The careers of Ariana Grande, Demi Lovato, Selena Gomez, and Miley Cyrus all began in the same place: television. Starring in sitcoms on Disney Channel or Nickelodeon led to massively successful music careers, catapulting them to superstardom as not just actors or musicians, but entire industries. The New York Times articles collected in this volume trace the careers of these four young stars as they grew into adulthood in the spotlight, examining how they have each worked to establish and challenge the teen star archetype. A glossary and media literacy terms and questions are also included to engage readers.

From Dan to Beersheba and Beyond is a series of spiritual observations and opinions from an aging pastor on his first trip to Palestine. Traveling with a study group from Dallas Theological Seminary, this Maine pastor finally gets to experience the biblical places and times he has imagined since childhood and has studied and

taught throughout his adult years. Pastor Blackstone shares insights and highlights from this thirty-year dream, joined by his daughter Marnie, the heroine of two previous books, *Rendezvous in Paris* and *Though One Go with Me*. Travel with this father-daughter team from the slopes of Mount Hermon in the north to the shores of the Red Sea in the south on this spectacular pilgrimage to the Holy Land of Israel. Journey from the modern city of Tel Aviv in the west to the ancient city of Jericho in the east to explore the biblical people and places that make this land unique. Experience picking five stones from the stream in Elah like David, witness the beauty of the Jezreel Valley from the top of Mount Carmel as Elijah did, climb Masada, and stand on Mount Moriah where the Jerusalem temple once stood. Swim in the Sea of Galilee and the Dead Sea, drink water from the spring where Gideon tested his famous band of three hundred, wade the waters of the Gihon Spring through Hezekiah's Tunnel, and wander the shores of the Mediterranean Sea at Caesarea. Visit the

ancient cities of Nazareth, Capernaum, Bethlehem, Chorazin, Bethsaida, Megiddo, Caesarea Philippi, and of course, Dan and Beersheba. If you have ever wanted to make this spiritual journey, *From Dan to Beersheba and Beyond* will whet your appetite for your own biblical adventure.

Gold centers around the themes of love and loss, vulnerability, the journey to discover self-worth, and finding one's voice in a world that has become increasingly loud.

Combining poetry written from 2014 to 2021, this book is the first physical manifestation of a deeply personal look into Aenea Kanaan's mind. Using poetry as a powerful outlet of self-expression, she explores the realities of staying true to oneself, the struggle to belong, embracing sensitivity as a strength, and inhabiting the human existence. This book is meant to be as cathartically healing to read as it was to create.

My name is Zahan Ahmad and I'm a lawyer. Like everybody has a first love, so did I. I loved her so much. People say life is never perfect, but mine was. It was indeed perfect until the day a cold shiver ran up my spine when I saw her dead. She was no longer alive; she had left. Not only my life but also the world. She was

murdered, forever gone. She was a victim without a culprit. And all she left behind was her deceased body blotched with her own blood, the floor flooded with cold, thick blood and red-stained walls. YES! I am valiant enough to tell you my story. But are you to hear?

 Ariana Grande captured the hearts of a nation with her One Love Manchester concert. Less than a fortnight after a terrorist killed twenty-two people at her Manchester show, the petite princess stood

tall at her tribute concert that united and healed a shaken nation. She was the emotional core of a powerful evening that reminded us all of music's redemptive power. But who is Ariana Grande? This candid book traces the US pop star's story from her childhood in Florida, through her teenage years on Broadway and Nickelodeon, and onto her gleaming pop career which has seen her described as 'the new Mariah Carey'. This unauthorized biography of the songbird tells her eventful and inspirational story in full for the first time, and shows how she became an award-winning, chart-topping pop idol, as well as an empowering inspiration for a generation of girls. It reveals that there is more to Ariana than the

celebrity we all think we know, explaining how her smooth transition from a squeaky-clean teenage pop product to a sophisticated, bold artist was powered by a restless and resilient personality. A must read for all her fans, this is a full, unflinching portrait of a pop sensation and inspiring, uncompromising woman - the small, sassy girl with the ponytail who conquered the world. *Soccer Girls* iUniverse In the thrilling sequel to *The Devil Is Smooth* like Honey, Jorge Hernandez is muscling in on the Canadian marijuana industry, unleashing the same savagery that made him a big player in the Mexican drug cartel. Whether its controlling politicians and government officials or using intimidation and violence to get what he

wants, few people dare stand in his way. Although he takes on his enemies with a deceptive ease, it only takes a single threat to his family to bring out the demon inside of him. Fueled by blinding rage, he attacks with a relentless brutality, showing no remorse and offering no mercy. In a world tainted by racism, corruption, and greed, he proves once again there is a devil, and his name is Jorge Hernandez. In this eye-opening look into the life of the silver-tongued Mexican fox, you find yourself rooting for the society's underbelly, as sex, drugs, and death intermix with family, love, and friendship (Amazon review).
