Italian For Dummies
 Pons GmbH
 'Latin is "it", the most wonderful "thing". It is mind-enhancing, character-improving, enthralling, exciting, deeply satisfying, and valuable. My solid determination is to spare no pains to do it the justice that its importance demands.'
 Mr Gwynne, author of the Sunday Times bestselling phenomenon Gwynne's Grammar, is just as emphatic about the importance of Latin as he is about the

importance of grammar. From the novice to the more well-versed, Gwynne's Latin is essential for anyone interested in learning Latin; Mr Gwynne promises to teach you more Latin in half an hour than you would learn from years of being taught Latin at school. He also includes a fascinating section on everyday Latin usage, which discusses all the Latin words and idioms we still use today, such as 'quid pro quo' and 'sui generis'. Though we need no further convincing - as we know, Mr Gwynne is never wrong - here are just some of the many reasons why Latin is utterly wonderful: - Latin is an academic subject easy enough for the least intelligent of us to grasp all the

basic elements of, and yet difficult enough to be demanding for its greatest scholars. - For well over a thousand years it was the means of communication that united the whole of Europe culturally and in every other significant way. - It is the direct ancestor of, between them, the five most widely-spoken European languages, and both of the official South American languages. - It is the ancestor and source of more than half of the English language, partly directly and partly through French, which for some centuries was England's official language. Following in the same beautifully designed footsteps of Gwynne's Grammar, Gwynne's Latin will teach you all the

fundamentals of Latin quickly, thoroughly and better than all the competition.

Hurry Berlitz in 30 Days

"A debut story collection of the rarest kind ... you wish that every single entry could be an entire novel."

—Entertainment Weekly Fresh, intimate stories of women's lives from an extraordinary new literary voice, laying bare the unexpected beauty and irony in contemporary life
A college freshman, traveling home, strikes up an odd, ephemeral friendship with the couple next to her on the plane. A mother prepares for her son's wedding, her own life unraveling as his comes together. A long-lost stepbrother's visit to New York prompts a family's reckoning with its old taboos. A wife

considers the secrets her marriage once contained. An office worker, exhausted by the ambitions of the men around her, emerges into a gridlocked city one afternoon to make a decision. In these eleven powerful stories, thrilling desire and melancholic yearning animate women's lives, from the brink of adulthood to the labyrinthine path between twenty and thirty, to middle age, when certain possibilities quietly elapse. Tender, lucid, and piercingly funny, *Objects of Desire* is a collection pulsing with subtle drama, rich with unforgettable scenes, and alive with moments of recognition each more startling than the last—a spellbinding

debut that announces a major talent. Translation in Second Language Learning and Teaching
