### Left Holding the Bag Ballantine Books

A lush evocative fantasy continuation to the stunning Ascension series that New York Times bestselling author Susan Dennard called "perfect for fans of Sarah J Maas." Cyrene Strohm is a Queen's Affiliate, a high-ranking official of the court of Byern, with power and privilege to spare. But she's also a keeper of dangerous secrets: like the fact that she holds the heart of the King, and that she possesses magic in a world where magic no longer exists. Determined to discover what this means and how to use her newfound abilities, Cyrene sets off for the distant land of Eleysia. An island nation where Affiliates are strictly forbidden from entering. But the journey is perilous, and the destination may mean utter ruin, as Cyrene comes to learn that everything she's been told her whole life - about her court, her homeland, and even herself--are bound in a beautiful lie.

Become a bartender at The Vixen's Den, they said. The owner isn't really a vampire, they said. It'll be fun, they said. And suddenly I'm neck deep in a world I've never really believed in, no matter what my crazy Great Aunt Mabel used to say. Seriously, I have more than enough drama in my life already, without adding an irresistibly mesmerizing nightclub owner to the mix. My boss-a man with a penchant for trouble and the echo of tragedy lurking behind his dark gaze. My new coworkers appear to be universally insane. My deadbeat ex is in trouble with a capital "T," and if history is any indication, he'll do his best to drag my son and me right along with him. In other news, I'm also being hounded by creditors who seem to think you can make money appear in someone's bank account by threatening them over the phone. (Though to be fair, if that approach worked, I'd be all for it. Spoiler alert-it doesn't.) To top it all off, while my back was turned, I've somehow become a chess piece in a cold war between supernatural factions. Just because magic supposedly runs in my family doesn't mean I know the first thing about Fae or demons or vampires or any of this craziness. But it looks like I'm gonna have to learn. Because now they're coming after the thing I hold most dear - my son. And I'll do anything to get him back. Watch out, paranormal world. Hell hath no fury like a mother's wrath. \* \* \* Vampire Bound is a new urban fantasy romance series by R. A. Steffan, set in the same world as the bestselling series The Last Vampire. Grab the complete series today, and enter a world shared by humans, fae, demons, and vampires. It's a place where the supernatural threatens the mundane, nothing is as it seems, and love will either be the world's downfall-or its salvation. This omnibus edition contains the following books: Vampire Bound: Book One Vampire Bound: Book Two Vampire Bound: Book Three Vampire Bound: Book Four Vampire Bound Cynthia Eden

Welcome to Darmid, where magic is a sin, fairy tales are contraband, and the people live in fear of the Sorcerers on the other side of the mountains. Rowan Greenwood has everything she's supposed to want from life—a good family, a bright future, and a proposal from a handsome and wealthy magic hunter. She knows she should be content with what she has. If only she could banish the idea that there's more to life than marriage and children, or let go of the fascination with magic she's been forced to suppress since childhood. When Rowan unknowingly saves the life of one of her people's most feared enemies, that simple act of compassion rips her from her sheltered life and throws her into a

world of magic that's more beautiful, more seductive, and more dangerous than she ever could have imagined. Rowan might get everything she ever dreamed of—that is, if the one thing she's always wanted doesn't kill her first. (Mature YA Fantasy)

On bookshelves around the world, surrounded by ordinary books bound in paper and leather, rest other volumes of a distinctly strange and grisly sort: those bound in human skin. Would you know one if you held it in your hand? In Dark Archives, Megan Rosenbloom seeks out the historic and scientific truths behind anthropodermic bibliopegy—the practice of binding books in this most intimate covering. Dozens of such books live on in the world's most famous libraries and museums. Dark Archives exhumes their origins and brings to life the doctors, murderers, and indigents whose lives are sewn together in this disquieting collection. Along the way, Rosenbloom tells the story of how her team of scientists, curators, and librarians test rumored anthropodermic books, untangling the myths around their creation and reckoning with the ethics of their custodianship. A librarian and journalist, Rosenbloom is a member of The Order of the Good Death and a cofounder of their Death Salon, a community that encourages conversations, scholarship, and art about mortality and mourning. In Dark Archives—captivating and macabre in all the right ways—she has crafted a narrative that is equal parts detective work, academic intrigue, history, and medical curiosity: a book as rare and thrilling as its subject.

A gorgeous and inspiring picture book biography of Jane Austen, one of the most beloved writers of all time, from award-winning author Deborah Hopkinson. It is a truth universally acknowledged that Jane Austen is one of our greatest writers. But before that, she was just an ordinary girl. In fact, young Jane was a bit quiet and shy; if you had met her back then, you might not have noticed her at all. But she would have noticed you. Jane watched and listened to all the things people around her did and said, and locked those observations away for safekeeping. Jane also loved to read. She devoured everything in her father's massive library and before long, she began creating her own stories. In her time, the most popular books were grand adventures and romances, but Jane wanted to go her own way...and went on to invent an entirely new kind of novel. Ordinary, Extraordinary Jane Austen includes a timeline and quotes from Austen's most popular novels. Parents and grandparents, as well as teachers and librarians, will enjoy introducing children to Jane Austen through this accessible, beautifully packaged picture book.

The next generation - the children of Snow White, Cinderella, and

others - have lives and stories of their own. And not just long ago and far away but (sort of) here and now! Enjoy! I was going to be a great protagonist. At least that's what my mom, Cinderella, kept telling me. I, however, had my doubts. Unlike most main characters at Lady Agnue's School for Princesses & Other Female Protagonists, I was opinionated, bold, and headstrong. Moreover, for a princess, I had a lot of issues. I'm talking vicious nightmares about people I've never met, a total stalker prince, and a Fairy Godmother for an enemy. But I digress. Because here's the thing about living in an enchanted realm of fairytale characters, crazy junk you never planned on happens all the time. One minute you could be practicing fainting exercises in Damsels in Distress class, sword fighting in a field, or flying on a Pegasus, and the next, BAM! Your book has begun and you're saddled with a prophecy that changes everything. I still don't know if I will be a great protagonist one day. But I know one thing about my fate, for certain. Despite what The Author and the antagonists have in store for me, whatever it costs. . .I'll be the one taking charge of my own story.. Readers love Crisanta Knight! "The series is a great young adult fantasy fairy tale read that often reminds me of the television show Once Upon a Time." - Carrie's Book Reviews "A great read that quite often had me laughing and enjoying what was going on. There's plenty of action and great characters. Definitely one I'd recommend checking out if you enjoy fairy tales to meet this next generation and root them on in their journey!" - Carrie's Book Reviews "The suspense builds up a little at first, and then bam, excitement and adventure as Crisanta actually does something to change her fate, all in the fairytale realm of Book, where fairy godmothers, Prince Charmings, and happily ever after aren't all they're cracked up to be." - I Read Too Much! blog "Crisanta Knight: Protagonist Bound is an outstanding book the writing, pace and premise are very well done the story keeps you turning the page in anticipation of what will happen next." - Books in Brogan The Crisanta Knight series Book 1 - Protagonist Bound; Book 2 - The Severance Game; Book 3 - Inherent Fate; Book 4 - The Liar, The Witch, & The Wormhole; Book 5 (to be released in April of 2019) - To Death & Back.

Smith Sinclair guards the gates to the darkest corners of Charleston, and I need access for a story. And as he distracts me with pleasure, each lead I chase drags me deeper into a sinister plot. In the end, I'm bound to make a choice that could cost one of us everything. While Bound can be read as a standalone, it is the third book in The Devil's Due series and is best enjoyed after reading Depraved and Delivered. Bound has no cliffhanger.

A contemporary fantasy YA debut from Rochelle Hassan about monsters, magic, and wicked fae, perfect for fans of *The Darkest Part of the Forest* and *The Hazel Wood*. As the only hedgewitch in Blackthorn, Massachusetts—an uncommonly magical place—Aziza El-Amin has bargained with wood nymphs, rescued palm-sized fairies from house cats, banished flesh-eating shadows from the local park. But when a dark entity awakens in the forest outside of town, eroding the invisible boundary between the human world and fairyland, run-of-the-mill fae mischief turns into outright aggression, and the danger—to herself and others—becomes too great for her to handle alone. Leo Merritt is no stranger to magical catastrophes. On his sixteenth birthday, a dormant curse kicked in and ripped away all his memories of his true love. A miserable year has passed since then. He's road-tripped up and down the East Coast looking for a

way to get his memories back and hit one dead end after another. He doesn't even know his true love's name, but he feels the absence in his life, and it's haunting. Desperate for answers, he makes a pact with Aziza: he'll provide much-needed backup on her nightly patrols, and in exchange, she'll help him break the curse. When the creature in the woods sets its sights on them, their survival depends on the aid of a mysterious young necromancer they're not certain they can trust. But they'll have to work together to eradicate the new threat and take back their hometown... even if it forces them to uncover deeply buried secrets and make devastating sacrifices.
