GORDON PERKINS

BE QUIET! Little Simon

Time Flies , a wordless picture book, is inspired by the theory that birds are the modern relatives of dinosaurs. This story conveys the tale of a bird trapped in a dinosaur exhibit at a natural history museum. Through Eric's use of color, readers can actually see the bird enter into a mouth of a dinosaur, and then escape unscathed. Eric Rohmann's Caldecott Honor-winning debut is now available as a Dragonfly paperback. It is at once a wordless time-travel adventure and a meditation on the scientific theory that dinosaurs were the evolutionary ancestors of birds. The New York Times Book Review called Time Flies "a work of informed imagination and masterly storytelling unobtrusively underpinned by good science...an entirely absorbing narrative made all the more rich by its wordlessness." Kirkus Reviews hailed it as "a splendid debut."

The Girl and the Bicycle HarperCollins

A Bank Street Best Book of the Year "So much to like about this, including the folk art-style artwork with childlike appeal, the emphasis on the women who constructed the flag, and the important ways a symbol can influence a country for generations." —Booklist (starred review) From beloved author-illustrator Jessie Hartland comes a whimsical nonfiction picture book that tells the story of the American flag that inspired the poem and our national anthem, "The Star-Spangled Banner." If you go to the Smithsonian in Washington, DC, you can see a massive American flag: thirty feet tall and forty-two feet long. That's huge! But how did it get there? And where did it come from? Well... The story of this giant flag begins in 1812 and stars a major on the eve of battle, a seamstress and her mighty helpers, and a poet named Francis Scott Key. This isn't just the story of one flag. It's the story of "The Star Spangled-Banner," a poem that became our national anthem, too. Dynamically told and stunningly illustrated, Jessie Hartland brings this fascinating and true story to life.

The Whisperer Houghton Mifflin Harcourt

Two-time Newbery Medalist Lois Lowry introduces a new girl in class who loves being the center of attention and tells the most entertaining "absolutely true" stories. There's never been anyone like Gooney Bird Greene at Watertown Elementary School. What other new kid comes to school wearing pajamas and cowboy boots one day and a polka-dot T-shirt and tutu on another? From the moment Gooney Bird Greene arrives at Watertown Elementary School, her fellow second graders are intrigued by her unique sense of style and her unusual lunches. So when story time arrives, the choice is unanimous: they want to hear about Gooney Bird Greene. And that suits Gooney Bird just fine, because, as it turns out, she has quite a few interesting and "absolutely true" stories to tell. Through Gooney Bird and her tales, the acclaimed author Lois Lowry introduces young readers to the elements of storytelling. This book encourages the storyteller in everyone.

We All Went on Safari Schwartz & Wade

A highly acclaimed almost-wordless and Caldecott Award-winning picture book from the only living

three-time winner of the Caldecott Medal: David Wiesner. In this ingenious and imaginative - nearly wordless - picture book, on a normal Tuesday night, frogs in a pond lift off on their lily pads and fly to a nearby town where they zoom through a woman's living room, encounter a dog playing in his yard, and distract a bathrobe-clad citizen from his midnight snack. Who knows what will happen next Tuesday? 'Light-hearted and quirky, it is sure to appeal to a child's sense of adventure and fun, as well as stimulating the imagination' BOOKTRUST 'One of the best illustrated storybooks we've seen in a long time . . . An amazing book that will truly fire a child's imagination!' CREATIVE STEPS 'Evocative. Children will love the silliness.' IRISH TIMES

Spot, the Cat Capstone

An octopus struggles with misadventure when he leaves home but is relieved to know how and where to find a safe haven.

Wave Barefoot Books

Over the past 15 years, there has been a pronounced trend toward a particular type of picturebook that many would label "postmodern." Postmodern picturebooks have stretched our conventional notion of what constitutes a picturebook, as well as what it means to be an engaged reader of these texts. The international researchers and scholars included in this compelling collection of work critically examine and discuss postmodern picturebooks, and reflect upon their unique contributions to both the field of children's literature and to the development of new literacies for child, adolescent, and adult readers.

Mr Wuffles! HarperCollins UK

This simple yet powerful picture book--from a New York Times bestselling husband-and-wife team--tells the story of one girl who inspires a community to stand up to bullying. The perfect back-to-school read for every kid, family and classroom! Don't miss the companion book, I Forgive Alex, about the importance of compassion and forgiveness. Inspired by real events, I Walk with Vanessa explores the feelings of helplessness and anger that arise in the wake of seeing a classmate treated badly, and shows how a single act of kindness can lead to an entire community joining in to help. By choosing only pictures to tell their story, the creators underscore the idea that someone can be an ally without having to say a word. With themes of acceptance, kindness, and strength in numbers, this timeless and profound feel-good story will resonate with readers young and old. A New York Public Library Best Book of the Year "This beautifully illustrated story shows young readers how to become caring and supportive upstanders. Love it!" --Trudy Ludwig, bestselling author of The Invisible Boy
