Protecting Cheyenne: A Navy SEAL Military Romantic Suspense

Early in her life, Josephine Malone learned the hard way that there was only one person she could love and trust: her grandmother, Lydia Malone. Out of necessity, unconsciously and very

successfully, Josephine donned a disguise to keep all others at bay. She led a globetrotting lifestyle on the fringes of the fashion and music elite, but she kept herself distant. While Josephine was trotting the globe, retired boxer Jake Spear was living in the same small town as Lydia. There was nothing disguised about Jake. Including the fact he made a habit of making very bad decisions about who to give his love. But for Josephine and Jake, there was one person who adored them. One person who knew how to lead them to happiness. And one person who was intent on doing it. Even if she had to do it as her final wish on this earth. Creed Rock Chick LLC When Lily Jacobs was born, she inherited Fazire – a genie. Her family had three wishes and they’d only ever used one so Fazire was stuck in the human world. This worked since he’d become a member of the family anyway. Even with a genie, Lily’s young life wasn’t perfect. To escape the kids making her miserable at school, Lily buried herself in romance novels. One day, when the teasing was just too much, she used one of her wishes. She told Fazire

she wanted to find a man like in her books and she made the most complicated wish Fazire had ever heard. Her wished-for man had to be impossibly handsome, virile, fierce, rugged and ruthless (amongst a dozen other things). He also had to think she was beautiful and he had to love her more than anything in the world. Nathaniel McAllister wasn't born to a life where there were such things as genies granting wishes. His life was filled with drugs, crime and neglect. He was running errands for a gangster before he was in his teens and, even though life and hard work led him to wealth and respectability, he always knew, deep down, he was dirty. When Nate met Lily he knew he was no good for her but as virile, fierce, rugged and ruthless as he was, Nate was no match for the pull of sweet, innocent Lily. Unfortunately, Lily's wish included that she and her hero go through trials and tribulations to test their love. And Fazire wasn't only a good genie, he loved Lily - so he gave her exactly what she wanted.
