"One of the most enjoyable marriages of the fantasy and mystery genres on the shelves," (Cinescape) the Dresden Files have become synonymous with action-packed urban fantasy and nonstop fun. Fool Moon continues the adventures of Jim Butcher's most famous—and infamous—reluctant hero... You'd think there'd be a little more action for the only professional wizard listed in the Chicago phone book. But lately, Harry Dresden hasn't been able to dredge up any kind of work: magical, mundane, or menial. Just when it looks like he can't afford his next meal, a murder comes along that requires his particular brand of supernatural expertise. There's a brutally mutilated corpse, and monstrous animal markings at the scene. Not to

mention that the killing took place on the night of a full moon. Harry knows exactly where this case is headed. Take three guesses—and the first two don't count...

Cthulhu Confidential drops your hero into the noir nightscape of hardboiled-era Los Angeles, New York or Washington, DC. Meet powerbrokers and politicians, rub shoulders with Hollywood

studio bosses and fiery evangelists. Face narrow-eyed G-Men, bent cops and dangerous crime lords. Choose one of three heroes with their own settings and adventures: Langston Wright is an African-American war veteran and scholar in WW2-era DC with a keen intellect. Dex Raymond is a hard-boiled private detective in 1930s Los Angeles with a nose for trouble. And Vivian Sinclair is The New York Herald's most determined scoop-hound. Each is a lone investigator, equipped with smarts, fists, and just maybe a code of honor, uncovering their town's secret truths. But what happens when you scratch the veneer of human malfeasance to reveal an eternal evil—the malignant, cosmic indifference of HP Lovecraft's Cthulhu Mythos? Made in the U.S.

"There's more to writing a successful fantasy story than building a unique world or inventing a new type of magic. From the writing of strong, action-packed scenes to the creation of dynamic, multi-dimensional characters, fantasy author Deborah Chester guides novices and intermediate writers through a step-by-step process of story construction. Whether offering tips on how to test a plot premise or survive what she calls the dark dismal middle, Chester shares the techniques she uses in writing her own novels.

Examples drawn from both traditional and urban fantasy illustrate her nuts-and-bolts approach to elemental story design. With a foreword by New York Times best-selling author Jim Butcher, who studied writing in Chester's classes at the University of Oklahoma, The fantasy fiction formula delivers a practical, proven approach to writing fantasy like a pro."--Publisher's description.
