## **BRYAN ISAIAH**

---

**It Takes Two to  
Tumble** Guilford Press  
The Verbal Behavior  
(VB) approach is a form  
of Applied Behavior  
Analysis (ABA), that is  
based on B.F. Skinner's  
analysis of verbal  
behavior and works  
particularly well with  
children with minimal

or no speech abilities.  
In this book Dr. Mary  
Lynch Barbera draws  
on her own  
experiences as a Board  
Certified Behavior  
Analyst and also as a  
parent of a child with  
autism to explain VB  
and how to use it. This  
step-by-step guide  
provides an abundance  
of information about  
how to help children  
develop better  
language and speaking

skills, and also explains how to teach non-vocal children to use sign language. An entire chapter focuses on ways to reduce problem behavior, and there is also useful information on teaching toileting and other important self-help skills, that would benefit any child. This book will enable parents and professionals unfamiliar with the principles of ABA and VB to get started immediately using the Verbal Behavior approach to teach children with autism and related disorders.

Talking with Your Toddler Hanen Early Language Resource Centre

Shows parents how to help their child communicate and learn language during

everyday activities.

*Saving Us* Artisan Books

The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's

character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the Boston Globe describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

**The Epistemology of Testimony** Simon and

Schuster  
Provides practical strategies to help kids with Asperger syndrome, high functioning autism or social difficulties gain the social and special language abilities necessary for successful conversations and friendships.

**Collaboration** Simon and Schuster  
Alex and Ava team up

to take on the holiday season in Ashland in the tenth book of the It Takes Two series! Football season is finally over, and Alex and Ava can't wait to spend some more quality time with their family. Until their parents start acting totally unfair, that is! First they tell Ava that she can't join the basketball team because she needs to focus on her schoolwork, and then they tell Alex she can't host a Secret Santa party at their house after she's already agreed to it. What is Alex supposed to tell her friends? On top of everything, Coach and Mrs. Sackett decide that they're all going to stay home for the holidays instead of heading back to the East Coast. What kind

of Christmas could it be without snow? Will the arrival of an unexpected guest remind Alex and Ava of all the things they have to be grateful for?

*The First 20 Hours*  
Penguin

If you haven't read Cat Sebastian, what are you waiting for?"—Lorraine Heath, New York Times bestselling author  
Once beloved by London's fashionable elite, Hartley Sedgwick has become a recluse after a spate of salacious gossip exposed his most-private secrets. Rarely venturing from the house whose inheritance is a daily reminder of his downfall, he's captivated by the exceedingly handsome man who seeks to rob him. Since retiring from

the boxing ring, Sam Fox has made his pub, The Bell, into a haven for those in his Free Black community. But when his best friend Kate implores him to find and destroy a scandalously revealing painting of her, he agrees. Sam would do anything to protect those he loves, even if it means stealing from a wealthy gentleman. But when he encounters Hartley, he soon finds himself wanting to steal more than just a painting from the lovely, lonely man—he wants to steal his heart.

It Takes One to Tango

HarperCollins

The instant #1 New York Times bestseller! "It's the best memoir I've ever read."

—Oprah Winfrey "Will Smith isn't holding back in his bravely

inspiring new memoir .

. . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone

has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a

reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F\*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously

entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

job as a villa broker and moves to a beautiful Caribbean island. However, paradise isn't as perfect as it seems: the slow pace of island life, the language barrier, and a cutthroat office rival make Plum question leaving her old life behind. But when a client is found dead in the jacuzzi of Casa Mango—a property Plum manages—she knows she's really in a jam. With a killer loose on the island Plum will have to deal with a stonewalling police chief, a string of baffling clues, and a handsome Director of Security to solve this deadly case!

*It Takes Two to Talk*

Random House

A guide for parents offers advice on how to know if a late-talking

child has a speech delay or disorder, providing coverage of such topics as the warning signs of a serious disorder, finding a therapist, working with an educational system, and at-home speech exercises. Reprint. 15,000 first printing.

*Of Mice and Men*  
HarperCollins

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated

by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture

books including *A Giraffe and a Half, Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic!* *Old School Love* Harper Collins The Hanen Centre's newest guidebook brings to life the most current research on promoting children's emergent literacy in early childhood classrooms. With the

goal of preparing preschool children to learn to read and write successfully, *ABC and Beyond* shows educators how they can build language and literacy learning naturally into everyday conversations and activities. By translating the most current research into user-friendly strategies for educators, *ABC and Beyond* addresses the various prerequisites of literacy, including vocabulary, story comprehension, decontextualized (abstract) language, print knowledge and phonological awareness. More than 120 color photographs and many easy-to-follow charts with detailed, practical examples beautifully illustrate how the strategies are applied

in real-life contexts. **Design Mom** Simon and Schuster Make workplace conflict resolution a game that EVERYBODY wins! Recent studies show that typical managers devote more than a quarter of their time to resolving coworker disputes. The *Big Book of Conflict-Resolution Games* offers a wealth of activities and exercises for groups of any size that let you manage your business (instead of managing personalities). Part of the acclaimed, bestselling *Big Books* series, this guide offers step-by-step directions and customizable tools that empower you to heal rifts arising from ineffective communication, cultural/personality clashes, and other

specific problem areas—before they affect your organization's bottom line. Let *The Big Book of Conflict-Resolution Games* help you to:

- Build trust
- Foster morale
- Improve processes
- Overcome diversity issues
- And more

Dozens of physical and verbal activities help create a safe environment for teams to explore several common forms of conflict—and their resolution. Inexpensive, easy-to-implement, and proved effective at Fortune 500 corporations and mom-and-pop businesses alike, the exercises in *The Big Book of Conflict-Resolution Games* delivers everything you need to make your workplace more efficient, effective, and

engaged.

HarperCollins

Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife.

[An Early Start for Your Child with Autism](#)

Simon and Schuster

Updated to reflect the most current view on naturalistic models of communication, this beautifully illustrated guidebook provides a step-by-step guide for parents of children with Autism Spectrum Disorder and other social communication difficulties. Presented in a user friendly format, the book's research-based strategies show

parents how to turn everyday activities with their child into opportunities for interaction and communication.

in a clinic.

Allow Me Harper Collins

RUN DMC.'s iconic

rapper Joseph

"Reverend Run"

Simmons and his wife, Justine, share their

secrets to lasting love and the guiding

principles that have

kept them together for more than twenty

years. Written with

Amy Ferris. This is a book about love. The

kind of love that will keep you warm at night—that will keep you feeling safe and sound. The kind of love that will get you through some dark times; get you through some hard and yes, some tough times. The kind of love that will make you laugh, that will make you smile, that will make you nod knowingly. The kind of love that is nurtured and watered and grows—from a seedling to a flower. The kind of love that is desperately needed in the world right now, shared and sprinkled everywhere. Old School Love is a book to help you find the kind of soul-filling love you desire, written by a couple who has built a strong and joyful relationship amid the pressures, pitfalls, and temptations of the

entertainment industry. Rev Run and his wife, Justine, have been blessed with a devoted partnership that has inspired others. In this homage to classic courtship, Rev and Justine reveal the secrets to their marriage's longevity and happiness. Each chapter of Old School Love offers stories, anecdotes, and memories of Rev and Justine's marriage, their family, their experiences, their passion, and their deep faith and belief in God. Some will make you laugh, some will make you think, and some will make you cry. Yet all will make you wiser—more beautiful for the wear—and encourage you to be a kinder, more generous, and better human. Their reflections are

bookended by a verse or line from scripture, a saying, or a favorite quote and a sampling of personal wisdom. Over two decades strong, Rev and Justine's partnership is an inspiration. With *Old School Love* they are spreading their message of positivity, and creating a legacy for all of us to embrace and share. Powerful and life-changing, this little gem of a book is about magic, and miracles, and yes, the irrefutable power of love. *Old School Love* includes 8 pages of photos from Rev and Justine's personal collection.

And Tango Makes Three Sourcebooks, Inc.

Jonathan and Drew Scott, known for their wildly popular HGTV shows including

*Property Brothers* and *Brother vs Brother*, follow up their New York Times bestseller, *Dream Home*, with a highly anticipated memoir. *It Takes Two: Our Story* shares never-before-revealed tales of the brothers' childhood and rise to fame--from starting their first business at 7 years old, their years modeling and acting, to their first house purchase at the impressive young age of eighteen. They soon found their true passion in life, combining their natural gifts for entertaining with the skills they learned from buying, renovating, and selling homes. Complete with hilarious behind-the-scenes stories from set, Jonathan and Drew discuss how their family and upbringing

have led to their success in life. Throughout, the brothers keep fans laughing with the clever--and sometimes zany--sibling banter for which they're known best.

**Will Macmillan**  
United Nations  
Champion of the Earth,  
climate scientist, and  
evangelical Christian  
Katharine Hayhoe  
changes the debate on  
how we can save our  
future in this nationally  
bestselling “optimistic  
view on why collective  
action is still  
possible—and how it  
can be realized” (The  
New York Times).  
Called “one of the  
nation’s most effective  
communicators on  
climate change” by  
The New York Times,  
Katharine Hayhoe  
knows how to navigate  
all sides of the

conversation on our  
changing planet. A  
Canadian climate  
scientist living in  
Texas, she negotiates  
distrust of data,  
indifference to  
imminent threats, and  
resistance to proposed  
solutions with ease.  
Over the past fifteen  
years Hayhoe has  
found that the most  
important thing we can  
do to address climate  
change is talk about  
it—and she wants to  
teach you how. In  
Saving Us, Hayhoe  
argues that when it  
comes to changing  
hearts and minds, facts  
are only one part of the  
equation. We need to  
find shared values in  
order to connect our  
unique identities to  
collective action. This  
is not another  
doomsday narrative  
about a planet on fire.  
It is a multilayered look

at science, faith, and human psychology, from an icon in her field—recently named chief scientist at The Nature Conservancy. Drawing on interdisciplinary research and personal stories, Hayhoe shows

that small conversations can have astonishing results. *Saving Us* leaves us with the tools to open a dialogue with your loved ones about how we all can play a role in pushing forward for change.
