STEPHENS CLINTON

I Walked With Giants St.
Martin's Press
"A timely read. . . .
[Nadelson's] reporting, all
from a personal lens, is
up-to-date. . . . Like
chocolate chips in a
cookie, the book is
studded with delicious
photos old and new."

—Florence Fabricant, New
York Times "A wonderfully
lively, knowledgeable
journey through the past
and present of places that
help make New York City
what it is, and which we
must cherish and
(hopefully) preserve."
—Salman Rushdie New
York might have
Broadway, Times Square,
and the Empire State
Building, but the real
heart and soul of the city

can be found in the iconic
places that have defined
cool since "cool" became
a word. Places like Di
Palo's in Little Italy, where
you might stop in to pick
up a little cheese only to
find yourself in a long
conversation—part
friendly chat, part
profound tutorial—with
fourth-generation owner
Lou Di Palo, sampling
cheeses all the while. Or
Raoul's in SoHo, to enjoy

a classic steak-frites in the company of downtown artists, celebrities, and dyed-in-the-wool locals. Or Minton's Playhouse in Harlem, to be in the room where some young guys named Thelonious, Dizzy, and Charlie invented bebop. Or maybe Russ & Daughters, to pick up the city's best lox and bagels, which they've been selling since 1914. A lifelong New Yorker, writer Reggie Nadelson celebrates her city and all the places that make it special. Part guidebook, part cultural history, part walk down

memory lane, alive with the spirit and the grit of small, often family-owned businesses that have survived the Great Depression, World War II, 9/11, and the coronavirus lockdown, *Marvelous Manhattan* is a seductive and timely book for anyone who lives in New York, loves the city, lived there once, or wishes they had. Because that's the thing about Manhattan: all you need to do is walk into the right place—say, Fanelli's on Prince Street—sit down at the bar, order a drink, open

this book, and suddenly you're a New Yorker. *Heavy Universal Sales & Marketing* Presents intimate and revealing information about the sexual exploits of over two hundred famous individuals of the near and distant past. *Conversations in Jazz* Graywolf Press This first major biography of the most romanticized icon in jazz thrillingly recounts his wild ride. From his emergence in the 1950s--when an uncannily beautiful young man from Oklahoma

appeared on the West Coast to become, seemingly overnight, the prince of "cool" jazz--until his violent, drug-related death in Amsterdam in 1988, Chet Baker lived a life that has become an American myth. Here, drawing on hundreds of interviews and previously untapped sources, James Gavin gives a hair-raising account of the trumpeter's dark journey.

The Outlier

HarperEntertainment
Martin Preib is an officer in the Chicago Police Department—a beat cop

whose first assignment as a rookie policeman was working on the wagon that picks up the dead. Inspired by Preib's daily life on the job, *The Wagon and Other Stories* from the City chronicles the outer and inner lives of both a Chicago cop and the city itself. The book follows Preib as he transports body bags, forges an unlikely connection with his female partner, trains a younger officer, and finds himself among people long forgotten—or rendered invisible—by the

rest of society. Preib recounts how he navigates the tenuous labyrinths of race and class in the urban metropolis, such as a domestic disturbance call involving a gang member and his abused girlfriend or a run-in with a group of drunk yuppies. As he encounters the real and imagined geographies of Chicago, the city reveals itself to be not just a backdrop, but a central force in his narrative of life and death. Preib's accounts, all told in his breathtaking prose, come

alive in ways that readers will long remember.

A Place to Stand Chicago Review Press

Nat Hentoff, renowned jazz critic, civil liberties activist, and fearless contrarian—"I'm a Jewish atheist civil-libertarian pro-lifer"—has lived through much of jazz's history and has known many of jazz's most important figures, often as friend and confidant. Hentoff has been a tireless advocate for the neglected parts of jazz history, including forgotten sidemen and -

women. This volume includes his best recent work—short essays, long interviews, and personal recollections. From Duke Ellington and Louis Armstrong to Ornette Coleman and Quincy Jones, Hentoff brings the jazz greats to life and traces their art to gospel, blues, and many other forms of American music. At the Jazz Band Ball also includes Hentoff's keen, cosmopolitan observations on a wide range of issues. The book shows how jazz and education are a vital

partnership, how free expression is the essence of liberty, and how social justice issues like health care and strong civil rights and liberties keep all the arts—and all members of society—strong.

Paula Deen Penguin
Composer of more than 100 jazz pieces, three-time Grammy nominee, and performer on more than 125 albums, Jimmy Heath has earned a place of honor in the history of jazz. Over his long career, Heath knew many jazz giants such as Charlie

Parker and played with other innovators including John Coltrane, Miles Davis, and especially Dizzy Gillespie. Heath also won their respect and friendship. In this extraordinary autobiography, the legendary Heath creates a “dialogue” with musicians and family members. As in jazz, where improvisation by one performer prompts another to riff on the same theme, I Walked with Giants juxtaposes Heath’s account of his life and career with

recollections from jazz giants about life on the road and making music on the world’s stages. His memories of playing with his equally legendary brothers Percy and Albert (aka “Tootie”) dovetail with their recollections. Heath reminisces about a South Philadelphia home filled with music and a close-knit family that hosted musicians performing in the city’s then thriving jazz scene. Milt Jackson recalls, “I went to their house for dinner...Jimmy’s father put Charlie Parker records

on and told everybody that we had to be quiet till dinner because he had Bird on.... When I [went] to Philly, I’d always go to their house.” Today Heath performs, composes, and works as a music educator and arranger. By turns funny, poignant, and extremely candid, Heath’s story captures the rhythms of a life in jazz. *The Wim Hof Method* University of Chicago Press Following *The Broken Estate*, *The Irresponsible Self*, and *How Fiction Works*—books that

established James Wood as the leading critic of his generation—The Fun Stuff confirms Wood's preeminence, not only as a discerning judge but also as an appreciator of the contemporary novel. In twenty-three passionate, sparkling dispatches—that range over such crucial writers as Thomas Hardy, Leon Tolstoy, Edmund Wilson, and Mikhail Lermontov—Wood offers a panoramic look at the modern novel. He effortlessly connects his encyclopedic, passionate

understanding of the literary canon with an equally in-depth analysis of the most important authors writing today, including Cormac McCarthy, Lydia Davis, Aleksandar Hemon, and Michel Houellebecq. Included in The Fun Stuff are the title essay on Keith Moon and the lost joys of drumming—which was a finalist for last year's National Magazine Awards—as well as Wood's essay on George Orwell, which Christopher Hitchens selected for the Best American Essays

2010. The Fun Stuff is indispensable reading for anyone who cares about contemporary literature. *At the Jazz Band Ball* RIDER NAMED ONE OF THE BEST CHILDREN'S BOOKS OF THE YEAR BY THE NEW YORK TIMES The story of a girl who rides an ostrich straight to her dreams from the award-winning writer and librarian Betsy Bird, illustrated by Caldecott Medalist David Small. "[A] charming, wacky novel." —The New York Times Twelve-year-old Suzy Bowles is tired of summers filled with

chores on her family farm in Burr Oak, Michigan, and desperate to see the world. When her wayward uncle moves back home to the farm, only to skip his chores every morning for mysterious reasons, Suzy decides to find out what he's up to once and for all. And that's when she meets legendary former circus queen Madame Marantette and her ostriches. Before long, Suzy finds herself caught-up in the fast-paced, hilarious world of ostrich riding, a rollicking adventure that just might

be her ticket out of Burr Oak. "Beautifully told by one of our best librarians." —Jon Scieszka, First National Ambassador of Young People's Literature

This cookbook features more than 90 delicious recipes and dozens of helpful tips to help combat migraine symptoms through diet and lifestyle. From healthy living blogger and creator of TheDizzyCook.com, Alicia Wolf, comes the must-

have cookbook for anyone managing migraines, as well as anyone who just loves to create delectable yet diet-friendly dishes. Author Alicia Wolf developed her recipes using the principles of Johns Hopkins neurologist David Buchholz's "Heal Your Headache" diet, one of the most recommended plans by health practitioners for treating migraines through diet. In this book, Alicia adds her own unique spin to the migraine diet, creating recipes that are both helpful and delicious.

Inside the book you'll find:
 Ideas for every meal of
 the day Tips on how to
 get started The best
 supplements for migraine
 prevention and treatment
 Common substitutions
 Travel tips Meal plans And
 other indispensable
 resources Learn to make
 Alicia's famous blueberry
 muffins, smoky carrot
 hummus, salsa verde
 chicken enchiladas,
 roasted curry cauliflower,
 chewy ginger cookies, and
 so much more. The Dizzy
 Cook will inspire you to
 explore the infinite
 possibilities for healthy,

appetizing, migraine-safe
 comfort foods.

Reports Harry N. Abrams
 During his nearly forty
 years as a music

journalist, Ralph J. Gleason recorded many in-depth interviews with some of the greatest jazz musicians of all time. These informal sessions, conducted mostly in Gleason's Berkeley, California, home, have never been transcribed and published in full until now. This remarkable volume, a must-read for any jazz fan, serious musician, or musicologist, reveals fascinating, little-known details about these gifted artists, their lives, their personas, and, of course, their music. Bill

Evans discusses his battle with severe depression, while John Coltrane talks about McCoy Tyner's integral role in shaping the sound of the Coltrane quartet, praising the pianist enthusiastically. Included also are interviews with Dizzy Gillespie, Sonny Rollins, Quincy Jones, Jon Hendricks, and the immortal Duke Ellington, plus seven more of the most notable names in twentieth-century jazz. Jimmy & Me Crown "Spufford cunningly maps out a literary genre of his

own . . . Freewheeling and fabulous." —The Times (London) Strange as it may seem, the gray, oppressive USSR was founded on a fairy tale. It was built on the twentieth-century magic called "the planned economy," which was going to gush forth an abundance of good things that the lands of capitalism could never match. And just for a little while, in the heady years of the late 1950s, the magic seemed to be working. Red Plenty is about that moment in

history, and how it came, and how it went away; about the brief era when, under the rash leadership of Khrushchev, the Soviet Union looked forward to a future of rich communists and envious capitalists, when Moscow would out-glimmer Manhattan and every Lada would be better engineered than a Porsche. It's about the scientists who did their genuinely brilliant best to make the dream come true, to give the tyranny its happy ending. Red Plenty is history, it's fiction, it's as ambitious as

Sputnik, as uncompromising as an Aeroflot flight attendant, and as different from what you were expecting as a glass of Soviet champagne.

The Wagon and Other Stories from the City
Macmillan + ORM

There have been over 200 books written about James Dean over the years since his tragic car crash. It seems everyone has remembered, reminisced, examined, re-examined, defied and worshipped James Dean. To one man, however, the modern

interpretations of James Dean ring hollow. For him, James Dean is not a mythical figure, but a living memory. This one man has never shared his story - until now: Lew Bracker, James Dean's closest friend. *Jimmy And Me: A Personal Memoir of James Dean* is a very personal narrative of a friendship that began with young men talking of girls, old movies and cool cars. Its abrupt interruption will break your heart. Many of the events and conversations in this book have never

been shared or published before. You will laugh and you will cry. This book is not just a must-read for those having an interest in James Dean or for those curious about the real James Dean as told by the friend who knew him best. This is a compelling, brave and straightforward telling of a close friendship where the author paints a magnificent portrait of his friend, James Dean.

The Dizzy Cook Temple University Press

A long time ago, when I was a young dancer in

New York City, I fell in love with Jimmy Dean and he fell in love with me. So begins this beguiling memoir of Liz "Dizzy" Sheridan's passionate yet ill-fated romance with the young, magnetic, soon-to-be-supernova James Dean. The year was 1951. Dean had recently arrived in Manhattan in search of Broadway stardom. Sheridan was a tall, graceful aspiring dancer. They met one rainy afternoon in the parlor of the Rehearsal Club, a chaperoned boardinghouse for young

actresses -- and before long Dizzy and Jimmy were inseparable. Together they hunted for jobs, haunted all-night bars and diners, and gloried in the innocent rebellion of early-'50s bohemian New York. Dizzy Sheridan and James Dean were lovers; they lived together; as even ardent Dean fans may be surprised to learn, they were engaged to be married. But when Dean began to find success on the Broadway stage and then was lured to Hollywood, the couple

parted amid tears and broken dreams -- dreams that would be dashed forever when Dean died in a car crash in 1955, not long after seeing Dizzy for the last time. Dizzy & Jimmy marks the first time Liz Sheridan has written about this joyous yet ill-starred romance. She brings us closer than we have ever been to the vibrant young actor before he became a Hollywood icon, capturing his unstudied charm, his complicated psyche, the spontaneous delight he took from the world

around him, and the passion he invested in his work and life. It is a journey that takes in many locales, from Dean's boyhood home in Fairmount, Indiana, to Sheridan's recuperative travels through the Caribbean after their breakup. But at its heart Dizzy & Jimmy is the story of a love affair with Manhattan -- of nights spent stealing kisses in Times Square, sharing a walkup in the Hargrave Hotel, dancing after hours beneath the stars in Grand Central Station.

And in Sheridan's bittersweet, embraceable telling, it becomes a story no reader, Dean fan or otherwise, will soon forget.

Siren Song Harper Collins

Relates Durante's rise from humble immigrant beginnings to his later exalted status in the entertainment industry

Long Road to the Circus HarperCollins

While the Grey family is visiting the battlefields of France, their mother becomes seriously ill. Their father is far away,

busy with his work as an explorer. So thirteen year-old Cecil is left virtually alone with her brothers and sisters in a French chateau-hotel, owned by Mademoiselle Zizi. While Cecil watches from the sidelines, her beautiful older sister Joss falls in love with Eliot, the charming English gentleman who appoints himself the family's guardian. And while the greengages grow ripe and sweet in the sun, the sense of danger and mystery increases.

The Fun Stuff Workman

Publishing
The autobiography of America's greatest record man: the founder of Sire Records and spotter of rock talent from the Ramones to Madonna. Seymour Stein was America's greatest record man. Not only did he sign and nurture more important artists than anyone alive, after over sixty years in the game, he was still the hippest label head, travelling the globe in search of the next big thing. Since the late fifties, he had been wherever was happening:

Billboard, Tin Pan Alley, The British Invasion, CBGB, Studio 54, Danceteria, the Rock n Roll Hall of Fame, the CD crash. Along that winding path, he discovered and broke out a skyline full of stars: Madonna, The Ramones, Talking Heads, Depeche Mode, Madonna, The Smiths, The Cure, Ice-T, Lou Reed, Seal, and many others. Brimming with hilarious scenes and character portraits, Siren Song's wider narrative is about modernity in motion, and the slow acceptance of diversity in

America - thanks largely to daring pop music. Including both the high and low points in his life, Siren Song touches on everything from his discovery of Madonna to his wife Linda Stein's violent death. Ask anyone in the music business, Seymour Stein was a legend. Sung from the heart, Siren Song will etch his story in stone.

The Ghost in My Brain

Penguin

One of the most recognisable, respected and inspirational men on earth, Muhammad Ali is

the world's most famous boxing hero. Ali brought unprecedented speed and grace to the sport, and his charm and wit changed forever what the world expects of a champion athlete. In the words of over two hundred of Ali's family members, associates, opponents, friends and enemies, this comprehensive and honest portrait relates his legendary sporting accomplishments, as well as the high drama of life outside the boxing ring. From Olympic gold in Rome, to stunning victory

over George Foreman in Zaire, every historic victory and defeat of Ali's career is covered. His controversial embrace of the Nation of Islam - with the renunciation of his 'slave name', Cassius Clay - and the historic refusal to be inducted into the US Army makes for compelling reading. Ali became America's first national conscientious objector, and with a willingness to stage his fights in Third World locales, he continued his advocacy for people in need which was honoured

in 2000 when he became a United Nations Messenger of Peace. Charismatic, dedicated and a skilful self-publicist, Ali is the living embodiment of the American Dream. This is the biography to match his achievements.

Jazz Icons Cambridge University Press
Dizzy Gillespie secured his place in the jazz pantheon as one of the most expressive and virtuosic improvisers in the history of music. More important is that he was one of its great innovators. As a

primary creator of the bebop and Afro-Cuban revolutions, he twice changed the way improvisation was fundamentally done. And by combining electrifying musicianship, infectious warmth, and rare comedic skills, he achieved a worldwide popularity few jazz musicians have ever enjoyed. This is the enthralling saga of Dizzy Gillespie -- a chronicle of the rise of a jazz genius from the lowest rung of the social order to the highest pinnacle of

respect and ability that brings Harlem's golden after-hours era, the raucous 52nd Street scene, of the forties, the barrios of Havana and Rio, the White House, and the world's great concert halls to glorious life.

Music Is Forever Simon and Schuster
Published on the 50th anniversary of his death, this is the definitive photographic portrait of James Dean in both his professional and his private worlds, the real man behind the lingering legend.
