challenging design, construction, and operational issues. Tunnels that are not adequately maintained usually require more costly and extensive repairs. To help safeguard tunnel users and to ensure reliable levels of service, the FHWA developed the National Tunnel Inspection Standards (NTIS), the Tunnel Operations Maintenance Inspection and Evaluation (TOMIE) Manual, and the Specifications for National Tunnel Inventory (SNTI). In 2003, Trent Parke began a road trip around his native Australia, a monumental journey that was to last two years and cover a distance of over 90,000 km. Minutes to Midnight is the ambitious photographic record of that adventure, in which Parke presents a proud but uneasy nation struggling to craft its identity from different cultures and traditions. Minutes to Midnight merges traditional documentary techniques and imagination to create a dark visual narrative portraying Australia with a mix of nostalgia, romanticism and brooding realism. This is not a record of the physical landscape but of an emotional one. It is a story of human anxiety and intensity which, although told from Australia, represents a universal human condition in the world today.

Wisconsin Handbook for School Bus Drivers

Before you can fly, you have to be free. A new edition of the phenomenal international bestseller. From bitter poverty to the stardom of the West - this is the extraordinary true story of one

boy's great courage and determination. In a small, desperately poor village in north-east China, a young peasant boy sits at his rickety old school desk, more interested in the birds outside than in Chairman Mao's Red Book and the grand words it contains. But that day, some strange men come to his school - Madame Mao's cultural delegates. They are looking for young peasants to mould into faithful guards of Chairman Mao's great vision for China. This is the true story of how that one moment in time, by the thinnest thread of a chance, changed the course of a small boy's life in ways that are beyond description. One day he would dance with some of the greatest ballet companies of the world. One day he would be a friend to a president and first lady, movie stars and the most influential people in America. One day he would become a star: Mao's last dancer, and the darling of the West. Since its release in 2003, *Mao's Last Dancer* has sold all around the world and been made into a major motion picture. Like millions of other peasants' lives, it was a story that nearly vanished amidst revolution and chaos. It's a story of courage, a mother's love, a young boy's longing for freedom - a beautiful, rich account of an inspirational life, told with honesty, dignity and pride.
