## HUERTA WOODARD

[Land Use, Land-use Change, and Forestry](#) Wings  
 Extreme weather and climate events, interacting with exposed and vulnerable human and natural systems, can lead to disasters. This Special Report explores the social as well as physical dimensions of weather- and climate-related disasters, considering opportunities for managing risks at local to international scales. SREX was approved and accepted by the Intergovernmental Panel on Climate Change (IPCC) on 18 November 2011 in Kampala, Uganda.

Zero-day vulnerabilities--software vulnerabilities for which no patch or fix has been publicly released-- and their exploits are useful in cyber operations--whether by criminals, militaries, or governments--as well as in defensive and academic settings. This report provides findings from real-world zero-day vulnerability and exploit data that could augment conventional proxy examples and expert opinion, complement current efforts to create a framework for deciding whether to disclose or retain a cache of zero-day vulnerabilities and exploits, inform ongoing policy debates regarding stockpiling and vulnerability disclosure, and add extra context for those examining the implications and resulting liability of attacks and data breaches for U.S. consumers, companies, insurers, and for the civil justice system broadly. The authors provide insights about the zero-day vulnerability research and exploit development industry; give information on what proportion of zero-day vulnerabilities are alive (undisclosed), dead (known), or somewhere in between; and establish some baseline metrics regarding the average lifespan of zero-day vulnerabilities, the likelihood of another party discovering a vulnerability within a given time period, and the time and costs involved in developing an exploit for a zero-day vulnerability"--Publisher's description.

**Key Figures in Medieval Europe** HarperCollins

THE INTERNATIONAL BESTSELLER AND DECEMBER PICK FOR REESE WITHERSPOON'S HELLO SUNSHINE BOOK CLUB Featuring a sneak peek at Liv Constantine's second novel, THE LAST TIME I SAW YOU "Filled with envy, deception, and power, it's a great reading escape. And there is a thrilling twist at the end!!" —Reese Witherspoon "Will keep you up. In a 'can't put it down' way. It's 'The Talented Mr. Ripley' with XX chromosomes."—The Skimm "Deliciously duplicitous. . . . equally as twisty, spellbinding, and addictive as Gillian Flynn's Gone Girl or Paula Hawkins's The Girl on the Train."—Library Journal (starred review) Amber Patterson is fed up. She's tired of being a nobody: a plain, invisible woman who blends into the background. She deserves more—a life of money and power like the one blond-haired, blue-eyed goddess Daphne Parrish takes for granted. To everyone in the exclusive

town of Bishops Harbor, Connecticut, Daphne—a socialite and philanthropist—and her real-estate mogul husband, Jackson, are a couple straight out of a fairy tale. Amber's envy could eat her alive . . . if she didn't have a plan. Amber uses Daphne's compassion and caring to insinuate herself into the family's life—the first step in a meticulous scheme to undermine her. Before long, Amber is Daphne's closest confidante, traveling to Europe with the Parrishes and their lovely young daughters, and growing closer to Jackson. But a skeleton from her past may undermine everything that Amber has worked towards, and if it is discovered, her well-laid plan may fall to pieces. With shocking turns and dark secrets that will keep you guessing until the very end, *The Last Mrs. Parrish* is a fresh, juicy, and utterly addictive thriller from a diabolically imaginative talent.

**Dimensional Psychopathology** Springer

Rabindranath Tagore, also written Rabindranatha Thakura, (7 May 1861 - 7 August 1941), sobriquet Gurudev, was a Bengali polymath who reshaped Bengali literature and music, as well as Indian art with Contextual Modernism in the late 19th and early 20th centuries. Author of *Gitanjali* and its "profoundly sensitive, fresh and beautiful verse", he became the first non-European to win the Nobel Prize in Literature in 1913. In translation his poetry was viewed as spiritual and mercurial; however, his "elegant prose and magical poetry remain largely unknown outside Bengal. Tagore introduced new prose and verse forms and the use of colloquial language into Bengali literature, thereby freeing it from traditional models based on classical Sanskrit. He was highly influential in introducing the best of Indian culture to the West and vice versa, and he is generally regarded as the outstanding creative artist of the modern Indian subcontinent, being highly commemorated in India and Bangladesh, as well as in Sri Lanka, Nepal and Pakistan.

*Kitāb al-Saqīfa* of Sulaym ibn Qays al-Hilālī, which is purportedly the oldest surviving Shī'ite (and Islamic) ḥadīth collection, is a

Twelver Shī'ite text that is drenched in controversy today. Its controversy, for the most part, stems from its embodiment of an alternative Rāfiḍite rendition of the historical events following the Prophet's death, most notably, the purported assault on his daughter, Fāṭima. The controversy surrounding *Kitāb Sulaym ibn Qays* and its origins is not confined to the realms of Sunnī-Shī'ite polemical disputes. Rather, the book was initially criticized by some medieval Twelver authorities, who casted doubts on its integrity and/or authenticity. Despite the past criticism it had received, the book today is championed in many Twelver Shī'ite institutions and circles as an authoritative document that can be verifiably traced to the first century of Islam, hence granting it great significance and importance in many circles. This book provides an exposition of this Twelver Shī'ite document with a detailed analysis of its transmission and historicity in an attempt to discern its origins. Though *Kitāb Sulaym* is not the be-all and end-all of Shī'ite historiography surrounding the purported tragedy of Fāṭima, it is, more or less, an important pillar of the narrative, and discerning the book's origins will prove to be a milestone in untangling this historical narrative.

HarperCollins Leadership

From emperors and queens to artists and world travelers, from popes and scholars to saints and heretics, *Key Figures in Medieval Europe* brings together in one volume the most important people who lived in medieval Europe between 500 and 1500. Gathered from the biographical entries from the on-going series, the *Routledge Encyclopedias of the Middle Ages*, these A-Z biographical entries discuss the lives of over 575 individuals who have had a historical impact in such areas as politics, religion, or the arts. Individuals from places such as medieval England, France, Germany, Iberia, Italy, and Scandinavia are included as well as those from the Jewish and Islamic worlds. A thematic outline is included that lists people not only by categories, but also by regions. For a full list of entries, contributors, and more, visit the *Routledge Encyclopedias of the Middle Ages* website. *Index of Wills Proved in the Prerogative Court of Canterbury ...* Zubaan

The incredible story of the Auschwitz-Birkenau tattooist and the woman he loved. Lale Sokolov is well-dressed, a charmer, a ladies' man. He is also a Jew. On the first transport of men from Slovakia to Auschwitz in 1942, Lale immediately stands out to his fellow prisoners. In the camp, he is looked up to, looked out for, and put to work in the privileged position of Tatowierer - the tattooist - to mark his fellow prisoners, forever. One of them is a young woman, Gita, who steals his heart at first glance. His life given new purpose, Lale does his best through the struggle and suffering to use his position for good. This story, full of beauty and hope, is based on years of interviews author Heather Morris conducted with real-life Holocaust survivor and Auschwitz-

Birkenau tattooist Ludwig (Lale) Sokolov. It is heart-wrenching, illuminating, and unforgettable. 'Morris climbs into the dark miasma of war and emerges with an extraordinary tale of the power of love' - Leah Kaminsky

"...compulsively readable historical fiction...[a] powerful novel about unusual women facing sometimes insurmountable odds with grace, grit, love and tenacity." - Kristin Hannah, The Washington Post Named one of best books of the year by Marie Claire and Bookbub "If you enjoyed "The Tattooist of Auschwitz," read "The Huntress," by Kate Quinn." The Washington Post From the author of the New York Times and USA Today bestselling novel, THE ALICE NETWORK, comes another fascinating historical novel about a battle-haunted English journalist and a Russian female bomber pilot who join forces to track the Huntress, a Nazi war criminal gone to ground in America. In the aftermath of war, the hunter becomes the hunted... Bold and fearless, Nina Markova always dreamed of flying. When the Nazis attack the Soviet Union, she risks everything to join the legendary Night Witches, an all-female night bomber regiment wreaking havoc on the invading Germans. When she is stranded behind enemy lines, Nina becomes the prey of a lethal Nazi murderess known as the Huntress, and only Nina's bravery and cunning will keep her alive. Transformed by the horrors he witnessed from Omaha Beach to the Nuremberg Trials, British war correspondent Ian Graham has become a Nazi hunter. Yet one target eludes him: a vicious

predator known as the Huntress. To find her, the fierce, disciplined investigator joins forces with the only witness to escape the Huntress alive: the brazen, cocksure Nina. But a shared secret could derail their mission unless Ian and Nina force themselves to confront it. Growing up in post-war Boston, seventeen-year-old Jordan McBride is determined to become a photographer. When her long-widowed father unexpectedly comes home with a new fiancée, Jordan is thrilled. But there is something disconcerting about the soft-spoken German widow. Certain that danger is lurking, Jordan begins to delve into her new stepmother's past—only to discover that there are mysteries buried deep in her family . . . secrets that may threaten all Jordan holds dear. In this immersive, heart-wrenching story, Kate Quinn illuminates the consequences of war on individual lives, and the price we pay to seek justice and truth.

motivation for writing these works; its purpose; the role of the author; patrons and audiences; the choice of language; the place of historical writing in the debate over the suitability of Persian for scholarly writing.

[Folktales of Angola](#) Simon and Schuster

The early Abbasid Caliphate was an important period for Islam.

The dynasty, based in Baghdad, ruled over a vast Empire, stretching from the Indus Valley and Southern Russia to the East to Tunisia in the West; and presided over an age of brilliant cultural achievements. This study, first published in 1981, examines the Abbasid Caliphs from their coming to power in 750 AD, to the death of the Caliph al-Ma'mun in 833 AD, when the period of Turkish domination began. It looks at the political history of the period, and also considers the social and economic factors, showing how they developed and influenced political life. The work is designed as a unique introduction to the period, and will prove invaluable to all students involved with Islamic, Byzantine and Mediterranean history and culture.
