This guide describes twenty high-altitude treks of 2-9 days in the mountains of Tajikistan, covering the Fann Mountains, Pamirs and northern ranges, plus five day hikes near the capital, Dushanbe, and a 10-day trek in the Afghan Wakhan Corridor. As well as detailed route description and 1:100,000 mapping for each trek, there is a wealth of practical advice on transport and visas, trekking support, equipment, cultural awareness, safety and security, as well as background notes on history, flora and fauna and a Tajik-Russian-Pamiri-English glossary. The guide can be used either to plan an independent trek or to select, prepare for and enhance an organised expedition. Known as 'the Roof of the World', Tajikistan is one of the most mountainous countries on Earth, with 93% of its landmass considered mountainous territory. This is where the mighty Himalaya meet the Tian Shan, Karakoram and Hindu Kush, and a centuries-old network of trails criss-crosses the remote terrain, linking isolated villages and shepherds' camps. Although infrastructure is fragile and tourism in its infancy, this Central Asian nation presents some outstanding opportunities for the adventurous trekker. The hand-picked routes showcase Tajikistan's breathtaking landscapes of lofty snow-capped peaks, turquoise lakes and sweeping high-altitude plateaus. Trekking here is also a rich cultural experience: in addition to wild camping, many of the treks include the opportunity to experience the fascinating local culture and warm hospitality in a traditional homestay, meeting those who call this remote wilderness home. This guide will be your companion to discovering Tajikistan, a country with so much to offer and one of Central Asia's best kept secrets.

Father and Son is one of the most beloved comic strips ever drawn—an uproarious, timeless ode to the pleasures, pitfalls, and endless absurdity of family life. *Father and Son* is a slyly heartwarming, dizzyingly inventive classic in the tradition of Calvin and Hobbes and *The Simpsons*. Created in 1934 by the German political cartoonist Erich Ohser (using the pseudonym E.O. Plauen after being blacklisted for his opposition to the Nazi regime), the gruff, loving, mustachioed father and his sweet but troublemaking son embark on adventures both everyday and extraordinary: family photoshoots and summer vacations, shipwrecks and battles with gangsters, a Christmas feast with forest animals and a trip to the zoo. Drawn almost entirely without dialogue, the strips overflow with slapstick, fantasy, and anarchic visual puns. *Father and Son* remains an uproarious, timeless ode to the pleasures, pitfalls, and endless absurdity of family life. This NYRC edition is an extra-wide hardcover with raised cover image, and features new English hand-lettering.

A gritty, propulsive debut about a father, a daughter, and the hardest lessons in life. 'If nowhere was safe for her, then the only place he could let her be was with him' Meet Polly: eleven years old and smart beyond her years. But she's a loner, always on the outside, until she is unexpectedly reunited

with her father. Meet Nate: fresh out of jail and driving a stolen car, Nate takes Polly from the safety of her quiet existence into a world of robbery, violence and the constant threat of death. And he does it to save her life. A Lesson in Violence is a gripping and emotionally wrenching novel that upends even our most long-held expectations about heroes, villains and victims. Nate takes Polly to save her life, but in the end it may very well be Polly who saves him. 'One of the best debuts I've ever read. Beautifully and lyrically written, it's like a perfect song you hear for the first time and feel like you've always known it. It's an instant classic and if I read a better novel this year I will be amazed' Simon Toyne, author of Sunday Times bestseller Solomon Creed 'An electrifying thriller, a shattering family tragedy, and a pitch-black coming of age story, all rolled into one. The language is searing, the action relentless, the beauty wrenched from ugliness truly astounding--this book will grab you by the throat and hang on tight until you've greedily swallowed every last word....like taking a taser to your heart' Robin Wasserman, author of Girls on Fire 'An exquisitely violent father-daughter story, burns bright and fast. I kept waiting for the inevitable slow-down, but it never came. An extremely impressive debut' Peter Swanson, author of Sunday Times bestseller The Kind Worth Killing 'In Polly McClusky, the eleven-year-old girl at the heart of his darkly irresistible debut novel, Jordan Harper gives us a hero for our times. With shades of Mattie Ross but an intelligence and fervor all her own, she is unforgettable' Megan Abbott, author of You Will Know Me 'Has more kicks than any crime fiction out there, sure, but it's also got a heart that'll keep you up nights, slapping your head and pacing. Don't try to tell me this is a debut novel; I won't hear anything but Jordan Harper's a master' Benjamin Whitmer, author of Cry Father 'Confident, brutal, but always human, it's a violent parable of family and sacrifice. The best debut novel that I've read this year' Johnny Shaw, Anthony Award-winning author of Big Maria 'A dark, original take on the chase novel and a strangely touching portrait of a father-daughter relationship framed in barbed wire' Booklist (starred review) 'Visceral' Publishers Weekly (starred review) 'The characters' loyalty, love, and struggle for redemption grip the reader and don't let go' Kirkus **A LESSON IN VIOLENCE is published in the US as SHE RIDES SHOTGUN**

Joshua Then and Now is about Joshua Shapiro today, and the Joshua he was. His father a boxer turned honest crook, his mother an erotic dancer whose greatest performance was at Joshua's bar mitzvah, Joshua has overcome his inauspicious beginnings in the Jewish ghetto of Montreal to become a celebrated television writer and a successful journalist. But Joshua, now middle-aged, is not a happy man. Incapacitated by a freak accident, anguished by the disappearance of his WASP wife, and caught up in a sex scandal, Joshua is besieged by the press and tormented by the ghosts of his youth. Set in Montreal, the novel chronicles the rocky journey we all make between the countries of the past and the present. Raucous, opinionated, tender, *Joshua Then and Now* is a memorable excursion into Mordecai Richler's comic universe.

“The novels of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily.” —Donna Leon
Montalbano investigates the death of wealthy accountant Barletta in a case involving a string of mistresses and family secrets. Inspector Montalbano enjoys simple pleasures: delicious food, walks along the water, the occasional smoke—yet these are just the backdrop to his duties as a detective. His latest case is the killing of the wealthy Cosimo Barletta. Thought to be a widower living out a quiet life by the sea, Cosimo's sudden death, by gunshot to the neck, opens up his past to scrutiny. What Montalbano uncovers is Cosimo's trove of salacious photographs, used to extort young women, and a history full of greed and corruption. Montalbano, though resolved to find the killer, muses on where justice lies—in his pursuit of a suspect or with one of Cosimo's innumerable victims getting the revenge they deserved?

Father and Son New York Review of Books

Tahir Shah's *The Caliph's House*, describing his first year in Casablanca, was hailed by critics and compared to such travel classics as *A Year in Provence* and *Under the Tuscan Sun*. Now Shah takes us deeper into the heart of this exotic and magical land to uncover mysteries that have been hidden from Western eyes for centuries.... In this entertaining and penetrating book, Tahir sets out on a bold new journey across Morocco that becomes an adventure worthy of the mythical *Arabian Nights*. As he wends his way through the labyrinthine medinas of Fez and Marrakesh, traverses the Sahara sands, and tastes the hospitality of ordinary Moroccans, Tahir collects a dazzling treasury of traditional stories, gleaned from the heritage of *A Thousand and One Nights*. The tales, recounted by a vivid cast of characters, reveal fragments of wisdom and an oriental way of thinking that is both enthralling and fresh. A link in the chain of scholars and teachers who have passed these stories down for centuries like a baton in a relay race, Shah reaches layers of culture that most visitors hardly realize exist, and eventually discovers the story living in his own heart. Along the way he describes the colors, characters, and the passion of Morocco, and comes to understand why it is such an enchanting land. From master masons who labor only at night to Sufi wise men who write for soap operas, and Tuareg guides afflicted by reality TV, *In Arabian Nights* takes us on an unforgettable journey, shining a light on facets of a society that are normally left in darkness.

The introduction of the Porsche 901 in 1963 marked a milestone in automotive history. Although the name later had to be changed because Peugeot had patented having a 0 in the middle of car model numbers, the 911 didn't let anything stand in the way of its becoming an iconic sports car. This success story spans all the way from the 901 and the Carrera RS 2.7 (which with its characteristic rear spoiler--the so-called "ducktail"--was the fastest production car of its time) right up to the current generation of the 991. For the 50th birthday of the populous 911 family, the famous automotive photographer Rene Staud, whose *The Mercedes-Benz 300 SL Book* has also been published by teNeues, showcases the most important models--all in his typically radiant and distinctive style.

A Nest of Vipers Penguin

From the author of *The BFG*, *Matilda*, *James and the Giant Peach*, *Willy Wonka and the Chocolate Factory*, and many more beloved classics—a whimsical, witty, and revealing collection of the legendary children's author and writer Roald Dahl's letters written to his mother, from early childhood through Dahl's travels to Africa, his career in the Royal Air Force, his work in post-war Washington, D.C., and Hollywood, and the books that made him

a literary star. Roald Dahl penned his first letter to his mother, Sofie Magdalene, when he was just nine years old. The origins of a brilliantly funny, subversive, creative mind were evident in boarding school, and as he entered adulthood, his penchant for storytelling emerged in his missives home from Africa, where he was stationed by Shell Oil, and then the desert camps of the Royal Air Force. His skills were sharpened after a plane crash in Egypt landed him in Washington, D.C., where his cheery letters home were cover for his work in the British Secret Service, along with gossipy updates on his spontaneous rise in Hollywood and his budding New York literary career. His mother was, in many ways, Dahl's first reader, and without her correspondence he might never have become a writer. Sofie Magdalene kept every letter her son wrote to her (sadly, her own side of the correspondence did not survive). It was she who encouraged him to tell stories and nourished his desire to fabricate, exaggerate, and entertain. In these letters, Dahl began practicing his craft, developing the dark sense of humor and fantastical imagination that would later produce his timeless tales. The author of *James and the Giant Peach*, *Charlie and the Chocolate Factory*, *Matilda*, and *The BFG*, Dahl is known by millions the world over today. But, writing candidly to the person who knew him best, Dahl was as singular a character as any he created on paper. Assembled by Dahl's authorized biographer Donald Sturrock, *Love from Boy* is a remarkable collection of never-before-published writing that spans four decades and chronicles the remarkable, unpredictable life of its author. While Dahl's books remain bestselling favorites for all ages, *Love from Boy* provides an unprecedented glimpse of the author through his own eyes—a life punctuated by tragedy, creative stagnation, unexpected fame, and fantastic adventure.

Not even her rules can help her, however, when she's faced with solving a mystery she didn't even know existed . . .
