CHASE PRATT

I Am Martin Luther King, Jr. Simon and Schuster
Celebrating ten Biff-tastic years of this hilarious story about a small dog with a big personality and even bigger dreams! Meet Biff, an adorable little puppy who will stop at nothing to become a

ballet dancer. My dog is not like other dogs. He doesn't do dog stuff like weeing on lampposts or scratching his fleas, or drinking out of the toilet. No, my dog likes moonlight and music and walking on his tiptoes. You see, my dog doesn't think he's a dog. My dog thinks he's a ballerina! A fabulous feel-good book about a small dog with a big personality and even

bigger dreams. This super-shiny 10th anniversary edition of this much-loved modern classic includes two brand-new pages showing what Biff has been up to since we saw him last! Also by Anna Kemp and Sara Ogilvie: *The Worst Princess Sir Lilypad Rhinos Don't Eat Pancakes Dave the Lonely Monster*

Between Two Worlds

Bloomsbury Publishing
By the New York Times
bestselling author of *The
Bone Clocks* | Shortlisted
for the Man Booker Prize A
postmodern visionary and
one of the leading voices
in twenty-first-century
fiction, David Mitchell
combines flat-out
adventure, a Nabokovian
love of puzzles, a keen
eye for character, and a
taste for mind-bending,
philosophical and
scientific speculation in
the tradition of Umberto
Eco, Haruki Murakami,
and Philip K. Dick. The
result is brilliantly original

fiction as profound as it is
playful. In this
groundbreaking novel, an
influential favorite among
a new generation of
writers, Mitchell explores
with daring artistry
fundamental questions of
reality and identity. *Cloud
Atlas* begins in 1850 with
Adam Ewing, an American
notary voyaging from the
Chatham Isles to his home
in California. Along the
way, Ewing is befriended
by a physician, Dr. Goose,
who begins to treat him
for a rare species of brain
parasite. . . . Abruptly, the
action jumps to Belgium

in 1931, where Robert
Frobisher, a disinherited
bisexual composer,
contrives his way into the
household of an infirm
maestro who has a
beguiling wife and a
nubile daughter. . . . From
there we jump to the
West Coast in the 1970s
and a troubled reporter
named Luisa Rey, who
stumbles upon a web of
corporate greed and
murder that threatens to
claim her life. . . . And
onward, with dazzling
virtuosity, to an inglorious
present-day England; to a
Korean superstate of the

near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as

mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. *Ed's Great Escape* Travelers' Tales Guides Ed is no ordinary giraffe, in fact his keeper at the zoo calls him "The Special One". As well as having an extraordinarily long neck, which is inclined to become tangled, and a photo friendly smile he is extremely intelligent. In this book, Ed breaks out

from the zoo and journeys through the great city of London where he meets some surprising people and has many fun packed adventures, before realising that fun is not always enough! In this first book find out what happens when he meets the royal family, saves a sporting event, discovers his voice and then secures the future of the zoo, all before bedtime. Ed's adventures are supported by beautiful and funny illustrations providing opportunities for engagement and learning.

Fascinating facts about giraffes and London emerge as Ed gambols from place to place.

Pinocchio HarperCollins UK

"Originally published in Australia by Lake Press Pty Ltd." -- Verso.

Dogs Don't Do Ballet
Abrams

One little girl just doesn't want to be quiet, until she learns how much fun she can have without making a sound--especially in the library. I don't want to be quiet, I'd rather be LOUD! I want to be HEARD and stand out from the crowd!

Sometimes it's hard to be quiet. There are drums to drum and hums to hum, drinks to slurp and burps to burp--so many loud and wonderful noises to make!

So when this spunky little girl goes to the library, it's extra difficult to behave--until the entire room tells her to SHHHHHH. It's only then, as she discovers the wonders that live inside books, that she sees how much fun she can have in her own imagination--all without making a peep. In this bright and playful rhyming picture book filled with vibrant,

cheerful illustrations, readers learn the joy that is possible when we really stop and listen. Praise for *I Don't Want to Be Quiet*:

"Vivid, imaginative illustrations engage readers and viscerally convey the wide range of emotions felt by this audacious protagonist. Perfect for lively read-alouds!" --Kirkus Reviews
A Bad Case of Stripes
Vintage

A work by the Italian-Jewish writer, Primo Levi. It describes his arrest as a member of the Italian anti-fascist resistance

during the Second World War, and his incarceration in the Auschwitz concentration camp from February 1944 until the camp was liberated on 27 January 1945.

Birds Without Wings

Vintage Canada

It's the first day of school, and Camilla discovers that she is covered from head to toe in stripes, then polka-dots, and any other pattern spoken aloud! With a little help, she learns the secret of accepting her true self, in spite of her peculiar ailment.

Rocky Pond Books
'De Bernieres is a singular, cherishable voice' Mail on Sunday
From the master of historical fiction, this book follows an unforgettable family after the Second World War. Some bonds are hard to break... Daniel Pitt was an RAF fighter in the First World War and an espionage agent for the SOE in the Second. Now the conflicts he faces are closer to home. Daniel's marriage has fractured beyond repair and Daniel's relationship with his son, Bertie, has

been a failure since Bertie was a small boy. But after his brother Archie's death, Daniel is keen for new perspectives. He first travels to Peshawar to bury Archie in the place he loved best, and then finds himself in Canada, avoiding his family and friends back in England. Daniel and Bertie's different experiences of war, although devastating, also bring with them the opportunity for the two to reconnect. If only they can find a way to move on from the past...

English as a Global

Language Farrar, Straus and Giroux

What do monsters eat?

The waitress in this restaurant just doesn't have a clue. Monsters don't eat broccoli! How could she think we do? In this rollicking picture book written by Barbara Jean Hicks and illustrated by Sue Hendra, monsters insist they don't like broccoli. They'd rather snack on tractors or a rocket ship or two, or tender trailer tidbits, or a wheely, steely stew. But boy do those trees they're

munching on look an awful lot like broccoli. Maybe vegetables aren't so bad after all! This hilarious book will have youngsters laughing out loud and craving healthy monster snacks of their own.

Cloud Atlas Little, Brown
The Darker Proof, an anthology of stories about suffering with the HIV virus, was first published in 1987 to critical acclaim. This updated version, which includes stories by Adam Mars-Jones and Edmund White, was published in 1988.

The Blue Book of Grammar and Punctuation

Manor House Pub Incorporated

"A sweet story that could be used as a springboard to discussion of the pitfalls of making snap judgments about pets — or people." — School Library Journal
Norman the goldfish isn't what this little boy had in mind. He wanted a different kind of pet — one that could run and catch, or chase string and climb trees, a soft furry pet to sleep on his bed at night. Definitely not Norman. But when he

tries to trade Norman for a "good pet," things don't go as he planned. Could it be that Norman is a better pet than he thought? With wry humor and lighthearted affection, author Kelly Bennett and illustrator Noah Z. Jones tell an unexpected — and positively fishy — tale about finding the good in something you didn't know you wanted.

I Am Every Good Thing

Little, Brown Books for Young Readers

Written in a detailed and fascinating manner, this book is ideal for general

readers interested in the English language. Monsters Don't Eat Broccoli Turtleback Books We can all be heroes. That's the inspiring message of this New York Times Bestselling picture book biography series from historian and author Brad Meltzer. Even as a child, Martin Luther King, Jr. was shocked by the terrible and unfair way African-American people were treated. When he grew up, he decided to do something about it-- peacefully, with powerful words. He helped gather

people together for nonviolent protests and marches, and he always spoke up about loving other human beings and doing what's right. He spoke about the dream of a kinder future, and bravely led the way toward racial equality in America. This lively, New York Times Bestselling biography series inspires kids to dream big, one great role model at a time. You'll want to collect each book.

Candlewick Press

WHAT IF I CAN'T? "Will

elicit plenty of giggles." -- Kirkus Reviews Which way to the flowers? That way. 200 miles. How am I supposed to travel that far?! You fly. Can I take a plane? No. Then I'll never make it! This comical companion to Ross Burach's *The Very Impatient Caterpillar* pays loving homage to every child's struggle to persist through challenges while also delivering a lighthearted lesson on butterfly migration. Remember, if at first you don't succeed, fly, fly again!

The Little Butterfly That Could (A Very Impatient Caterpillar Book) Vintage
A wooden puppet full of tricks and mischief, with a talent for getting into and out of trouble, wants more than anything else to become a real boy.
So Much Life Left Over
Cambridge University Press
An upbeat, empowering, important picture book from the team that created the award-winning *Crown: An Ode to the Fresh Cut*. A perfect gift for any special occasion! I am a nonstop

ball of energy. Powerful and full of light. I am a go-getter. A difference maker. A leader. The confident Black narrator of this book is proud of everything that makes him who he is. He's got big plans, and no doubt he'll see them through--as he's creative, adventurous, smart, funny, and a good friend. Sometimes he falls, but he always gets back up. And other times he's afraid, because he's so often misunderstood and called what he is not. So slow down and really look

and listen, when somebody tells you--and shows you--who they are. There are superheroes in our midst!

A Funny Thing Happened on the Way to School...

Vintage

As the world around it marches forward, the bucolic English village of Notwithstanding remains unchanged. It is, as it always has been, a place of pubs and cricket pitches, where local eccentrics—a retired colonel who has eschewed clothes, a spiritualist living with the

ghost of her husband, and a dog named Archibald Scott-Moncrieff—almost fit in. In this delightfully evocative collection of stories, in which a young couple falls in and out of love by letter alone, an eleven-year-old boy battles a monstrous fish, and a man of the cloth has a premonition of death, Louis de Bernières conjures up a rural idyll long since forgotten. Funny, bittersweet, and deeply felt, Notwithstanding is the bestselling author of Corelli's Mandolin at his

most enchanting.

Notwithstanding

Doubleday Books for Young Readers

J.K. Rowling, one of the world's most inspiring writers, shares her wisdom and advice. In 2008, J.K. Rowling delivered a deeply affecting commencement speech at Harvard University. Now published for the first time in book form, *VERY GOOD LIVES* presents J.K. Rowling's words of wisdom for anyone at a turning point in life. How can we embrace failure? And how

can we use our imagination to better both ourselves and others? Drawing from stories of her own post-graduate years, the world famous author addresses some of life's most important questions with acuity and emotional force.

I Don't Want to Be a Frog
Scholastic Inc.

Quebec's provincial government alarmed many when it enacted its odious sign law restricting

the use of English. Although this blatant human rights violation was struck down by the Supreme courts of Quebec and Canada, the provincial government enacted its sign law anyway. How? Quebec invoked the infamous Notwithstanding Clause to over-rule the highest courts in the land! Join the author as he explores Quebec's controversial use

of Section 33 -- and the danger the Notwithstanding clause poses to all Canadians. *Instructions for a Funeral Penguin*
Welcome to the village of Notwithstanding where a lady dresses in plus fours and shoots squirrels, a retired general gives up wearing clothes altogether, and a spiritualist lives in a cottage with the ghost of her husband.
