### Making Beautiful Hemp and Bead Jewelry

Kalmbach Books

RE-ISSUE Friendship is universal, crossing continents, generations and all other barriers...friendship bracelets are for young and old, teenagers and grandparents; from friend to friend or from boy to girl. You do not need any weaving equipment to make these vibrant Central and South American bracelets. Just learn two basic knots, use a safety pin to keep your work taut, and then knot colourful

cotton threads into a host of different patterns. This book shows - row by row in coloured easy-to-follow diagrams - how to make twenty-two different designs of bracelet. Using eight to twelve threads per row, create chevrons, stripes, diamonds and many other patterns in a carnival of colours. When you have made your bracelet, tie it on your friend's wrist - he or she will not be able to fasten it without your help - as a lasting token of regard and affection from one person to another. *Hemp Bracelets and More* Fox Chapel Publishing

Her concise instructions incorporate step-by-step photographs that easily guide readers through the process of making necklaces, bracelets, and earrings. Additionally she uses materials that are easy to find: seed beads, pearls, gemstones, and crystals to make each piece unique.

pinecones, to name a few—and transforms them into one-of-a-kind pieces of jewelry. Each of the 35 mini chapters organized by material consists of three projects and three skill levels, adding up to more than 100 stunning pieces that could easily be found for sale at Urban Outfitters or Anthropologie. Every piece is beautifully photographed, as are the majority of how-to steps, and the information is presented in an easy-to-follow way, like a recipe. The book also includes an overview of simple jewelry-making techniques and tips, with best practices for how to work with various materials; how to wear jewelry; and how to work with design elements that include color, scale, and shape.
