results. Grit in a sensitive instrument, or a crack in one of his own high-power lenses, would not be more disturbing than a strong emotion in a nature such as his."

The second book in the critically acclaimed Obsidian and Blood trilogy: The year is Two House, and the Emperor of the Mexica has just died. The protections he afforded the Empire are crumbling, and the way lies wide open to the flesh-eating star-demons--and to the return of their creator, a malevolent goddess only held in check by the War God's power. The council should convene to choose a new Emperor, but they are too busy plotting against each other. And then someone starts summoning star-demons within the palace, to kill councilmen... Acatl, High Priest of the Dead, must find the culprit before everything is torn apart. REVIEWS: 'Political intrigue and rivalry among a complex pantheon of divinities drive this well-paced murder mystery set at the height of the Aztec Empire in the late 15th century. De Bodard reintroduces the series hero Acatl, high priest of the dead, immediately following the death of the Tenochtitlan leader. One of the council members in charge of choosing a successor has been brutally murdered in what looks like an attempt to influence the decision. But the deaths continue and the political situation grows more complex, while the empire looks to be increasingly at risk of invasion by malignant powers. Acatl must go face-to-face with the most powerful god in his world and put the good of the empire above his antipathy for his rivals to achieve the uneasy succession. De Bodard incorporates historical fact with great ease

and manages the rare feat of explaining complex culture and political system without lecturing or boring the reader.’
 —Publishers Weekly ‘Another thing that intrigues me here is the whole fact that historically we know that the real empire died out mysteriously and completely and as such there is always that thought in the back of my mind that the author could choose to bring about the end of days. That highlighted sense of possible doom is something that is missing from too many novels. The way the story is told in this book is very impressive, the plot is both mature and seductive, twisting and turning like a weather vane in a force 9 gale while the action is both bloodthirsty and imaginative. The world building is fantastic and we get to learn even more of this rich culture and the many gods and creatures of the dark. I really can’t fault this book at all and recommend it to one and all but if you haven’t yet read *Servant of the Underworld* I suggest that you get them both and read them in order, you won’t be disappointed.’ —SF Book Reviews ‘Bodard’s writing is polished and striking, as she convincingly fills in the colorful elements of the Aztec culture—even if those colors tend to be of blood and bile as well as flowers and hummingbirds... beautiful, grimy, breathtaking, and morbid. 5*’ —Examiner ‘Aliette de

Bodard has done it again. *Harbinger of the Storm* is an action packed Aztec mystery opera with magic, interventions from the gods and more twists and turns than the first book. It even has a love story with amusing snippets here and there... The story is self contained and can be enjoyed standalone, but you will not want to miss out on the first. I wish it was 2012 already even if the world is going under while I read the final *Obsidian & Blood*.’

 Death Cloud is the first in the Young Sherlock Holmes series in which the iconic detective is reimagined as a brilliant, troubled and engaging teenager – creating unputdownable detective adventures that remain true to the spirit of the original books. The year is 1868, and Sherlock Holmes is fourteen. His life is that of a perfectly ordinary army officer’s son: boarding school, good manners, a classical education – the backbone of the British Empire. But all that is about to change. With his father suddenly posted to India, and his mother mysteriously ‘unwell’, Sherlock is sent to stay with his eccentric uncle and aunt in their vast house in Hampshire. So begins a summer that leads Sherlock to uncover his first murder, a kidnap, corruption and a brilliantly sinister villain of exquisitely malign intent . . . Sherlock Holmes. Think you know him? Think again. Continue the investigative adventures with Andrew Lane's Red Leech and Black Ice.
