The lunatic
cafe: The
zombie-raising
business gets

slow in
December, so
Anita Blake is
starting to see
some oddball
cases. She's
got a neatly
typed list of
eight missing
lycanthropes
given to her
by Marcus, the
leader of the
local werewolf

pack, who
wants her to
find them. The
trouble is,
Anita's
occasionally
furry
boyfriend
Richard is
locked in a
power
struggle with
Marcus. Jean-
Claude,

master vampire of the city and Anita's other love interest, is getting jealous as well. To top it off, Anita has to solve some horrific murders and keep her bounty-hunting friend Edward from killing Richard and Jean-Claude. Bloody bones: When Anita Blake's boss at Animators, Inc., informs her that she's expected to raise 300-year-old zombies from a field of jumbled bones just to settle a

land dispute, she's understandably annoyed. But as soon as she arrives in Branson, Missouri, to do the deed, the job gets more interesting. A psychotic sword-wielding vampire starts committing multiple murders in the area, and Anita must call on Jean-Claude, her powerful fanged suitor, for help. As always, Anita prevails over the undead, keeping Jean-Claude at arm's length, clearing the

cemetery land of an ancient enchantment, and nailing the vampiric killer in one fell swoop. The killing dance: Anita Blake, vampire hunter, is now herself a hunted woman. Who put the \$500,000 price on her head--a man or a monster? It's not just her own skin she needs to save; the rivalry between her werewolf boyfriend, Richard, and Marcus, the other alpha werewolf in

his pack, has come to full boil. And there's always Jean-Claude, the vampire who's been waiting for just the right moment to slip inside Anita's head and heart.

Too Late to Say Goodbye

Penguin
Meet Anita Blake, Vampire Hunter, in the first novel in the #1 New York Times bestselling series that “blends the genres of romance, horror and adventure with stunning panache”(Dia

na Gabaldon). Laurell K. Hamilton's bestselling series has captured readers' wildest imaginations and addicted them to a seductive world where supernatural hungers collide with the desires of the human heart, starring a heroine like no other... Anita Blake is small, dark, and dangerous. Her turf is the city of St. Louis. Her job: re-animating the dead and killing the undead who

take things too far. But when the city's most powerful vampire asks her to solve a series of vicious slayings, Anita must confront her greatest fear—her undeniable attraction to master vampire Jean-Claude, one of the creatures she is sworn to destroy... “What The Da Vinci Code did for the religious thriller, the Anita Blake series has done for the vampire novel.”—USA Today

 ‘These days my life is a cross between a preternatural soap opera and an action-adventure movie.’ The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Word on the street is that Anita Blake, preternatural expert and vampire killer extraordinaire, is worth half a million dollars. Dead, not alive. So what’s a girl to do but turn to

the men in her life for help? Which in my case means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as much protection as possible, human or otherwise. But I'm beginning to wonder if two monsters are better than one...

Danse

Macabre

Simon and Schuster
When a fifteen-year-old girl is abducted by vampires, it's up to U.S.

Marshal Anita Blake to find her. And when she does, she's faced with something she's never seen before: a terrifyingly ordinary group of people—kids, grandparents, soccer moms—all recently turned and willing to die to avoid serving a master. And where there's one martyr, there will be more... But even vampires have monsters that they're afraid of. And Anita is one of

them...
Blood Noir
Penguin
An Anita Blake, Vampire Hunter, novel
'Richard was an alpha werewolf. It was his only serious flaw. We'd broken up after I'd seen him eat somebody.'
You never forget your ex-fiance. And when the call came at three in the morning, I thought for a moment it was him. It wasn't. It was his brother. And it wasn't good news. Apparently the former love of

my life had got himself thrown into jail for assaulting a woman. Since I make my living as a preternatural expert, I tend to believe almost anything's possible. But though he may be one of the monsters, Richard would never harm a woman. So it's Anita Blake to the rescue. I've got just a few days to spring Richard and find out who framed him - and why. There's a full moon coming, and if my werewolf love

is still behind bars when it rises, he'll be facing a lot worse than an assault charge...
A Caress of Twilight Simon and Schuster
 In her tenth adventure, nothing can save vampire hunter Anita Blake from a twist of fate that draws her ever closer to the brink of humanity.
Kiss the Dead BenBella Books
 Dreams might be a heart's desire, but nightmares are its obsession in the first novel of a dark

romance series from New York Times bestselling author Penelope Douglas. Erika Fane's boyfriend's older brother is handsome, strong, and completely terrifying. The star of his college's basketball team gone pro, he's more concerned with the dirt on his shoe than he is with her. But she saw him. She heard him. The things that he did, and the deeds that he hid...
 For years,

Erika bit her nails, unable to look away. Now, she's in college, but she hasn't stopped watching him. He's bad and the things she's seen aren't content to stay in her head anymore. Because he's finally noticed her. But Michael Crist knows the hold he has on Rika, how much she fears him. She looks down when he enters the room and stills when he's close. He knows she thinks only of

him. When Michael's brother leaves for the military, leaving Rika alone and unprotected, he knows the opportunity is too good to be true. Three years ago she put Michael's friends in prison, and now they're free. Every last one of her nightmares is about to come true.

The Blood Of Flowers

Penguin 'They will play with us, then destroy us... They are what we fear in the dark.' The first warning is

unexpected, calculated. The second warning is a gift: a plain white mask, carefully wrapped. But white is good - white means we are only being watched. It seems the power that connects me, Anita Blake, with Jean-Claude Vampire Master of the City and Richard, leader of the werewolves, is attracting very unwelcome attention - from creatures so feared no vampire will willingly speak

<p>their name. They are known as the Harlequin, and they have the authority to pass judgement upon me. It is forbidden to speak of the Harlequin unless you've been contacted. And to be contacted is to face a sentence of death.</p> <p><u>Bloody Bones</u> Hachette UK Vampire hunter Anita Blake leaps into uncharted territory in the all-new novella from #1 New York Times bestselling</p>	<p>author Laurell K. Hamilton. For most people, summer barbecues are nothing to be afraid of. But Anita isn't exactly plain vanilla—and neither is her love life. So it takes a special kind of courage to attend a barbecue thrown by her friend Sergeant Zerbrowski. Walking into a backyard full of cops and their families with wereleopards Micah and Nathaniel both looking gorgeous on</p>	<p>her arm won't be easy, even with almost-four-year-old Matthew Vespucci to break the ice... Anita is determined to have a good time with her family, just like everyone else. But it doesn't take long for tensions to rise among the adults and kids. And Anita will learn that gossip and innuendo can be just as dangerous as anything the undead can throw at her... Includes a preview of Affliction, the new Anita</p>
