Whether you long for the fresh and restrained tones of Swedish Minimalism, with sheer white linen hangings at the windows, or plan to upholster your sofa and armchairs in traditional toile de Jouy, "Home Furnishing with Fabric" will help you make your vision reality. In this fully revised and updated guide to decorative style, leading interiors writer Leslie Geddes-Brown shares her experience in exploring every aspect of using soft furnishings in the home. In a special chapter on Practicalities, Lucinda

Ganderton covers basic sewing techniques and gives step-by-step instructions for 12 stylish yet simple projects. An extensive directory of suppliers puts the finishing touch to this indispensable source book.*A fully revised and updated edition of a bestselling guide to interior design, with plenty of informative photographs, many of them new.

Chronicle Books

Kylie Reed vowed she'd never pick up a man in a bar. It's one of her personal rules, after all. So falling into a gorgeous ginger's lap, tossing a glass of wine on him, and then hoping he asks for her number while in a bar would be a trifecta of wrong, right?

Organized, rule-loving, and cautious to a fault, Kylie Reed is waiting for the perfect moment to live her dreams—when she has a house, when she meets her husband, when she has been at her visual display job at a chic boutique a little while longer. All of her dreams are saved for later—as that seems to be a safer

place than taking a risk to actually live them. Yet Kylie finds all her rules bending when she falls into the lap of gorgeous Harrison Flynn, captain of the Dallas Demons hockey team. Harrison harbors his own fears for the future, ones he keeps close to the vest. He's intrigued with the brown-eyed beauty who proceeds with caution, while she's drawn to the sexy man who pushes boundaries and functions in chaos. The phrase opposites attract has never been truer as the chemistry between them is anything but polar from the second they meet... While the attraction is hot, is that enough to make a relationship work? Can they face their fears for a future they both want? Will this

relationship end before puck drop? Or will they find home ice together? If you like swoony heroes, hilarious heroines, and a couple you can cheer for, you'll want to escape into Home Ice. Can be read as a standalone and a happily ever after is guaranteed.

Saving June Macmillan
Travel to all seven continents and the oceans, too, with an energetic yoga sequence set to an irresistible original song. Sweet illustrations guide children into more than a dozen yoga poses, some mimicking a distinctive animal from each global region, others paired with modes of transportation to connect them all. Written by a children's

yoga expert, the playful story concludes with step-by-step instructions for each yoga pose and a world map with a fun fact about each animal. Includes audio and animation.

Cath Kidston has put together a treasure trove of simple projects for stitchers to get their needles into.

Basic sewing instructions are followed by ideas for creating over 40 sewing projects for bags, quilts, cushions and more. Included are 7 templates for different motifs, and a paper pattern sheet with full-size traceable patterns for every project in the book.

Cath Kidston's In Print

Random House

Whether you're a shopaholic or buy only necessities, the fourth in ZagatSurvey's popular NEW YORK CITY SHOPPING guides is for you.

Home Ice Routledge

It presents Cath's innovative take on traditional patchwork, which combines established techniques with a more contemporary approach. Mixing her own distinctive prints with vintage fabrics, Cath has designed 30 original and irresistible projects including not just the pieced quilts that you might expect but also numerous accessories and home furnishings - bags, cushions, pillowcases, even a toddler's toy ball and a dog bed. Patchwork, simply involves sewing

together cut pieces of material to create a larger design, and Cath has broadened the boundaries of conventional patchwork to create projects from vintage embroidered traycloths, striped linen tea towels, and shirting. There is a wide range of techniques from simple machine piecing to more complex patchwork, which makes this is a wonderful book not only for beginners but also for advanced sewers who want to tackle more challenging patch projects. The book also includes a needle kit to get you started on your very own patchwork! With clearly written instructions, explanatory diagrams and detailed colour

photographs, Patch! is the worthy successor to the best-selling Make!, Sew! and Stitch!

The Cat in the Hat

Lucky Spool

Learn how to find your personal interior design style and set up your space to match with this guide from the lifestyle and home décor magazine. Lonny Magazine is the ultimate online destination for interiors inspiration. With chapters that help you meditate on your space, go on a home cleanse, find unique decor pieces that speak to you, transform raw inspiration into actual design solutions, and continue to grow your space over time, The Lonny Home is a beautiful book that demystifies stylish

living, as well as encourages you to cultivate home habits that give your happiness and health a boost. Peppered with house tours of real-life homeowners and advice from celebrated experts in diverse walks of life, *The Lonny Home* will provide you with hands-on information for solving some of our homes' most common problems—like lack of light and all that clutter—as well as fun ways to brighten your space with tabletop vignettes, shelfies, gallery walls, and more. With sage text penned by stylist and influencer Sean Santiago, you'll learn how to re-envision your environment so it survives the trends and becomes an attractive sanctuary—no matter

your personal style and where you are in your life. Brimming with charming illustrations and exquisite interiors photography (both freshly commissioned and from the magazine's vault), *The Lonny Home* is more than a book of the latest decor ideas—it is a journey in how your home can better reflect and support you in all that you do, and an art object you'll want to give a permanent place on your coffee table as decor itself.

Femina David & Charles

Learn how to create twelve stunning contemporary quilts and develop your own designs using improvisational methods. Take inspiration from simple objects to create twelve beautiful,

contemporary quilt blocks. Create original quilts from each block design and adapt them to your own style. Learn how to interpret print, pattern and shapes into unique quilting ideas and experiment with a range of innovative techniques for impressive, professional results. Inside you'll find techniques such as square piecing, basket weave, half-square triangles, chevrons, quarter circles and portholes. So, if you love fabric and color, take a step into the world of improv quilting.

Country Life Chronicle Books

Quilt Recipes is a brilliant pairing of captivating, pieced projects and family favourite deserts from

her mum's kitchen. Enjoy the process of piecing and the challenge of finding, pairing, and arranging diverse patterns and countless colours together, especially those that make you uncomfortable. Savour each kitchen recipe that has been timelessly tested, lovingly passed down and now fondly shared with like-minded soul stitchers. 12 brilliant patchwork projects paired with eight of Jen's mum's favourite, delectable dessert recipes. As quilters, stitchers and makers, we fill our souls with like-minded friendships, feed our souls with hand or machine stitching, and we love to treat ourselves and others to decadent desserts. Jen Kingwell's, *Quilt*

Recipes, is a brilliant pairing of captivating pieced projects and delectable desserts. Whether you are a hand or machine piecer, one can relish in each recipe, whether it be a quilt or perhaps something sweet. Use a variety of patchwork techniques including, machine & hand piecing, hand applique, and hand quilting. Full-size paper patterns make template creation quick and simple. Acrylic template sets for six of the quilt patterns are sold separately.

This meticulously researched guide has already done all the hard work for anyone shopping for a home. There are thirty chapters which are full of information about shops ranging from one stop furnishing stores, department stores, DIY stores and general furnishing multiples to specialist shops dealing in a huge range of goods including; antiques, bedrooms, tiles, floors, heating, doors, security, windows, ethnic wares and British crafts. Find about markets, auctions, and where to scoop up the best

bargains too. This book will tell how to go about getting anything and everything you could possibly want for the home. Each entry provides an address and telephone number as well as details about websites, opening times, and the nearest bus/tube. There's a handy alphabetical listing of all shops and services mentioned along with a unique "Where to find" index which tells you how to find most of the most commonly requested items ranging from fur fabrics, muslin, and loose covers to tassles, chandeliers and fake suede. This invaluable source book takes the hassle out of shopping for the home, allowing the shopper more time to be creative and enjoy what can be a very enjoyable and

rewarding adventure. Evening Standard books receive excellent publicity in London through the Evening Standard newspaper. Because they are written by Evening Standard journalists, they benefit from the wide exposure and high profile of their author's columns. Evening Standard books are also frequently reviewed and advertised beside these columns and other appropriate features in the newspaper.
