The Merchant of Venice
Workbook for ICSE
Students Ravinder Singh
and sons

The author of the critically admired, award-winning *A Replacement Life* turns to a different kind of story—an evocative, nuanced portrait of marriage and family, a woman reckoning with what she’s given up to make both work, and the universal question of how we reconcile who we are and whom the world wants us to be. Maya Shulman and Alex Rubin met in 1992, when she was a Ukrainian exchange student with “a devil in [her] head” about becoming a chef instead of a medical worker, and he the coddled son of Russian immigrants wanting to toe the water of a less predictable life. Twenty years later, Maya Rubin is a medical worker in suburban New Jersey, and Alex his father’s second in the family business. The great dislocation of their lives is their eight-year-old son Max—adopted from two teenagers in Montana

despite Alex’s view that “adopted children are second-class.” At once a salvation and a mystery to his parents—with whom Max’s biological mother left the child with the cryptic exhortation “don’t let my baby do rodeo”—Max suddenly turns feral, consorting with wild animals, eating grass, and running away to sit face down in a river. Searching for answers, Maya convinces Alex to embark on a cross-country trip to Montana to track down Max’s birth parents—the first drive west of New Jersey of their American lives. But it’s Maya who’s illuminated by the journey, her own erstwhile wildness summoned for a reckoning by the unsparing landscape, with seismic consequences for herself and her family. *Don’t Let My Baby Do Rodeo* is a novel about the mystery of inheritance and what exactly it means to belong. *Shylock* Independently Published
Alice Spencer Hoffman's adaptation of Shakespeare's classic play, *The Merchant of Venice*, takes readers on a journey through love, betrayal, and greed. Hoffman's lively prose and clever storytelling bring

the story to life, making it accessible to readers of all ages and backgrounds. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

[Plays]; Spark Publishing Group

Man Booker Prize-winner Howard Jacobson brings his singular brilliance to this modern re-imagining of one of Shakespeare’s most unforgettable characters: Shylock Winter, a cemetery, Shylock. In this provocative and profound interpretation of *The Merchant of Venice*, Shylock is juxtaposed

against his present-day counterpart in the character of art dealer and conflicted father Simon Strulovitch. With characteristic irony, Jacobson presents Shylock as a man of incisive wit and passion, concerned still with questions of identity, parenthood, anti-Semitism and revenge. While Strulovich struggles to reconcile himself to his daughter Beatrice's "betrayal" of her family and heritage—as she is carried away by the excitement of Manchester high society, and into the arms of a footballer notorious for giving a Nazi salute on the field—Shylock alternates grief for his beloved wife with rage against his own daughter's rejection of her Jewish upbringing. Culminating in a shocking twist on Shylock's demand for the infamous pound of flesh, Jacobson's insightful retelling examines contemporary, acutely relevant questions of Jewish identity while maintaining a poignant sympathy for its characters and a genuine spiritual kinship with its antecedent—a drama which Jacobson himself considers to be "the most troubling of Shakespeare's plays for anyone, but, for an

English novelist who happens to be Jewish, also the most challenging."

The Comedies The Merchant of VeniceThe Merchant of Venice Workbook for ICSE Students

By skillfully weaving his own prose with Shakespeare's language, Leon Garfield has refashioned twelve of the Elizabethan playwright's most memorable dramas into stories, capturing all the richness of the characters, plot, mood, and setting. This format will delight both those who know the great dramatist's works and those who are new to them. Michael Foreman's dramatic color illustrations and varied black-and-white line drawings are the perfect complement to this celebration of Shakespeare's genius.

A celebration of the life and works of William Blake.

Merchant of Venice (Folger Ed.) Allied Publishers

Christopher Marlowe wrote *The Jew of Malta* at the height of his career, and it remained popular until England's theaters were closed by Parliament in 1642. Many have critiqued it for its portrayal of Elizabethan antisemitism, but others argue that Marlowe criticizes Judaism, Islam, and Christianity equally for their hypocrisy. This antisemitism debate continues on to Shakespeare's *The Merchant of Venice*, which was written about ten years later and which some consider to be directly influenced by *The Jew of Malta*. The play focuses on a wealthy Jewish merchant named Barabas who lives on the island of Malta. When the island's governor strips Barabas of all his wealth in order to pay off the invading Turks, Barabas plots and schemes to get his revenge, killing all who get in his way and ultimately pitting Spanish Christians against Ottoman Muslims in an attempt to punish them

all. Scholars dispute the authorship of the play, with some suggesting that the last half was written by a different author. Though the play is known to have been performed as early as 1594, the earliest surviving print edition is from 1633, which includes a prologue and epilogue written by another playwright for a planned revival. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Shakespeare Stories Cliffs Notes
 In *Blood Relations*' Janet Adelman confronts her resistance to *The Merchant of Venice* as both a critic and a Jew. With her distinctive psychological acumen' she argues that Shakespeares play frames the uneasy relationship between Christian and Jew specifically in familial terms in order to recapitulate the vexed familial relationship between Christianity and Judaism. Adelman locates the promise - threat - of Jewish conversion as a

particular site of tension in the play. Drawing on a variety of cultural materials' she demonstrates that' despite the triumph of its Christians' *The Merchant of Venice* reflects Christian anxiety and guilt about its simultaneous dependence on and disavowal of Judaism. In this startling psycho - theological analysis' both the insistence that Shylocks daughter Jessica remain racially bound to her father after her conversion and the depiction of Shylock as a bloody - minded monster are understood as antidotes to Christian uneasiness about a Judaism it can neither own

nor disown. In taking seriously the religious discourse of *The Merchant of Venice*' Adelman offers in *Blood Relations* an indispensable book on the play and on the fascinating question of Jews and Judaism in Renaissance England and beyond.
