Management access card (ISBN 9781292254036) if you need access to the MyLab as well, and save money on this resource. Slack & Brandon-Jones, *Operations Management, 9th Edition* ... Archives and records management is based upon the records series concept and two primary principles, the "records life cycle" and "records appraisal." The basic unit used in all discussions of records management and all records retention and disposition schedules is the record series. A record series is a group of records or documents. Records management is the efficient and systematic control of the creation, receipt, maintenance, use and disposition of records. Records management is the process of identifying and protecting evidence, which comes in the form of records. In this section, you can learn about how to define a record, and what the records lifecycle looks like.
