### QUINTIN KRISTOPHER

---

Egg to Chicken Harper Collins  
 This delightful storybook by the incomparable d'Aulaires, based on a poem by Hans Christian Andersen, will charm a whole new generation of little readers. Don't count your chickens before they hatch, as the saying goes--but what about counting your eggs?! A woman with a good little house, a cat and a dog, and a fine hen who lays an egg every day (and even with a rooster who crows as if he'd laid the egg) sets off for town with a basket of fresh eggs. How much will she get for them? the woman wonders. Soon she is dreaming and scheming and beaming, counting the eggs and the coins they will fetch . . . and the hens the money will buy . . . and the eggs the new hens will

lay! What bounty those eggs will bring her! She will buy two geese and a little lamb, which will give her wool . . . why not? Wait and see what happens in this playful take on a beloved Hans Christian Andersen poem. A true classic, *Don't Count Your Chicks* brings a timeless story to vivid life with all the old-world charm, humor, and brilliant colors that have made so many of the d'Aulaires' children's books perennial favorites.

One Little Chicken Random House Digital, Inc.

An exquisite new literary voice—wryly funny, nakedly honest, beautifully observational, in the vein of Jenny Offill and Elizabeth Strout—depicts one woman's attempt to keep her four chickens alive while reflecting on a recent loss. "Full of nuance and humor and strangeness...[Polzin] writes beautifully about everything." —The New York Times

Over the course of a single year, our nameless narrator heroically tries to keep her small brood of four chickens alive despite the seemingly endless challenges that caring for another creature entails. From the forty-below nights of a brutal Minnesota winter to a sweltering summer which brings a surprise tornado, she battles predators, bad luck, and the uncertainty of a future that may not look anything like the one she always imagined. Intimate and startlingly original, this slender novel is filled with wisdom, sorrow and joy. As the year unfolds, we come to know the small band of loved ones who comprise the narrator's circumscribed life at this moment. Her mother, a flinty former home-ec teacher who may have to take over the chickens; her best friend, a real estate agent with a burgeoning family of her own; and her husband whose own coping mechanisms

for dealing with the miscarriage that haunts his wife are more than a little unfathomable to her. A stunning and brilliantly insightful meditation on life and longing that will stand beside such modern classics as *H is for Hawk* and *Gilead*, *Brood* rewards its readers with the richness of reflection and unrelenting hope.

[Chicks and Chickens \(CD\)](#) Vegan Publishers

Easy-to-read, rhythmic text about a group of farm animals, led by a tenacious duck, who play a noisy game together.

**Chickens May Not Cross the Road and Other Crazy(But True) Laws** Everbind

Read by Bonnie Kelley-Young From cuddly chick to mature hens and crowing roosters, the behavior, breeds and life cycles of these farmyard favorites is laid forth in this colorfully read, orderly presentation.

**Chickens Aren't the Only Ones** Young Voyageur

When Daniel finds out that his class is going to hatch chicks as a science project, he is thrilled. He's sure that his parents will let him adopt Peepers, who is his favorite. But who ever guessed that chicks could run amok and get into so much trouble?! This warmhearted chapter book about an environmentally-conscious family's experiment with poultry farming will provide plenty of clucks and lots of chuckles for young readers.

[Unusual Chickens for the Exceptional Poultry Farmer](#) HarperOne

When longtime illustrator and lover of power tools Lauren Scheuer was looking for a project, she got the idea to raise backyard chickens. Her husband and teenage daughter looked on incredulously as coop sketches and chicken-raising books filled their New England home. But when the chicks arrived, the whole family fell in love with the bundles of fluff and the wild adventures began. *Once Upon a Flock: Life with My Soulful Chickens* stars Scheuer's backyard chickens—with their big personalities, friendships, rivalries, and secrets—and the flock's guardian, Marky the terrier. The flock includes Hatsy, the little dynamo; Lil'White, the deranged and twisted Buff Orpington; Pigeon, the fixer-upper chicken; and Lucy, the special-needs hen who bonds with Lauren and becomes a fast friend. This charming story of Lauren's life with her quirky flock is filled with moments of humor and heartbreak: When Lucy is afflicted with a neurological disease, Lauren builds Lucy a special-needs coop. When Lucy's nesting instinct leads Lauren to act as a chicken midwife of sorts, Lauren hatches a chick in her home. And when Lucy's best friend Hatsy falls ill, Lauren finds an unlikely

friend for Lucy in a chicken named Pigeon, who requires an emergency bath and blow-dry. Enthusiastically immersing herself in the world of her flock, Lauren discovers that love, loss, passion, and resilience are not only parts of the human experience, but of the chicken experience as well. Throughout it all, Lauren documents the laughter and drama of her flock's adventures with her own whimsical photos and illustrations. At once humorous, poignant, and informative, *Once Upon a Flock* is a feathered tale like no other.

[Chicken, Chicken, Duck!](#) Fox Chapel Publishing

In search of the perfect place to lay her egg, Tillie the chicken leaves the barnyard and explores the farmhouse.

[The Golden Egg Book](#) Abrams

An unforgettably exuberant and potent novel by a writer at the height of her powers Two auditors for the U.S. egg industry go rogue and conceive a plot to steal a million chickens in the middle of the night—an entire egg farm's worth of animals. Janey and Cleveland—a spirited former runaway and the officious head of audits—assemble a precarious, quarrelsome team and descend on the farm on a dark spring evening. A series of catastrophes ensues. Deb Olin Unferth's wildly inventive novel is a heist story of a very unusual sort. Swirling with a rich array of voices, *Barn 8* takes readers into the minds of these renegades: a farmer's daughter, a former director of undercover investigations, hundreds of activists, a forest ranger who suddenly comes upon forty thousand hens, and a security guard who is left on an empty farm for years. There are glimpses twenty thousand years into the future to see what chickens might evolve into on our contaminated planet. We hear what hens think happens when they die. In the end the cracked hearts of these indelible characters, their earnest efforts to heal themselves, and their radical actions will lead them to ruin or revelation. Funny, whimsical, philosophical, and heartbreaking, *Barn 8* ultimately asks: What constitutes meaningful action in a world so in need of change? Unferth comes at this question with striking ingenuity, razor-sharp wit, and ferocious passion. *Barn 8* is a rare comic-political drama, a tour de force for our time.

[Just a Couple of Chickens](#) HarperCollins

Arthur goes to pick up the turkey for Thanksgiving dinner but comes back with a 266-pound chicken.

[Tillie Lays an Egg](#) Houghton Mifflin Harcourt

A hard-bitten former search-and-rescue

dog helps solve a complicated missing chicken case.

[Sonya's Chickens](#) Creative Teaching Press Just outside of downtown Minneapolis, follow the sounds of crowing and clucking and you will find Mary Britton Clouse's *Chicken Run Rescue*. Over the years, Mary and her husband have given hundreds of homeless birds a safe place to rest until they can be adopted by caring families. Each chicken has a story to share, and the debut author Christine Heppermann (who adopted her own chicken) has crafted a spare, moving, and at times humorous text that will open young readers' eyes and also inspire to help all creatures great and small. Come along and find out why lovable chickens are actually, according to Mary, "the ones who need friends the most."

**Chickens in the Road** White Wave Publications

A classic springtime tale from Margaret Wise Brown, the author of *Goodnight Moon!* This classic story follows a little bunny as it discovers a blue egg and begins to wonder about all the wonderful things that might be inside. With colorful illustrations from Caldecott Medalist Leonard Weisgard, and a playful and endearing text by the legendary Margaret Wise Brown, *The Golden Egg Book* is a perfect for the littlest of hands.

**Let's Hatch Chicks!** W.B. Saunders Company

Set in the mythical town of Sovereign, Maine, *Hens and Chickens* follows the story of two women downsized by corporate America who move to Maine to raise chickens and sell organic eggs --and discover more than they bargained for, including romance. The first in a three-novel series.

[Fox and Hen Together](#) Golden Books

Why did the chicken cross the road? To follow you home! Learn all about a not-so-basic bird in this delightful nonfiction picture book. What's that? A chicken followed you home? Now what do you do? Celebrated author-illustrator Robin Page leads a step-by-step, question-and-answer-style journey through the world of chickens. Along the way you'll explore different breeds, discover different types of coops, and learn everything there is to know about chicken reproduction and hatching. Gorgeous, playful, and filled with facts, this engaging nonfiction picture book shines new light on a very familiar fowl!

[The Hoboken Chicken Emergency](#) Tundra Books

A pictorial introduction to the different animals that lay eggs.

**Chick** FriesenPress

After falling out of Farmer's truck, Chicken must find his own way home in this goofy, laugh-out-loud story about overcoming obstacles and believing in yourself. It has not been a good day for Chicken. He went to the fair with Farmer, but didn't win even one ribbon. And on the way home, the road is so bumpy that Farmer's truck knocks Chicken right out! He's been left behind! It's the end for Chicken. Surely, he can't walk all the way home. Or avoid the hungry fox along the way. Or maybe...he can? This rollicking picture book will have little ones in giggles over Chicken's misadventures and chiming in on the plucky fowl's mantra "I am a strong and powerful and nice-looking chicken!" as he achieves more than he thought possible. *Backyard Chickens* Holiday House

**Hens and Chickens** Simon and Schuster  
It is against the law in Brooklyn, New York, for donkeys to sleep in bathtubs. In Idaho you are not allowed to fish while sitting on a giraffe. In California you must not keep slugs as pets. Yes, it's the law—says so right on the state or city books. Some of the most ludicrous laws in the history of

our country come to light in this funny and fascinating book for young citizens . . . citizens who have a special appreciation for the tyranny of silly rules.

**Tastes Like Chicken: A History of America's Favorite Bird** Dutton Juvenile  
All in step with wing in wing . . . Chicks can conquer anything! Nerdy Chick has been waiting all day for the Rocket Club meeting. But when she gets there, she finds a disturbing sign tacked to the door: "NO CHICKS ALLOWED!!!" Puzzled, then baffled, then just plain mad, Nerdy Chick sets out to change the rules. Along the way, she meets other chicks who are just like her: passionate and determined. From Soccer Chick to Science Chick and Wordy Chick to Yoga Chick, these chicks aren't willing to take "NO" for an answer. They rally together, march to the barn at the center of town, and—when they hear "NO" once again—chart their own path forward (or, rather, up, up, and away!). A celebration of girl power and community action, *Chicks Rule!* is the playful, diverse, victorious anthem chicks everywhere will love.

**Chickens Aren't the Only Ones** Penguin  
Suzanne McMinn, a former romance writer and founder of the popular blog

[chickensintheroad.com](http://chickensintheroad.com), shares the story of her search to lead a life of ordinary splendor in *Chickens in the Road*, her inspiring and funny memoir. Craving a life that would connect her to the earth and her family roots, McMinn packed up her three kids, left her husband and her sterile suburban existence behind, and moved to rural West Virginia. Amid the rough landscape and beauty of this rural mountain country, she pursues a natural lifestyle filled with chickens, goats, sheep—and no pizza delivery. With her new life comes an unexpected new love—"52," a man as beguiling and enigmatic as his nickname—a turbulent romance that reminds her that peace and fulfillment can be found in the wake of heartbreak. Coping with formidable challenges, including raising a trio of teenagers, milking stubborn cows, being snowed in with no heat, and making her own butter, McMinn realizes that she's living a forty-something's coming-of-age story. As she dares to become self-reliant and embrace her independence, she reminds us that life is a bold adventure—if we're willing to live it. *Chickens in the Road* includes more than 20 recipes, craft projects, and McMinn's photography, and features a special two-color design.
