### ESSENCE TALIAH

*These Precious Days* HarperCollins

Joshua Harris's first book, written when he was only 21, turned the Christian singles scene upside down...and people are still talking. More than 800,000 copies later, *I Kissed Dating Goodbye*, with its inspiring call to sincere love, real purity, and purposeful singleness, remains the benchmark for books on Christian dating. Now, for the first time since its release, the national #1 bestseller has been expanded with new content and updated for new readers. Honest and practical, it challenges cultural assumptions about relationships and provides solid, biblical alternatives to society's norm. Clear, stylish typeset, with user-friendly links to referenced Scripture.

**All the Ways We Said Goodbye** Simon and Schuster

In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, *Goodnight Moon* is a

must for every bookshelf and a time-honored gift for baby showers and other special events.

*The Secret* HarperCollins UK

If you have an ex-wife in your life that is ruining your current marriage and wreaking havoc with your family, read this book. It will give you the answers you need to live a life free of chaos, anger and frustration. *Say Goodbye to Crazy* is one of the few books that addresses how to cope with a hostile, angry ex-wife whose destructive behavior is overlooked by the courts, the society and sometimes, even your own husband. It is a life-saver. ~ Helen Smith, PhD, forensic psychologist and author of *Men on Strike*

*The Long Goodbye* Delta Publishing

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would

introduce her to a remarkable woman—Tom’s brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer’s eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo’s children’s books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz’s Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author’s grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

*Until I Say Good-Bye* Simon and Schuster

**\*\*A heart-rending story about the unique bond between a father and his daughter, for fans of Jojo Moyes, the bestselling author of *Me Before You*.\*\***

**Say Goodbye to Illness (3rd Edition)** Simon and Schuster

"I mean, it's not as if I want a father. I have a father. It's just that I don't know who he is or where he is. But I have one." Ramiro Lopez and Jake Upthegrove don't appear to have much in common. Ram lives in the Mexican-American working-class barrio of El Paso called "Dizzy Land." His brother is sinking into a world of drugs, wreaking havoc in their household. Jake is a rich West Side white boy who has developed a problem managing his anger. An only child, he is a misfit in his mother's shallow and materialistic world. But Ram and Jake do have one thing in common: They are lost boys who have never met their fathers. This sad fact has left both of them undeniably scarred and obsessed with the men who abandoned them. As Jake and Ram overcome their suspicions of each other, they begin to move away from their loner existences and realize that they are capable of reaching out beyond their wounds and the neighborhoods that they grew up in. Their friendship becomes a healing in a world of hurt. San Antonio Express-News wrote, "Benjamin Alire Sáenz exquisitely captures the mood and voice of a community, a culture, and a generation"; that is proven again in this beautifully crafted novel.

**The Last Time We Say Goodbye** Port Townsend : Copper Canyon Press

Written within a cloistered environment to protect sources that have yet to be identified, *TOO LATE TO SAY GOODBYE* is a chilling portrait of two beautiful, successful women whose murders were made to look like suicides. Jenn Corbin appeared to have it all: two little boys, a posh home in the suburbs of Atlanta, and a husband - Dr Bart Corbin, a successful dentist - who was handsome and brilliant. Then, in December 2004, Jenn was found dead with a bullet in her head, apparently by suicide. Only later would detectives learn that another woman in Dr Corbin's past had been found years earlier with nearly the exact same wound to the head, also ruled a suicide. In *TOO LATE TO SAY GOODBYE*, Ann Rule - working in cooperation with victims' families, police investigators, and sources from Georgia to Australia - unravels the now-sensational deaths. What emerges is an incredible tale of jealous rage; of stunning evidence that runs from the steamy to the macabre; and of a fateful, mind-boggling coincidence that appears to have motivated the killings. The definitive unravelling of one of the strangest murder investigations of our time, this is the greatest achievement of a truly great writing career.

*NAET* Delta Publishing

**BOOKER PRIZE WINNER • NATIONAL BESTSELLER •** A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

*What I Talk About When I Talk About Running* Delta Publishing

Getting Pain Relief with the help of NAET Techniques.

**Say Goodbye to Knee Pain** Vintage

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—*The Secret*—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of *The Secret* come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use *The Secret* in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. *The Secret* contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of *The Secret*, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

*Living Pain Free with Acupressure* HarperCollins

**#1 New York Times Bestseller** Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F\*\*k positivity," Mark Manson says. "Let's be honest, shit is f\*\*ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. *The Subtle Art of Not Giving a F\*\*k* is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed

poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f\*\*k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, *The Subtle Art of Not Giving a F\*\*k* is a refreshing slap for a generation to help them lead contented, grounded lives.

*Ten Poems to Say Goodbye* Delta Publishing

In *Ten Poems to Say Goodbye*, the newest addition to the celebrated *Ten Poems* series, Roger Housden continues to highlight the magic of poetry, this time as it relates to personal loss. But while the selected poems in this volume may focus upon loss and grief, they also reflect solace, respite, and joy. A goodbye is an opportunity for kindness, for forgiveness, for intimacy, and ultimately for love and a deepening acceptance of life as it is rather than what it was. Goodbyes can be poignant, sorrowful, sometimes a relief, and—now and then—even an occasion for joy. They are always transitions that, when embraced, can be the door to a new life both for ourselves and for others. In this inspiring and consoling volume, Housden encourages readers to embrace poetry as a way of enabling us to better see and appreciate the beauty of the world around and within us.

*Goodnight Moon* Delta Publishing

After nearly four decades of ministry, Andrew Wommack has discovered some important truths about prayer. His prayer life is much different than it was thirty years ago and the results have dramatically improved! You may be asking many of the same questions Andrew once did. Is prayer my Christian duty? Is prayer primarily about asking God to meet my needs and the needs of others? Is God's answer to my prayer based on the degree of my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him? Clear, scriptural answers to these questions and more could significantly change the way you pray. These principles may not be the only way to pray, but if you're not getting the results you desire, consider changing directions; maybe there is A Better Way to Pray.

**Say Goodbye to Survival Mode** HarperCollins

Dr. Devi S. Nambudripad, developer of Nambudripad's Allergy Elimination Techniques (NAET) and the world renowned holistic allergy specialist exposes the truth behind so many health problems plaguing people today. In her book , Dr. Devi gives a new definition for allergies and a deeper understanding of how our bodies relate to or retreat from the millions of natural and artificial substances around us. And she discloses her fascinating NAET technique, which is curing thousands of people every year of their multiple health problems. How? By tracking down their allergies. Then, through a blend of western and eastern techniques, Dr. Devi treats and beats the allergy.

*NAET* Big Nate

The New York Times bestselling authors of *The Glass Ocean* and *The Forgotten Room* return with a glorious historical adventure that moves from the dark days of two World Wars to the turbulent years of the 1960s, in which three women with bruised hearts find refuge at Paris' legendary Ritz hotel. The heiress . . . The Resistance fighter . . . The widow . . . Three women whose fates are joined by one splendid hotel France, 1914. As war breaks out, Aurelie becomes trapped on the wrong side of the front with her father, Comte Sigismund de Courcelles. When the Germans move into their family's ancestral estate, using it as their headquarters, Aurelie discovers she knows the German Major's aide de camp, Maximilian Von Sternburg. She and the dashing young officer first met during Aurelie's debutante days in Paris. Despite their conflicting loyalties, Aurelie and Max's friendship soon deepens into love, but betrayal will shatter them both, driving Aurelie back to Paris and the Ritz—the home of her estranged American heiress mother, with unexpected consequences. France, 1942. Raised by her indomitable, free-spirited American grandmother in the glamorous Hotel Ritz, Marguerite "Daisy" Villon remains in Paris with her daughter and husband, a Nazi collaborator, after France falls to Hitler. At first reluctant to put herself and her family at risk to assist her grandmother's Resistance efforts, Daisy agrees to act as a courier for a skilled English forger known only as Legrand, who creates identity papers for Resistance members and Jewish refugees. But as Daisy is drawn ever deeper into Legrand's underground network, committing increasingly audacious acts of resistance for the sake of the country—and the man—she holds dear, she uncovers a devastating secret . . . one that will force her to commit the ultimate betrayal, and to confront at last the shocking circumstances of her own family history.

France, 1964. For Barbara "Babs" Langford, her husband, Kit, was the love of her life. Yet their marriage was haunted by a mysterious woman known only as La Fleur. On Kit's death, American lawyer Andrew "Drew" Bowdoin appears at her door. Hired to find a Resistance fighter turned traitor known as "La Fleur," the investigation has led to Kit Langford. Curious to know more about the enigmatic La Fleur, Babs joins Drew in his search, a journey of discovery that takes them to Paris and the Ritz—and to unexpected places of the heart. . . .

*Time to Say Goodbye* Minotaur Books

When summer break brings BIG changes, these BFFs 4EVA may end up saying good-bye 4EVA in the eighth and final book in this popular middle-grade series told entirely in text messages, emojis, and passed notes. Perfect for fans of *Invisible Emmie* and the *Dork Diaries*. TBH, Cece, Prianka, and Gabby thought they'd be together forever. But when Gabby's mom announces she's moving to Texas and a backyard BBQ party gets the friends' blow-out summer off to a rocky start, they end up spending more time apart than together! To be honest, Gabby just wants to get the good-byes over with already. The question is: How can they be BFF 4EVA if everyone goes their separate ways?

*Find a Stranger, Say Goodbye* Harrison House Publishers

Award-winning and best-selling author Lois Lowry explores issues surrounding adoption in this poignant novel. Natalie Armstrong has everything: she's smart and beautiful, has the perfect boyfriend, early acceptance to college, and a loving family. But the summer she turns seventeen, she finally decides to ask some unanswered questions: Who are her biological parents and why did they give her up when she was born? These questions take her on a journey from the deep woods of Maine to the streets of New York City, from the pages of old phone books and a tattered yearbook photo to the realization that she might actually meet her biological mother face-to-face.

*TO LIVE UNTIL WE SAY GOOD BYE* HarperChristian + ORM

THE NEW YORK TIMES BESTSELLER What would you do with one last year? Susan Spencer-Wendel was determined to laugh instead of cry. In June 2011, Susan Spencer-Wendel learned she had amyotrophic lateral sclerosis (ALS) - Lou Gehrig's disease - an irreversible condition that systematically destroys the nerves that power the muscles. She was 44-years-old, with three young children, and she had only one year of health remaining. She decided to live that year with joy. She left her job as a journalist and spent time with her family. She built a meeting place for friends in her backyard. And she took seven trips with the seven most important people in her life. As her health declined, Susan journeyed to the Yukon, Hungary, the Bahamas, and Cyprus. She went to the beach with her sons and to Kleinfeld's bridal shop in New York City with her teenage daughter, Marina, for a glimpse of the wedding she would never attend. She also wrote this book. No longer able to walk or even lift her arms, she tapped it out letter by letter on her iPhone using only her right thumb, the last finger still working. And yet *Until I Say Good-Bye* is not angry or bitter. It is sad in parts - how could it not be? - but it is filled with Susan's optimism, joie de vivre and sens of humour. It is a book that, like Susan, will make everyone smile. From a

hilarious family Christmas disaster to the decrepit monastery in eastern Cyprus where she rediscovered her heritage, *Until I Say Good-Bye* is Susan Spencer-Wendel's unforgettable gift to her loved ones and to us: a record of their final experiences together and a reminder that every day is better when it is lived with joy.

*Still Another Day* HarperCollins

WHY DO YOUR KNEES HURT? WHAT CAN YOU DO ABOUT IT? Going beyond quick fixes, a leading orthopedic surgeon shows you how to stop damaging and start saving your knees, the body's hardest-working and most complex joint. Once you understand the source of your pain, whether from sports or overuse injuries, osteoarthritis, tendinitis, heredity, or a host of other causes -- then you can choose the best up-to-the-minute treatments that are right for you.
