**Gogh Make Art** Giant Sketchbook

Jack Kirby reinvented the superhero genre  
with his sprawling saga of the Fourth  
World Ña bold storytelling vision that was  
decades ahead of its time. In honor of this  
extraordinary talentÕs centennial, DC  
Comics is proud to re-present the  
groundbreaking work of the King of  
Comics in a brand-new edition collecting  
his classic DC titles in all their four-color  
glory: **MISTER MIRACLE BY JACK KIRBY!**  
With **MISTER MIRACLE**, Kirby unleashes the  
breakout star of the Fourth World. Scott  
Free, a child of New Genesis, was destined  
to one day reign alongside the Highfather

in the golden city of the New Gods. But heavenly New Genesis was at war with hellish Apokolips, and the two immortal worlds were trapped in a neverending cycle of violence. To break the stalemate, the Highfather struck a deal with Darkseid, the ruler of Apokolips. The two adversaries sealed their pact with a sacrifice: each would exchange his infant son to be raised on his enemy's world. Now Scott Free has grown up, and not even the blackest dungeons of Darkseid or the parademon hordes of Apokolips can hold him. Breaking out of his captors' clutches and heading for the world called Earth, he reinvents himself as the unstoppable escape artist, Mister Miracle! But his flight from Apokolips threatens the fragile peace with New Genesis, and Darkseid's sinister agents will not rest until their former prisoner is back in chains. Will Mister Miracle be able to avoid their ever-deadlier death traps? No matter the cost, he will remain Scott Free! Discover one of comics' most beloved characters' and thrill to the art and imagination of one of comics' greatest masters at the height of his inventive powers' in MISTER MIRACLE BY JACK KIRBY collecting issues #1-18 of

the legendary series.

**Big Bad Ass Sketch Book**

A Time Magazine 100 Best Young Adult Books of All Time Selection "This novel's funny first-person narrative will grab teens (and not just sci-fi fans) with its romance and the screwball special effects."- Booklist Meet Egg. Her real name is Victoria Jurgen, but she's renamed herself after the kick-ass heroine of her favorite sci-fi movie, Terminal Earth. Like her namesake, Egg dresses all in white, colors her eyebrows, and shaves her head. She always knows the right answers, she's always in control, and she's far too busy — taking photos for the school paper, meeting with the Science Fiction and Fantasy Club, and hanging out at the

"creature shop" with her dad, the special-effects makeup wizard — to be bothered with friends, much less members of the opposite sex. As far as Egg is concerned, she's boy proof, and she likes it that way. But then Egg meets a boy named Max, a boy who's smart and funny and creative and cool . . . and happens to like Egg. Could this be the end of the world — at least as Egg knows it?

*Big Bad Ass Sketch Book*

In Cory Doctorow's wildly successful Little Brother, young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Francisco—an experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, California's economy collapses, but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. It's incendiary

stuff—and if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave him—but he can't admit to being the leaker, because that will cost his employer the election. He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He can't even attend a demonstration without being dragged onstage and handed a mike. He's not at all sure that just dumping the archive onto the Internet, before he's gone through its millions of words, is the right thing to do. Meanwhile, people are beginning to shadow him, people who look like they're used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as current as next week, Homeland is every bit the equal of Little Brother—a paean to activism, to courage, to the drive to make the world a better place. At the
