The Chicken Chronicles DigiCat

Love Among the Chickens is a novel by P. G. Wodehouse, first published as a book in the United Kingdom in June 1906 by George Newnes, London, and in the United States by Circle Publishing, New York, on 11 May 1909. Seeing Ukridge for the first time in years, with a new wife in tow, author Jeremy Garnet finds himself dragged along on holiday to Ukridge's new chicken farm in Dorset. The novel intertwines Garnet's difficult wooing of a girl living nearby with the struggles of the farm, which are exacerbated by Ukridge's bizarre business ideas and methods.

Ukridge! Oh, hang it! I had not met him for years, and, glad as I am, as a general thing, to see the friends of my youth when they drop in for a chat, I doubted whether I was quite equal to Ukridge at the moment. A stout fellow in both the physical and moral sense of the words, he was a trifle

too jumpy for a man of my cloistered and intellectual life, especially as just now I was trying to plan out a new novel, a tricky job demanding complete quiet and seclusion. It had always been my experience that, when Ukridge was around, things began to happen swiftly and violently, rendering meditation impossible. Ukridge was the sort of man who asks you out to dinner, borrows the money from you to pay the bill, and winds up the evening by embroiling you in a fight with a cabman. I have gone to Covent Garden balls with Ukridge, and found myself legging it down Henrietta Street in the grey dawn, pursued by infuriated costermongers. I wondered how he had got my address. . . .

 As adorably absurd as chickens themselves, this book of charming illustrations and laugh-out-loud funny

poultry poems will appeal to anyone with a fowl sense of humor!

Chicken Harry N. Abrams

A wonderfully silly take on library story time that's perfect for children, chickens, and everyone in between. Why did the chicken cross the road? To get to story time at the library, of course! The children like the chicken, the chicken likes the children, and everyone loves story time. So it's no surprise that more children (and more chickens!) get in on the fun until there are more kids and critters than the librarian knows what to do with. Luckily, she comes up with a creative solution and manages to find little R & R for herself. Fans of *Bats in the Library* and *Library Lion* will fall in love and story time will never be the same!

Extraordinary Chickens Down East Books

The cover of this beautiful, slim 4" x 6" 50-page notebook features a lovely and whimsical illustration of three "literary chickens" -- chickens reading upon clouds against a starry, dreamy deep blue

background -- by artist Sara Zieve Miller. A testament to earthbound flight, the power of imagination, and the wonderful creature that is the chicken. This notebook is part of the Poetose Press Literary Creatures Notebook Series. Here is some of the theory behind the beauty and potential of a blank page: "A person can get lost trying to find a home in herself-but then you simply begin to go on as one must go on, and maybe you say a little something to yourself every once in a while just to practice being with words, meeting silence, meeting yourself again, and maybe you frequent empty rooms to familiarize yourself with the meaning of space as in a blank page, and yourself in it, and maybe you scribble like this will help you come home to yourself, but eventually you fit things together, and what made no sense finds its way into something plausible by virtue of its sheer existence."

Chicken Scratches Allen & Unwin

Surprise! The little red chicken is back — and as endearingly silly as ever — in David Ezra Stein's follow-up to the Caldecott Honor-winning *Interrupting Chicken*. It's homework time for the little red chicken, who has just learned about something every good story should have: an elephant of surprise. Or could it be an element of surprise (as her amused papa explains)? As they dive in to story after story, looking for the part that makes a reader say "Whoa! I didn't know that was going to happen," Papa is sure he can convince Chicken he's right. After all, there are definitely no elephants in "The Ugly Duckling," "Rapunzel," or "The Little Mermaid" — or are there? Elephant or element, something unexpected awaits Papa in every story, but a surprise may be in store for the little red chicken as well. Full of the same boisterous charm that made *Interrupting Chicken* so beloved by readers, this gleeful follow-up is sure to delight fans of stories, surprises, and elephants alike.

The Curly-Haired Hen Berkshire Publishing Group

An unforgettably exuberant and potent

novel by a writer at the height of her powers. Two auditors for the U.S. egg industry go rogue and conceive a plot to steal a million chickens in the middle of the night—an entire egg farm's worth of animals. Janey and Cleveland—a spirited former runaway and the officious head of audits—assemble a precarious, quarrelsome team and descend on the farm on a dark spring evening. A series of catastrophes ensues. Deb Olin Unferth's wildly inventive novel is a heist story of a very unusual sort. Swirling with a rich array of voices, *Barn 8* takes readers into the minds of these renegades: a farmer's daughter, a former director of undercover investigations, hundreds of activists, a forest ranger who suddenly comes upon forty thousand hens, and a security guard who is left on an empty farm for years. There are glimpses twenty thousand years into the future to see what chickens might evolve into on our contaminated planet. We hear what hens think happens when they die. In the end the cracked hearts of these indelible characters, their earnest efforts to heal themselves, and their radical actions will lead them to ruin or revelation. Funny, whimsical, philosophical, and heartbreaking, *Barn 8* ultimately asks: What constitutes meaningful action in a world so in need of change? Unferth comes at this question with striking ingenuity, razor-sharp wit, and ferocious passion. *Barn 8* is a rare comic-political drama, a tour de force for our time.

Flaunting their high-fashion plumage, chickens strut and pose like runway models for photographer Ernest Goh. These birds, with their all-too-human expressions, are both funny and poignant, as if they are commenting on our own foibles. From the proud Serama of Malaysia to the delightfully humorous Silkie, Goh's portraits, shot on location throughout the world, convey not only the beauty and diversity of various breeds, but also capture the personality of each fowl. For sheer variety in size, color, feathering, and behavior, nothing beats the humble chicken, and no other book captures this

surprising phenomenon as well as the hilarious Chickens.

Literary Digest University of Georgia Press Sonya raises her three chickens from the time they are tiny chicks. She feeds them, shelters them and loves them. The kid sells lemonade. Not a lot of people buy lemonade, especially now that it's winter, but the kid makes good lemonade, even if his friend Mullen thinks it ought to be sweeter. They don't talk much with the other ten-year-olds - most of the others are Dead Kids anyway. Except for Jenny Tierney, but she's busy breaking kids' faces with her math book. Besides, the Russians from the meat-packing plant are a lot cooler, and they always win at curling. But in small-town Alberta, there are just too many roman-candle fights, bonspiels, retaliatory river diversions, black-market submarines, exploding boilers, meat-packing-plant suicides and recess-time lightning strikes for one lonely

kid to get any attention. He might as well go to Kazakhstan. Then the adults in his life start disappearing down tunnels and into rendering vats. Being ten is hard enough without all that, especially when your best friend is ruining the lemonade. But the Milk Chicken Bomb should change everything. Frenetic, hilarious and gently heartrending, *The Milk Chicken Bomb* takes us inside the mind of a troubled ten-year-old who is just beginning to understand that the adults around him are as lonely and bewildered as he is in the face of the slapstick demands of the world.

"Oh, my sainted aunt!" "Sir!" "Nothing, nothing." "Thank you, sir," said Mrs. Medley, withdrawing from the presence.
