Probably no other dimension of human experience has been pondered, discussed, debated, analyzed, and dreamed about more than the nature of true love. Love is everywhere—in songs and in books, on televisions and on movie screens. Yet, for all of our thinking and talking, how many of us truly understand love and where can we turn for genuine insight in matters of true love? In *The Purpose and Power of Love & Marriage*, Dr. Myles Munroe provides the answers to questions surrounding the true nature of love as he also exposes the false images created in our culture.

Throughout this book he eloquently illuminates the many facets of love while at the same time tackling the really tough subjects of separation and divorce. This book is sure to become a classic that will last for a lifetime and beyond as it responds gently and practically to those seeking to resolve the challenges of human relationships.

An inspiring chronicle of life-changing encounters, personal transformation and a vision of love that transcends the everyday definition, to embrace universal kindness and compassion, based on the knowledge that all beings are one family and that our capacity to love is one of the world's most hidden yet powerful resources. The book is groundbreaking in its affirmation of love as a pathway for people of widely differing viewpoints. Unexpectedly changed by love, Fran Grace went on a

journey to learn more about its power to transform and heal. She interviewed renowned spiritual teachers, scientists, activists and artists, all chosen with the help of her spiritual teacher. Each encounter helped her overcome obstacles on her path. The book gives readers a direct encounter with teachers of love in the world today. From diverse faiths and fields of work, they reveal the power of love to be the next frontier of global consciousness, suggesting many ways to uncover it and live it. Includes photographs and unique contributions from: Dr. David R. and Susan Hawkins - H. H. the 17th Karmapa - Father Pavlos of Sinai - Llewellyn and Anat Vaughan-Lee - Mona Polacca and The International Council of the 13 Indigenous Grandmothers - Betty J. Eadie - Belvie Rooks & Dedan Gills - Dr. William and Jean Tiller - Jetsunma Tenzin Palmo - Huston Smith - Mother Teresa and the Missionaries of Charity - Sadhguru Jaggi Vasudev - Dr. Viktor Frankl (with grandson Alexander Vesely and Frankl family representative Mary Cimiluca) - Swami Chidatmananda. Fran Grace's personal narrative is pulsed by her encounters with the pioneering teachers of love listed above, each of whom has a chapter that includes a brief biography, excerpts from their dialogue with the author, and her sense of how the encounter helped her to overcome the many obstacles

to love. The book takes readers on a journey into Buddhist and Hindu monasteries in India, an Indigenous Grandmothers' fire circle in the Black Hills, Mother Teresa's Homes for the Poor in Rome, Calcutta, and Tijuana, laboratory of a Stanford physicist, home of a Sufi sheikh, largest meditation hall in N. America, and a college classroom in California. She interviews those familiar with the stark Sinai desert, slave dungeons in Ghana, and near-death experiences. In the end, love is found to animate every moment of ordinary life. Inspiring story of personal transformation. Compelling account of how the world is transformed through everyday acts of kindness. A rich resource of teachings on love, healing and compassion from a wide range of spiritual traditions, with a rare inside view of some of the world's most respected teachers. Includes index, biographical profiles, bibliography, endnotes.

Marriage expert Jimmy Evans and strengths expert Allan Kelsey show readers how to have a happier, stronger marriage by applying the concepts from the popular StrengthsFinder assessment to their relationship. One of the biggest obstacles to a happy, strong marriage is a lack of understanding of yourself and your spouse. With Strengths Based Marriage, MarriageToday cofounder Jimmy Evans and Gallup-trained strengths advocate Allan Kelsey give readers the tools they need to dismantle that hurdle and develop a deeper and richer relationship. Applying the revelatory concepts from the popular Clifton StrengthsFinder assessment to marriage (assessment itself not included in purchase price), Evans and Kelsey break new ground in helping readers understand themselves and others. With chapters on "Stopping the Cycles of Pain," "Speaking Love to Your Spouse's Heart," and "Secrets of Successful Marriages," the book details practical ways to apply these profound insights to your marriage every day. And, as a bonus, with your purchase of the book you'll receive access to more than two hours of exclusive video content revealing how to reach your marriage's full potential. In the exclusive bonus video sessions, Kelsey gives an overview of all thirty-four strengths in the Clifton StrengthsFinder® assessment; Evans shares inspiration for ending the cycle of hurt and beginning to heal as a couple; and the authors discuss how to overcome the heartache of a destructive marriage. Utterly practical and deeply insightful Strengths Based Marriage will forever change the way you see yourself, your spouse, and your marriage.

As it stands, there is currently a void in education literature in how to best prepare preservice teachers to meet the needs of individualized learners across multiple learning platforms, social/economical contexts, language variety, and special education needs. The subject is in dire need of support for the ongoing improvement of administrative, clinical, diagnostic, and instructional practices related to the learning process. The Handbook of Research on Reconceptualizing Preservice Teacher Preparation in Literacy Education stimulates the professional development of preservice and inservice literacy educators and researchers. This book also promotes the excellence in preservice and inservice literacy both nationally and internationally. Discussing topics such as virtual classrooms, critical literacy, and teacher preparation, this book serves as an ideal resource for tenure-track faculty in literacy education, clinical faculty, field supervisors who work with preservice teacher educators, community college faculty, university faculty who are in the midst of reconceptualizing undergraduate teacher education curriculum, mentor teachers working with preservice teachers, district personnel, researchers, students, and curricula developers who wish to understand the needs of preservice teacher education.

Theres an old folk tale about a young mother who lost her child and is inconsolable. The wise man

of the village tells her to go from house to house to find what everyone sharesand what everyone sharesis loss. Its the universal experience. Although we all will grieve the loss of our loved ones, we can learn how to reconnect with them. Through prayer and meditation, we can shift our awareness from the physical to the non-physical. We can witness firsthand that death is but an illusion. We can heal. We can find joy again. Author Heather Scavetta discovered that reality when she began developing her clairvoyant abilities after the death of her daughter, Elizabeth, in 2004. In *The Power of Love*, Scavetta shares her personal journey of receiving visions and afterlife communication from her daughter, loved ones, and spirit guides who encourage her to persevere through her grief. Having no previous ability, Scavetta shows that opening up spiritual gifts is accessible to everyone. Through personal examples, she shares how to open your own psychic and mediumistic abilities, and she discusses the many ways spirit can reach us. A story of celebration about the amazing and wonderful experiences that occurred since Elizabeths transition, *The Power of Love* narrates one familys story of how they opened their spiritual gifts to see, hear, and feeland to know beyond any doubttheir daughter never left their side.

Against the backdrop of occupied Tokyo, a young girl searches for her missing older sister, who has disappeared into the world of bars and dance halls. In the process, her story will become intertwined with those of others trying to make sense of their lives in a post-war world: a thirteen-year-old Japanese Canadian "repat," a school teacher who translates love letters from American GIs, and a Japanese-American soldier serving with the Occupation forces. An emotionally gripping portrait of a battered nation, *The Translation of Love* mines this turbulent period to show how war irrevocably shapes the lives of people on both sides—and how resilience, friendship, and love translate across cultures and borders no matter the circumstances. What would happen if we could stroll through the revolutionary history of the 20th century and, without any fear of the possible responses, ask the main protagonists - from Lenin to Che Guevara, from Alexandra Kollontai to Ulrike Meinhof - seemingly naïve questions about love? Although all important political and social changes of the 20th century included heated debates on the role of love, it seems that in the 21st century of new technologies of the self (Grindr, Tinder, online dating, etc.) we are faced with a hyperinflation of sex, not love. By going back to the sexual revolution of the October Revolution and its subsequent repression, to Che's dilemma between love and revolutionary commitment and to the period of '68 (from communes to terrorism) and its commodification in late capitalism, the Croatian philosopher Srećko Horvat gives a possible answer to the question of why it is that the most radical revolutionaries like Lenin or Che were scared of the radicality of love. What is so radical about a seemingly conservative notion of love and why is it anything but conservative? This short book is a modest contribution to the current upheavals around the world - from Tahrir to Taksim, from Occupy Wall Street to Hong Kong, from Athens to Sarajevo - in which the question of love is curiously, surprisingly, absent.

*The Power of Love: How Kenneth Jernigan Changed the World for the Blind* shares the voices of a collection of individuals whose writings reveal the deep truth that serves as the foundation for the life and work of Kenneth Jernigan. His life and their writings together speak of how Thomas Jeffersons self-evident truths imply that equality extends to embrace blind people just as surely as this country has come to understand equalitys inclusion of all people regardless of the color of their skin. Ramona Walhof, editor of *The Power of Love* and longtime friend of Kenneth Jernigan, draws together the distinctive voices of individuals who knew Kenneth Jernigan and whose lives he touched through his work with the National Federation of the Blind. Each of the reflections begins with a brief biographical sketch that introduces the chapters author and ties his or her life to Kenneth Jernigan and his work. The book concludes with a chapter, *Blindness: The Federation at Fifty*, a retrospective written by Kenneth Jernigan himself in the last decade of his life. *The Power of Love: How Kenneth Jernigan Changed the World for the Blind* gathers a polyphonic chorus of voices that tell how the power of love, coursing through the life of Kenneth Jernigan, changed the world for the blind and, in so doing, changed the world for everyone.

"Love is the way. Love is the only way. Those who follow in my way follow in the way of unconditional, unselfish, sacrificial love. And that kind of love can change the world." --Bishop Michael Curry Two billion people watched Bishop Michael Curry deliver his sermon on the

redemptive power of love at the royal wedding of Prince Harry and Meghan Markle (now the Duke and Duchess of Sussex) at Windsor Castle. Here, he shares the full text of the sermon, plus an introduction and four of his favorite sermons on the themes of love and social justice. The world has met Bishop Curry and has been moved by his riveting, hopeful, and deceptively simple message: love and acceptance are what we need in these strange times.

María de Zayas y Sotomayor (1590–1650?) published two collections of novellas, *Novelas amorosas y exemplares* (1637) and *Desengaños amorosos* (1647), which were immensely popular in her day. During the nineteenth and early twentieth centuries, Victorian and bourgeois sensibilities exiled her “scandalous” works to the outer fringes of serious literature. Over the last two decades, however, she has gained an enthusiastic and ever-expanding readership, drawing intense critical attention and achieving canonical status as a major figure of the Spanish Golden Age. In this first comprehensive study of Zayas’s prose, Margaret R. Greer explores the relationship between narration and desire, analyzing both the “desire for readers” displayed by Zayas in her Prologue and the sexual desire that drives the telling within the novellas themselves. Greer examines Zayas’s narrative strategies through the twin lenses of feminist and psychoanalytic theory. She devotes close attention to the weight of Renaissance literary traditions and the role of Zayas’s own cultural context in shaping her work. She discusses Zayas’s biography and the reception of her publications; her advocacy of women’s rights; her conflictive loyalty to an aristocratic, patriarchal order; her crafting of feminine tales of desire; and her erasure of the frontiers between the natural and supernatural, indeed, between love and death itself. In so doing, Greer offers an expansive analysis of this recently rediscovered Golden Age writer.

"A sweeping historical love story that hits all the marks." –Publisher’s Weekly starred review Your feet will bring you to where your heart is. Ireland 1846. With Ireland ravaged by famine and England unsympathetic to its plight, Kathleen Deacey faces a devastating choice – leave her country to find work or risk dying there. Despising the English for refusing to help Ireland, she crosses the ocean to support her family and search for her missing fiancé. But when her voyage goes awry, she must accept help from an English whaling captain, Jack Montgomery, who represents everything she despises – and with whom she is reluctantly falling in love. As Kathleen fights to save her family in Ireland, she finds herself facing yet another devastating choice – remain loyal to her country or follow her heart. Award-winning author Pamela Ford captures the anguish of a devastating period in Irish history and delivers an historical saga of hope, loyalty, the strength of the human spirit, and the power of love. With more than a half million copies of her books sold worldwide, she is known for creating stories that are emotional and moving. Romance, love and courtship are as universal as the precious jewels they inspire, objects which express deep affection for a loved one and eternal commitment. Wedding traditions have evolved over thousands of years and are based on blessing the couple with good luck and good wishes for unity, happiness and prosperity. The ring is the most personal of all jewels, its endless circular

form symbolising the everlasting union of two people. The tradition of giving a betrothal or wedding ring as a promise of marriage goes back to ancient Rome and the ring was believed to have a direct link to the heart when worn on the ring finger of the left hand. It was not until the 15th century that diamond rings were primarily associated with marriage, but from the earliest times rubies or garnets were emblems of passionate love, diamonds or rock crystals symbolised virtue and constancy, sapphires denoted eternal love and emeralds desire and hope. Decorative motifs such as clasped hands, lovers' knots, crowned hearts, Cupid's arrows, flowers with hidden messages, snakes and butterflies were imaginatively used by jewellers to create magnificent jewels as symbols of romantic love.

A fresh, joyful YA novel that is layered with themes of immigration, cultural identity, and finding your voice in any language. Sixteen-year-old Ana is a poet and a lover of language. Except that since she moved to New Jersey from Argentina, she can barely find the words to express how she feels. At first Ana just wants to return home. Then she meets Harrison, the very cute, very American boy in her math class, and discovers the universal language of racing hearts. But when she begins to spend time with Neo, the Greek Cypriot boy from ESL, Ana wonders how figuring out what her heart wants can be even more confusing than the grammar they're both trying to master. After all, the rules of English may be confounding, but there are no rules when it comes to love. With playful and poetic breakouts exploring the idiosyncrasies of the English language, Love in English is witty and effervescent, while telling a beautifully observed story about what it means to become "American."
