My Wonderful World of Fashion Lonely Planet

An interactive coloring book for fashionistas of all ages, My Wonderful World of Fashion is packed with beautiful and sophisticated illustrations specially created by the leading fashion-illustrator Nina Chakrabarti. The book encourages creativity, with illustrations to color in and designs to finish off, as well as simple ideas for making and doing (how to make a sari, turn a napkin into a headscarf, dye a T-shirt, and so on). Covering clothing, shoes, bags, jewelry, and other accessories, the illustrations span both vintage fashions drawing on beautiful and interesting objects from past ages and contemporary designs from the illustrator's own imagination. 'Did you know...?' features that give brief historical notes encourage children to be inspired by history and by other cultures. A wonderful celebration of fashion, the book will appeal to fashion addicts from 8 years plus.

Following the success of Fashion Designers' Sketchbooks, this second volume shines a light on the work of a new line-up of major names in the fashion industry. Photographs, sketches, moodboards, lineups, muslins, swatches, and more all feed the creative processes that forge fashion

designs, and here they are brought together to reveal how the final collections are conceived and developed. Juxtaposing the original research material and drawings with the garments shown on the catwalk and in lookbooks provides fresh insight into the working methods of leading international designers and the role of different media in creating their collections. Students and designers will find this a fascinating and invaluable resource as they develop their own work. Rick Owens, Clements Ribeiro, and Marios Schwab are just some of the prominent designers featured. Interviews in which they discuss the importance of their research run alongside their respective sketchbooks, providing an inspirational overview of cutting-edge approaches to fashion.
