**Zero Hour**  
**(Department 19,**  
**Book 4)** Bantam  
An Edgar Award finalist  
A gripping and  
unforgettable story of  
survival after life in a  
cult, inspired by the  
survivors of the Branch  
Davidian siege in

Waco, Texas, 1993 The  
things I've seen are  
burned into me, like  
scars that refuse to  
fade. Before, she lived  
inside a fence with her  
family. After, she's  
trapped, now in a  
federal facility. Before,  
she was never allowed  
to leave the property,  
never allowed to talk to  
Outsiders, never  
allowed to speak her  
mind. After, there are

too many people asking questions, wanting to know what happened to her, trying to find out who she really is. Before, she thought she was being protected from something. After, people are telling her that now she's finally safe. She isn't sure what's better, before or after, all she knows is that there are questions she can't answer, and if everything she's been told is a lie, how can she know who's telling the truth now? Suspenseful and moving, *After the Fire* is perfect for readers looking for cult books and stories young adult historical fiction binge-worthy teen thrillers an intense, ripped-from-the-headlines plot compulsively readable books that keep you

hooked until the very end *Praise for After the Fire*: "Genuinely different...thrilling and spellbinding!"—Patrick Ness, #1 New York Times bestselling author "The gripping story of survival and escape...It will keep you up late until you get to the very end."—Maureen Johnson, New York Times bestselling author of *Truly Devious* "A heartrending portrait of a young girl's struggle to survive a domineering religious sect and the resilience of the human spirit; this belongs on every YA shelf." —School Library Journal  
*Severance* Tor Science Fiction  
Maybe it's the end of the world, but not for Candace Chen, a millennial, first-

generation American and office drone meandering her way into adulthood in Ling Ma's offbeat, wryly funny, apocalyptic satire, *Severance*. "A stunning, audacious book with a fresh take on both office politics and what the apocalypse might bring." —Michael Schaub, NPR.org "A satirical spin on the end times-- kind of like *The Office* meets *The Leftovers*." --Estelle Tang, Elle NAMED A BEST BOOK OF THE YEAR BY: NPR \* The New Yorker ("Books We Loved") \* Elle \* Marie Claire \* Amazon Editors \* The Paris Review (Staff Favorites) \* Refinery29 \* Bustle \* BuzzFeed \* BookPage \* Bookish \* Mental Floss \* Chicago Review of Books \* HuffPost \* Electric Literature \*

A.V. Club \* Jezebel \* Vulture \* Literary Hub \* Flavorwire Winner of the NYPL Young Lions Fiction Award \* Winner of the Kirkus Prize for Fiction \* Winner of the VCU Cabell First Novelist Award \* Finalist for the PEN/Hemingway Award for Debut Novel \* A New York Times Notable Book of 2018 \* An Indie Next Selection Candace Chen, a millennial drone self-sequestered in a Manhattan office tower, is devoted to routine. With the recent passing of her Chinese immigrant parents, she's had her fill of uncertainty. She's content just to carry on: She goes to work, troubleshoots the teen-targeted *Gemstone Bible*, watches movies in a Greenpoint basement

with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then Shen Fever spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won't be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They're traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society

anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma's *Severance* is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it's a heartfelt tribute to the connections that drive us to do more than survive.

[Zero Hour: Part 3 of 4 \(Department 19, Book 4\)](#) HarperCollins UK

In the midst of an international crisis, Heidi Milligan, a beautiful, brilliant American naval commander, accidentally discovers an obscure reference to the long-buried

North American Treaty, a precedent-shattering secret pact between the United States and Great Britain. The President believes that the treaty offers the single shot at salvation for an energy-starved, economically devastated nation, but the only two copies plummeted into the watery depths of the Atlantic in twin disasters long ago. The original document must be found—and the one American who can do the job is Dirk Pitt. But in London, a daring counterplot is being orchestrated to see that the treaty is never implemented. Brian Shaw, a master spy who has often worked hand in hand with American agents, now confronts his most challenging command. Pitt's mission: Raise

the North American Treaty. Shaw's mission: Stop Pitt. Praise for Night Probe! and the Dirk Pitt® novels "A rich tale . . . an absorbing, carefully told mystery with plenty of surprises."—Los Angeles Times "Dirk Pitt is a combination James Bond and Jacques Cousteau."—New York Daily News  
Zero Hour: Part 2 of 4 (Department 19, Book 4) G.P. Putnam's Sons  
 An all-new short story from the blood-pounding world of Department 19.  
A Forced Silence HarperCollins UK  
 When Jamie Carpenter's mother is kidnapped by strange creatures, he finds himself dragged into Department 19, the government's most

secret agency. Fortunately for Jamie, Department 19 can provide the tools he needs to find his mother, and to kill the vampires who want him dead. But unfortunately for everyone, something much older is stirring, something even Department 19 can't stand up against ...

*Shiverton Hall* Bentang Pustaka

The delivery of high quality and equitable care for both mothers and newborns is complex and requires efforts across many sectors. The United States spends more on childbirth than any other country in the world, yet outcomes are worse than other high-resource countries, and even worse for Black and Native American

women. There are a variety of factors that influence childbirth, including social determinants such as income, educational levels, access to care, financing, transportation, structural racism and geographic variability in birth settings. It is important to reevaluate the United States' approach to maternal and newborn care through the lens of these factors across multiple disciplines. *Birth Settings in America: Outcomes, Quality, Access, and Choice* reviews and evaluates maternal and newborn care in the United States, the epidemiology of social and clinical risks in pregnancy and childbirth, birth settings research, and access to and choice of

birth settings.

Pada usia ketiga puluh

enam, Paul Kalanithi

merasa suratan

nasibnya berjalan

dengan begitu

sempurna. Paul hampir

saja menyelesaikan

masa pelatihan luar

biasa panjangnya

sebagai ahli bedah

saraf selama sepuluh

tahun. Beberapa

rumah sakit dan

universitas ternama

telah menawari posisi

penting yang

diimpikannya selama

ini. Penghargaan

nasional pun telah

diraihinya. Dan kini,

Paul hendak kembali

menata ikatan

pernikahannya yang

merenggang,

memenuhi peran

sebagai sosok suami

yang ia janjikan. Akan

tetapi, secara tiba-tiba,

kanker mencengkeram

paru-parunya,

melumpuhkan organ-

organ penting dalam

tubuhnya. Seluruh

masa depan yang direncanakan Paul seketika menguap. Pada satu hari ia adalah seorang dokter yang menangani orang-orang yang sekarat, tetapi pada hari berikutnya, ia adalah pasien yang mencoba bertahan hidup. Apa yang membuat hidup berharga dan bermakna, mengingat semua akan sirna pada akhirnya? Apa yang Anda lakukan saat masa depan tak lagi menuntun pada cita-cita yang diidamkan, melainkan pada masa kini yang tanpa akhir? Apa artinya memiliki anak, merawat kehidupan baru saat kehidupan lain meredup? *When Breath Becomes Air* akan membawa kita bergelut pada pertanyaan-pertanyaan

penting tentang hidup dan seberapa layak kita diberi pilihan untuk menjalani kehidupan. [Mizan, Bentang Pustaka, Memoar, Biografi, Kisah, Medis, Terjemahan, Indonesia] *Beyond the Deepwoods* Simon and Schuster They slowed as they reached the gate; two stone columns, each with its own crumbling angel perched on top. The angels held up a rusty, wrought-iron arch that read, in curling, serpentine letters: SHIVERTON HALL. Arthur Bannister has been unexpectedly accepted into Shiverton Hall, which, as it turns out, is an incredibly spooky school, full of surprises. And it is just as well that Shiverton Hall has made its offer, because Arthur had a horrible

time at his previous school, and was desperate to leave. Timely indeed . . . But Arthur has no time to worry about the strange coincidence. He is too busy trying to make head or tail of Shiverston Hall, dogged as it is by tales of curses and bad fortune. At least there are a few friendly faces: George, who shows him around; also Penny and Jake. But not all the faces are friendly. There are the bullying Forge triplets for starters. And then there is the acid tongue of the headmistress, Professor Long-Pitt, who seems to go out of her way to make Arthur's life a misery. Luckily Arthur has his new friends to cheer him up. Although there are some friends that

you don't want to have at all, as Arthur is soon to find out.

[The Department 19 Files: The Second Birth of Frankenstein](#)

(Department 19)

HarperCollins UK

A short story from the world of Department 19. In 1891, Abraham Van Helsing and a group of friends faced Dracula, the world's first vampire - and

won. The survivors of that battle founded Department 19, and have been secretly saving the world ever since. A highly classified archive exists recording every act of bravery in that time.

When Breath Becomes Air (Indonesian Edition)

HarperCollins UK

WHAT VALUABLE COMPANY IS NOBODY BUILDING? The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. If you are copying these guys, you aren't learning from them. It's easier to copy a model than to make something new: doing what we already know how to do takes the world from 1 to n, adding more of something familiar.

Every new creation goes from 0 to 1. This book is about how to get there. 'Peter Thiel has built multiple breakthrough companies, and Zero to One shows how.' ELON MUSK, CEO of SpaceX and Tesla 'This book delivers completely new and refreshing ideas on how to create value in the world.' MARK ZUCKERBERG, CEO of Facebook 'When a risk taker writes a book, read it. In the case of Peter Thiel, read it twice. Or, to be safe, three times. This is a classic.' NASSIM NICHOLAS TALEB, author of The Black Swan  
**Zero Fail** Prentice Hall Professional  
Alex Rogo is a harried plant manager working ever more desperately to try and improve

performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David

Whitford, Editor at Large, Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, The Goal is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

**Learning from SARS**  
Random House

The high-level language of R is recognized as one of the most powerful and flexible statistical software environments, and is rapidly becoming the standard setting for quantitative analysis, statistics and graphics. R provides free access to unrivalled coverage and cutting-edge applications, enabling the user to apply numerous statistical methods ranging from simple regression to time series or multivariate analysis. Building on the success of the author's bestselling *Statistics: An Introduction using R*, *The R Book* is packed with worked examples, providing an all inclusive guide to R, ideal for novice and more accomplished

users alike. The book assumes no background in statistics or computing and introduces the advantages of the R environment, detailing its applications in a wide range of disciplines. Provides the first comprehensive reference manual for the R language, including practical guidance and full coverage of the graphics facilities. Introduces all the statistical models covered by R, beginning with simple classical tests such as chi-square and t-test. Proceeds to examine more advanced methods, from regression and analysis of variance, through to generalized linear models, generalized mixed models, time

series, spatial statistics, multivariate statistics and much more. The R Book is aimed at undergraduates, postgraduates and professionals in science, engineering and medicine. It is also ideal for students and professionals in statistics, economics, geography and the social sciences.

**The Department 19 Files: the Secret History of a Teenage Vampire (Department 19)**

Penguin  
NEW YORK TIMES  
BESTSELLER • “This is one of those books that will go down as the seminal work—the determinative work—in this field. . . . Terrifying.”—Rachel Maddow  
The first definitive account of

the rise and fall of the Secret Service, from the Kennedy assassination to the alarming mismanagement of the Obama and Trump years, right up to the insurrection at the Capitol on January 6—by the Pulitzer Prize winner and #1 New York Times bestselling co-author of *A Very Stable Genius* and *I Alone Can Fix It* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST  
Carol Leonnig has been reporting on the Secret Service for The Washington Post for most of the last decade, bringing to light the secrets, scandals, and shortcomings that plague the agency today—from a toxic work culture to dangerously outdated

equipment to the deep resentment within the ranks at key agency leaders, who put protecting the agency's once-hallowed image before fixing its flaws. But the Secret Service wasn't always so troubled. The Secret Service was born in 1865, in the wake of the assassination of Abraham Lincoln, but its story begins in earnest in 1963, with the death of John F. Kennedy. Shocked into reform by its failure to protect the president on that fateful day in Dallas, this once-sleepy agency was radically transformed into an elite, highly trained unit that would redeem itself several times, most famously in 1981 by thwarting an assassination attempt against Ronald

Reagan. But this reputation for courage and excellence would not last forever. By Barack Obama's presidency, the once-proud Secret Service was running on fumes and beset by mistakes and alarming lapses in judgment: break-ins at the White House, an armed gunman firing into the windows of the residence while confused agents stood by, and a massive prostitution scandal among agents in Cartagena, to name just a few. With Donald Trump's arrival, a series of promised reforms were cast aside, as a president disdainful of public service instead abused the Secret Service to rack up political and personal gains. To explore these problems in the ranks, Leonnig

interviewed dozens of current and former agents, government officials, and whistleblowers who put their jobs on the line to speak out about a hobbled agency that's in desperate need of reform. "I will be forever grateful to them for risking their careers," she writes, "not because they wanted to share tantalizing gossip about presidents and their families, but because they know that the Service is broken and needs fixing. By telling their story, they hope to revive the Service they love."

### **The Goal**
