Penguin
 “Jonah Lehrer has a lot to offer the world....The book is interesting on nearly every page....Good writers make writing look easy, but what people like Lehrer do is not easy at all.” —David Brooks, The New York Times Book Review
 Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical

psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer’s *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us—and it can destroy and define us. It has inspired

our greatest poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The

most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of "falling" in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but,

fascinatingly, on a set of skills to be cultivated over a lifetime. *Magpie* Flatiron Books Wouldn't It Be Great to Have an Extraordinary Relationship? Relationships do take work. In today's fast-paced world, it has become way too easy to avoid working at building relationships with the people in our lives. It is so much simpler to pull out our smart phones and send a text message. Because of

this, building real relationships is becoming a lost art. In *Love Over Darkness*, Jack Brown shares with his readers his unique perspective on what it takes to build and maintain strong, long-lasting relationships successfully. Written in a style that is easy to follow and understand, and combined with excellent illustrations, Brown discusses the fundamental building-blocks of

relationships and significant steps people can take to improve their interpersonal communications. Following the guidance in this highly informative book, readers will discover new and meaningful ways to build a stronger relationship with their partner as well as other important people in their lives. While chemistry is undoubtedly essential, the information in this book will play an indispensable role in

learning to communicate and work through many of the common issues that often cause problems in relationships. Learning to work through these issues and developing better interpersonal skills will go a long way toward building a better, longer-lasting relationship with your partner. If you find yourself in a troubled relationship, but one that is worth working to save,

reading this book would be an excellent first step in the right direction. Go ahead order your copy today and Click The Add to Cart Button! [Why You Still Don't Have the Relationship You Want and the 5 Cures That Will Transform Your Love Life](#) Crown Archetype In Get What You Want from Your Man, success coach Shirley Baldwin reveals the secrets of how men think,

what they truly want in a relationship, and what makes them want to give everything of themselves to a woman. Addressing the common issues in relationships, Shirley helps women realize that by understanding the needs of their man, changing their perception, and shifting how they act in the relationship, they have the power to create whatever they want. Get What You Want from

Your Man is written by a woman, for women, yet includes both men's and women's perspectives to help women of all ages and stages of relationship. Whether readers have been in a relationship for 50 years, or haven't yet begun one, Shirley holds their hand along the journey and helps create a permanent change in how women see and relate to their man, so they can get way more

from him than ever thought possible. Best of all, this is all accomplished without encouraging manipulation, head games, or women losing themselves in the process of creating the relationship of their dreams. [Real Truth from Real Couples about Lasting Love](#) Access Consciousness Publishing Company Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count

the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to

find and keep a man. In Act Like a Lady, Think Like a Man, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes

direct, but always truthful, Act Like a Lady, Think Like a Man is a book you must read if you want to understand how men think when it comes to relationships.

15 Steps to Creating the Love Life You Want and Have the Relationship of Your Dreams! Hay House, Inc
Whether you're newly together and eager to make it work or a longtime couple looking to strengthen and deepen

your bond, Eight Dates offers a program of how, why, and when to have eight basic conversations with your partner that can result in a lifetime of love. “Happily ever after” is not by chance, it’s by choice—the choice each person in a relationship makes to remain open, remain curious, and, most of all, to keep talking to one another. From award-winning marriage researcher and bestselling

author Dr. John Gottman and fellow researcher Julie Gottman, Eight Dates offers an ingenious and simple-to-implement approach to effective relationship communication. Here are the subjects that every serious couple should discuss: Trust. Family. Sex and intimacy. Dealing with conflict. Work and money. Dreams, and more. And here is how to talk about them—how to broach subjects that

are difficult or embarrassing, how to be brave enough to say what you really feel. There are also suggestions for where and when to go on each date—book your favorite romantic restaurant for the Sex & Intimacy conversation (and maybe go to a yoga or dance class beforehand). There are questionnaires, innovative exercises, real-life case studies, and skills to master, including the Four Skills of

Intimate
Conversation
and the Art of
Listening.
Because
making love
last is not
about having
a certain
feeling—it's
about both of
you being
active and
involved.

Fix the One You Got

Simon and Schuster
A candid, inspiring guide to finding lasting love by getting real about your relationship goals--based on the viral sermon series about dating, marriage, and sex. Realer than the most real conversation you've ever heard in church on the topic, Michael Todd's honest, heartfelt, and powerful teaching on relationships has already impacted millions.

Michael believes that relationships are the epicenter of human thriving. All too often, though, we lack the tools or vision to build our relationships on the wisdom and power of God. In other words, it's good to have a goal, but you can't get there without proper aim. By charting a course that candidly examines our most common pitfalls, and by unpacking explosive truths from God's Word,

Michael's debut book will transform a trendy hashtag into a future where your most cherished relationships thrive in relational life, hope, and abundance. Now those are real #relationshipgoals.
10 Truths for Changing the Relationship You Have Into the One You Want Sounds True
In her previous books, the national bestsellers *10 Bad Choices That Ruin* Black

Women's Lives and 10 Good Choices That Empower Black Women's Lives, celebrated television personality, motivational speaker, and author Dr. Grace Cornish showed African-American women how to kick unhealthy habits, make positive decisions, and transform themselves into self-assured sisters. Now, in *You Deserve Healthy Love, Sis!*, Dr. Grace goes the extra

mile and gives Black women a simple, workable plan to help them find their true soul mate and cultivate a healthy love, from dating to mating—and beyond. Once again, armed with her trademark “tell it like it is” spunk and her inspiring, on-target advice for women of color, Dr. Grace offers a practical yet empowering seven-step prescription for rich, honest love that will withstand life's

challenges and land a woman at the altar next to her ideal spiritual, emotional, mental, and physical man. From “Check Your Signals Before You Wreck Your Choices” to “Don't Be Fooled—Read Him Well and Remove the Mask,” Dr. Grace provides her readers with plenty of insightful tips on how to date with the utmost confidence and avoid the nasty pitfalls that can sink even the

strongest relationships. In the tradition of Dr. Grace's other spirited, smart self-help books, *You Deserve Healthy Love, Sis!* is also packed with heartfelt letters from Black women across the country who want to stop settling for Mr. Wrong and inspiring stories from sisters who have followed these steps and made long-lasting commitments to their soul mates. Poignant, honest, and

filled to the brim with priceless wisdom, this book is a must-have for women who are looking to cultivate the healthy love they've always dreamed of.

GUIDES THEM ON THEIR MOST IMPORTANT JOURNEY:

FINDING LOVE
Just as there is junk food, there is junk love. And like junk food, junk love is fast, convenient, attractively packaged, widely available, superficially tasty—and leaves you hungering for more. And both junk food and junk love require enormous amounts of willpower to resist. Social media and online dating sites have become the supermarkets of our relationship lives. You

have to wade through rows of cupcakes and potato chips to find the produce aisle, where those relationships grounded in intimacy and trust live—the ones worth your investment. A diet book for romantic relationships, *Love Rules* first asks women to re-assess the way they think about their relationships, and then helps them use that newfound awareness to navigate their love lives

more successfully in this very modern, fast-paced—and often lonely—digital age. In these pages leading media exec and former Editor in Chief of *Cosmopolitan* and Marie Claire Joanna Coles provides a series of simple guidelines for finding worthwhile love: fifteen rules—love "hacks." She also explains how to use dating apps effectively to expand real world connections

and how to avoid DADD—dating attention—deficit disorder, where the tantalizing promise of someone better appears to be only the next swipe away. Love Rules will enable you to identify what you want in a relationship, when you should pursue it, and how to find it. What Women Want Men to Know McGraw Hill Professional She has almost everything. The rest she'll take. For fans

of *Gone Girl* and *The Perfect Nanny*, a taut, psychological suspense novel about a perfect couple and their seemingly perfect roommate—that is until she threatens to destroy everything they've worked so hard to create. Marisa and Jake are a perfect couple. And Kate, their new lodger, is the perfect roommate—and not just because her rent payments will give them the income

they need to start trying for the baby of their dreams. Except—no one is truly perfect. Sure, Kate doesn't seem to care much about personal boundaries and can occasionally seem overly-familiar with Jake. But Marisa doesn't let it concern her, knowing that soon Kate will be gone, and it will just be her, Jake, and their future baby. Conceiving a baby is easier said than done, though, and Jake and Marisa's

perfect relationship is put to the test through months of fertility treatments and false starts. To make matters worse, Kate's boundary-pushing turns into an all-out obsession—with Jake, with Marisa, and with their future child. Who is this woman? Why does she seem to know everything about Marisa and Jake? In her quest to find out who Kate really is, Marisa might destroy everything

she's worked so hard to create—her perfect romance, her perfect family, and her perfect self. Jake doesn't know the half of what Marisa has created—and what she stands to lose. For fans of *Gone Girl* and *The Perfect Nanny*, *Magpie* is a tense and twisting novel about mothers and children, envy and possession, and the dangers of getting everything you've ever dreamed of.

will help you experience deeper and richer levels of intimacy with your partner starting today.

Make Him Fall for You

Boldwood Books Ltd

There are many books that promise to help you fix a bad relationship.

This groundbreaking bestseller is the first one to help you choose whether you should even try—or if you need to go.

Psychotherapist Mira Kirshenbaum draws on years of

research and her work with real-life couples to help you make the right decision. She shows you how to diagnose your unique situation with self-analysis and questions like these, which get to the very heart of your problems: • What sins are forgivable and which ones are unpardonable? • Is your partner questioning your opinions to the point where you doubt yourself? •

What is your sex life really like, and how important is it? • Is there real love left between you, and how does it stack up against all that you find unlovable? Mira Kirshenbaum provides expert guidelines that are the key to making all your choices, concrete steps that you can implement right now, and the ultimate way to determine your personal bottom line—what you need to be

<p>happy. This remarkably insightful and probing guide offers advice that lets you see the truth about your relationship—and with wisdom and compassion, it helps you act with the confidence of knowing that</p>	<p>whether you decide to go or stay, you are doing the very best thing.</p> <p><i>The Surprising Science That Will Help You Find Love</i></p> <p>Simon and Schuster</p> <p>This guide to self-discovery through</p>	<p>intimate relationships offers a spiritual perspective on healing childhood wounds and destructive patterns that are learned early on and later cause relationship dysfunction in adulthood.</p>
