HAMMOND ATKINSON

Sweet Hush Penguin

To these seven narratives of neurological disorder Dr. Sacks brings the same humanity, poetic observation, and infectious sense of wonder that are apparent in his bestsellers *Awakenings* and *The Man Who Mistook His Wife for a Hat*. These men, women, and one extraordinary child emerge as brilliantly adaptive personalities, whose conditions have not so much debilitated them as ushered them into another reality.

The Joy Luck Club Grove/Atlantic, Inc.

From New York Times bestselling author Madeline Hunter comes this seductive tale of a headstrong young lady, a scandalous manuscript, and the iron-willed duke determined to save her from her ruin. For fans of Mary Balogh, Eloisa James, and Julia Quinn. When Lady Lydia Alfreton is blackmailed over the shocking contents of a manuscript she once wrote, she must go to the most desperate of measures to raise the money to buy back the ill-considered prose: agreeing to an old wager posed by the arrogant, dangerous Duke of Penthurst. At least Penthurst is a man she wouldn't mind fleecing—and she's confident she'll win. Penthurst long ago concluded Lydia was a woman in search of ruinous adventure, but even he is surprised when she arrives at his house ready to bet her innocence against his ten thousand pounds—a wager he only proposed to warn her off gambling. When she loses to a simple draw of the cards, Lydia is shocked. Now, her problems are twofold: a blackmailer determined to see her pay and a duke determined to tame her rebellious ways. One misstep and Lydia could find herself ruined—or bound to the seductive man who would make her his duchess.

The Dressmaker John Wiley & Sons

Featuring Lieutenant Eve Dallas, *Remember When* blends present-day romance and futuristic suspense in a thrilling two-part novel that combines the incomparable talents of two #1 New York Times bestselling authors: Nora Roberts and her alter ego J. D. Robb. Antiques dealer Laine Tavish is an ordinary woman living an ordinary life. At least, that's what everyone in the small town

of Angel's Gap, Maryland, thinks. They have no idea that she used to be Elaine O'Hara, the daughter of a notorious con man... Laine's past catches up with her when one of Big Jack's associates turns up in her shop with a cryptic warning and is then run down in the street. Now the next target of a ruthless killer, Laine teams up with sexy PI Max Gannon to find out who's chasing her, and why. The answer lies in a hidden fortune that will change not only Laine's life, but also the lives of future generations—including New York City detective Lieutenant Eve Dallas. In a future where crime meets cutting-edge technology, Eve is used to traveling in the shadowy corners outside the law. She will attempt to track down the treasure Laine and Max sought once and for all—and stop the danger and death that has surrounded it for decades...

An Anthropologist on Mars BelleBooks

Love and family. War and secrets. Betrayal and redemption. #1 New York Times bestselling author Susan Wiggs returns with a deeply emotional and atmospheric story that spans oceans and decades, from the present-day Delaware shore to the battlefields of WWII France. Widowed by an unspeakable tragedy, Camille Palmer has made her peace with the past and settled into the quiet safety of life with her teenage daughter Julie in a sleepy coastal town. Then the arrival of a mysterious package breaks open the door to her family's secret past. In uncovering a hidden history, Camille has no idea that she's embarking on an adventure that will utterly transform her. Camille, Julie, and Camille's father return to the French town of his youth, sparking unexpected memories — recollections that will lead them back to the dark days of the Second World War. And it is in the stunning Provençal countryside that they will uncover their family's surprising history. While Provence offers answers about the past, it also holds the key to Camille's future. Along the way, she meets a former naval officer who stirs a passion deep within her — a feeling that she thought she'd never experience again. "Susan Wiggs seamlessly melds historical drama with contemporary romance," raves Mary Kay Andrews. Now, this hugely popular author has created her biggest, most powerful story yet — a beautiful and heartfelt novel that celebrates the bonds of family and pays homage to the sacrifices of the past.

Policy analysis in France Michael O'Mara Books

The epic story of Thomas Cale—introduced so memorably in *The Left Hand of God*—continues as the Redeemers use his prodigious gifts to further their sacred goal: the extinction of humankind and the end of the world... To the warrior-monks known as the Redeemers, "the last four things" represent the culmination of a faithful life. Death. Judgment. Heaven. Hell. The last four things represent eternal bliss—or endless destruction, permanent chaos, and infinite pain. Perhaps nowhere are the competing ideas of heaven and hell exhibited more clearly than in the dark and tormented soul of Thomas Cale. Betrayed by the girl he loves but still marked by a child's innocence, possessed of a remarkable aptitude for violence but capable of extreme tenderness, Cale will lead the Redeemers into a battle for nothing less than the fate of the human race. And though his broken heart foretells the bloody trail he will leave in pursuit of a personal peace he can never achieve, a glimmer of hope remains—the question even Cale can't answer: When it comes time to decide the fate of the world, to ensure the extermination of humankind or spare it, what will he choose? To express God's will on the edge of his sword, or to forgive his fellow man—and himself?

The Field Random House

The "intoxicating, romantic and utterly ravishing" start to the *Lost Lords* series by the New York Times bestselling author of the *Rogues Redeemed* novels (Eloisa James). In the first of a dazzling series, Mary Jo Putney introduces the *Lost Lords*—maverick childhood friends with a flair for defying convention. Each is about to discover the woman who is his perfect match—but perfection doesn't come easily, even for the noble Duke of Ashton . . . Battered by the sea, Adam remembers nothing of his past, his ducal rank, nor of the shipwreck that almost claimed his life. However, he's delighted to hear that the golden-haired vision tending his wounds is his wife. Mariah's name and face may not be familiar, but her touch, her warmth, feel deliciously right . . . When Mariah Clarke prayed for a way to deter a bullying suitor, she didn't imagine she'd find the answer washed ashore on a desolate beach. Convincing Adam that he is her husband is surprisingly easy. Resisting the temptation to act his wife, in

every way, will prove anything but. And now a passion begun in fantasy has become dangerously real—and completely irresistible . . . “Gentle humor, exotic elements, compelling, flawless prose, and irresistible characters caught in a sweet, sensual dilemma will leave readers smiling, breathless, and anxiously awaiting the next adventure.”—Library Journal (starred review) “The enchanting first *Lost Lords* novel confirms bestseller Putney as a major force in historical romance . . . Entrancing characters and a superb plot line catapult this tale into stand-alone status.”—Publishers Weekly (starred review)

Loving A Lost Lord Harper Collins

Haunted by a past filled with poverty and abuse, Amy Miracle finds escape and release in the vineyards of Georgia—and in Sebastian de Savin, a brilliant and arrogant surgeon whose own past has hardened his heart. Amy finally breaks through de Savin's shell and teaches him to love and laugh again, and Sebastian helps Amy blossom into a magnificent woman.

Os segredos do passado Bantam

Her Harvard-student son just eloped with the First Daughter. CNN is parked on the road to her apple orchards. Secret Service agents have commandeered her country kitchen. The irate First Parents are threatening to have her taxes audited. The President's handsome, tough, ex-military nephew is setting up camp in her guest room. Hush McGillan's quiet Appalachian world of heirloom apples, country festivals, and carefully guarded family secrets has just been flipped like one of her famous Sweet Hush Apple Turnovers. What do you do when your brand-new-in-laws are the First Family, and they don't like you any more than you like them? And what happens next when you find yourself falling in love with the man they sent to unearth all your secrets? From the White House to the apple house, from humor to tears and sorrow to laughter, get ready to fall in love with Sweet Hush.

Three Books of Occult Philosophy Or Magic Penguin

Lovers is pure Krantz, an intoxicating dance of love lost, stolen, and found among women and men who lure each other with potent combinations of money, talent, ambition, and passion. Chief among them is irresistible Gigi Orsini, the high-spirited, merry, adventurous creature who grew up into enchanting womanhood in *Scruples Two*. Now Gigi is working as a copywriter in a new Los Angeles advertising agency, with her creative "teammate," David Melville, a brilliant young art director who

joins her in seeking new accounts. The agency is headed by dashing Archie Rourke, humorous Byron Bernheim and the severely difficult beauty, Victoria Frost, daughter of the famed Millicent Frost Caldwell who, with her husband Angus Caldwell, owns one of New York's largest advertising agencies. Ben Winthrop, a proper Bostonian and an enormously successful mall builder, attempts to capture Gigi's quicksilver affections, although his fierce contenders for the same prize include both David Melville and the dominating film director, Zach Nevsky. Meanwhile, Billy Winthrop Ikehorn Orsini Elliott, the unforgettably impulsive heroine of *Scruples*, and her new husband, the great charmer, Spider Elliott, are busy with their own fascinating lives, as are Gigi's father, canny film producer Vito Orsini, and her best friend, the ravishing Sasha Nevsky, none of whom can be forgotten from *Scruples* and *Scruples Two*. *Lovers* completes all the stories set in motion in the first two novels, yet it stands entirely on its own as a slice of life in the exciting years of 1983 and 1984.

One Day at a Time Random House

Ellie and Bonny meet in London at the end of the war when, seduced and abandoned by two American airmen, they pool their wits and resources and set off to make a living on the stage. Their story is one of sacrifice and ambition but most of all of a powerful friendship that lasts against all odds.

Silk and Stone Policy Press

“Rarely will a book touch your heart like *A Place to Call Home*. So sit back, put up your feet, and enjoy.”—The Atlanta Journal and Constitution Twenty years ago, Claire Maloney was the willful, pampered, tomboyish daughter of the town's most respected family, but that didn't stop her from befriending Roan Sullivan, a fierce, motherless boy who lived in a rusted-out trailer amid junked cars. No one in Dunderry, Georgia—least of all Claire's family—could understand the bond between these two mavericks. But Roan and Claire belonged together . . . until the dark afternoon when violence and terror overtook them, and Roan disappeared from Claire's life. Now, two decades later, Claire is adrift, and the Maloneys are still hoping the past can be buried under the rich Southern soil. But Roan Sullivan is about to walk back into their lives. . . . By turns tender and sexy and heartbreaking and exuberant, *A Place to Call Home* is an enthralling journey between two hearts—and a deliciously original

novel from one of the most imaginative and appealing new voices in Southern fiction. Praise for *A Place to Call Home* “A beautiful, believable love story.”—Chicago Tribune “For sheer storytelling virtuosity, Ms. Smith has few equals.”—Richmond Times-Dispatch “Enchanting new novel . . . a beautiful love story of reunion.”—The News & Observer, Raleigh, NC “Stylishly written, filled with Southern ease and humor.”—Tampa Tribune

Python para Todos está diseñado para introducir a los estudiantes en la programación y el desarrollo de software a través de un enfoque en la exploración de datos. Puedes pensar en Python como una herramienta para resolver problemas que están más allá de las capacidades de una simple hoja de cálculo. Python es un lenguaje de programación fácil de usar y sencillo de aprender, disponible de forma gratuita para equipos Macintosh, Windows, o Linux. Una vez que aprendes Python, puedes utilizarlo el resto de tu carrera sin necesidad de comprar ningún software. Existen copias electrónicas gratuitas de este libro en varios formatos, así como material de soporte para el libro, que puedes encontrar en es.py4e.com. Los materiales del curso están disponibles bajo una Licencia Creative Commons, de modo que puedes adaptarlos para enseñar tu propio curso de Python.

The Last Four Things Verso Books

Classic Romance From New York Times Bestselling Author Deborah Smith A pretty but tough Atlanta judge. A handsome good ol' boy farmer. When Jake Coltrane rescues Vivian Costas from muggers on a dark city street, he falls in love at first punch. She's tracking bad guys while disguised as a bag lady, and she whacks Jake with her purse. Vivian instantly adores the sexy but gentlemanly farmer, who's restoring a run-down city apartment building he inherited. But he's moving back to his farm soon, and she doesn't see how their very different lives can merge. She's been hurt before and tries to keep her distance. But Jake is irresistible. Can she follow her heart, take a risk, and not feel just a little bit guilty? Originally published as *Cupid's Verdict*, by Deborah Smith writing as Jackie Leigh. This new edition has been revised and updated. Look for more classic reprints from Deborah Smith, coming soon.

Ellie Cosimo, Inc.

He was home from prison. Ten years compressed in the nerve-racking space of a few seconds. This tall, broad-shouldered

stranger was her husband. Every memory she had of his appearance was there, stamped with a brutal decade of maturity, but there. Except for the look in his eyes. Nothing had ever been bleak and hard about him before. He stared at her with an intensity that could have burned her shadow on the floor. Words were hopeless, but all that they had. "Welcome back," she said. Then, brokenly, "Jake." He took a deep breath, as if a shiver had run through him. He closed the doors without ever taking his eyes off her. Then he was at her in two long steps, grasping her by the shoulders, lifting her to her toes. "I trained myself not to think about you," he said, his voice a raw whisper. "Because if I had, I would have lost my mind." "I never deserted you. I wanted to be a part of your life, but you wouldn't let me. Will you please try, now?" "Do you still have it?" he asked. Anger. Defeat. The hoarse sound she made contained both. "Yes." He released her. "Good. That's all that matters." Sam turned away, tears coming helplessly. After all these years, there was still only one thing he wanted from her, and it was the one thing she hated, a symbol of pride and obsession she would never understand, a blood red stone that had controlled the lives of too many people already, including theirs. The Pandora ruby. Deborah Smith is the NYT bestselling author of *A Place To Call Home* and the Kindle No. 1 bestselling author of *The Crossroads Café*. Learn more about her books at BellBridgeBooks.com.

A DOÇURA DA CHUVA BelleBooks

From the international-best-selling author comes a "taut, entertaining archaeological murder-mystery-meets-spy-thriller" (Kirkus Reviews). When journalist Rivka Kleinberg is brutally murdered in a Jerusalem cathedral, it's a complicated case for detective Arieh Ben-Roi. Kleinberg had racked up a wide array of enemies exposing corruption in the halls of power—from international corporations and the Russian mob to the Israeli government. Learning that Kleinberg was working on a story involving Egypt, Ben-Roi enlists the help of his old friend Yusuf Khalifa of the Luxor Police. Together they discover something far more sinister than a single murder. Kleinberg was chasing a mystery spanning centuries—a timeless search for an incredible treasure that has cost countless people their lives, and a modern-day conspiracy that now threatens to add Ben-Roi and Khalifa to the tally of the dead. From a highly respected archaeologist and international-best-selling author comes "a well-researched tale

combining an archaeological puzzler with contemporary Middle Eastern concerns" (Financial Times). "An absolutely top-notch thriller." —Daily Mail

The Crossroads Cafe Independently Published

From the Big Bang to the future of our planet, *The Little Book of Big History* divides history into manageable but comprehensive time frames, encompassing the cosmos, the stars, life and everything in between. Big History is the attempt to understand and condense the entire story of the cosmos, from the Big Bang to the current day. Combining methods from history, astronomy, physics and biology to draw together the big story arcs of how the universe was created, why planets formed and how life developed, this creates a unique perspective from which to understand the place of mankind in the universe. Excited by the alternative 'framework for all knowledge' that is offered by this approach, Bill Gates is funding the Big History Project, which aims to bring the subject to a wider audience around the world. *The Little Book of Big History* breaks down the main themes of Big History into highly informative and accessible parts for all readers to enjoy. By giving a truly complete timeline of world events, this book shines a whole different light on history as we learned it and makes us think of our history - and our future - in a very different way.

The Atlantic Forest Penguin

A historical tour de force that demolishes the myths and taboos that have surrounded Jewish and Israeli history, *The Invention of the Jewish People* offers a new account of both that demands to be read and reckoned with. Was there really a forced exile in the first century, at the hands of the Romans? Should we regard the Jewish people, throughout two millennia, as both a distinct ethnic group and a putative nation—returned at last to its Biblical homeland? Shlomo Sand argues that most Jews actually descend from converts, whose native lands were scattered far across the Middle East and Eastern Europe. The formation of a Jewish people and then a Jewish nation out of these disparate groups could only take place under the sway of a new historiography, developing in response to the rise of nationalism throughout Europe. Beneath the biblical back fill of the nineteenth-century historians, and the twentieth-century intellectuals who replaced rabbis as the

architects of Jewish identity, *The Invention of the Jewish People* uncovers a new narrative of Israel's formation, and proposes a bold analysis of nationalism that accounts for the old myths. After a long stay on Israel's bestseller list, and winning the coveted Aujourd'hui Award in France, *The Invention of the Jewish People* is finally available in English. The central importance of the conflict in the Middle East ensures that Sand's arguments will reverberate well beyond the historians and politicians that he takes to task. Without an adequate understanding of Israel's past, capable of superseding today's opposing views, diplomatic solutions are likely to remain elusive. In this iconoclastic work of history, Shlomo Sand provides the intellectual foundations for a new vision of Israel's future.

Figurative Inquisitions Anchor

Determined to start a new life, Louisa Forrester has come to Scotland in search of adventure, new relationships and a second chance. She has enrolled on a creative writing course at the renowned Glendochatt Arts Centre. It is here that she meets Marnie Donovan, a young American woman who has travelled to Scotland in search of the childhood home of her eccentric benefactress, hoping for answers to questions that have haunted her all her life. Isobel Grant, who runs the centre with her husband Giles, is facing the greatest challenge of her life but must put on a brave face for everyone's sake. Initially Louisa and Marnie dislike each other, especially when both women are drawn to the same man. And Isobel must keep the peace. But enigmatic Christopher Piper carries his own secrets from the past and in their brief encounter all are forced to confront the truth about themselves and the choices they have made. Told with warmth and insight, *Secrets and Shadows* is a beautifully written story of three women and how they learn to embrace the future, however uncertain ... *Sapiens* Penguin

The Atlantic Forest is one of the 36 hotspots for biodiversity conservation worldwide. It is a unique, large biome (more than 3000 km in latitude; 2500 in longitude), marked by high biodiversity, high degree of endemic species and, at the same time, extremely threatened. Approximately 70% of the Brazilian population lives in the area of this biome, which makes the conflict between biodiversity conservation and the sustainability of the human population a relevant issue. This book aims to cover: 1) the historical characterization and geographic variation

of the biome; 2) the distribution of the diversity of some relevant taxa; 3) the main threats to biodiversity, and 4) possible

opportunities to ensure the biodiversity conservation, and the economic and social sustainability. Also, it is hoped that this book

can be useful for those involved in the development of public policies aimed at the conservation of this important global biome.
