When the Nazis came to power and created a racial state in the 1930s, an urgent priority was to identify Jews who had converted to Christianity over the preceding centuries. With the help of church officials, a vast system of conversion and intermarriage records was created in Berlin, the country's premier Jewish city. Deborah Hertz's discovery of these records, the Judenkartei, was the first step on a long research journey that has led to this compelling book. Hertz begins the book in 1645, when the records begin, and traces generations of German Jewish families for the next two centuries. The book analyzes the statistics and explores letters, diaries, and other materials to understand in a far more nuanced way than ever before why Jews did or did not convert to Protestantism. Focusing on the stories of individual Jews in Berlin, particularly the charismatic salon woman Rahel Levin Varnhagen and her husband, Karl, a writer and diplomat, Hertz humanizes the stories, sets them in the context of Berlin's evolving society, and connects them to the broad sweep of

European history.

The Kingship of Christ and the Conversion of the Jewish Nation
Oxford University Press

As many as five thousand people convert to Judaism each year. Unfortunately, very few resources exist for converts or for their families and communities who will receive them. "Choosing a Jewish Life" provides advice and information that can transform the act of conversion into an extraordinary journey of self-discovery and of spiritual and intellectual growth.

Jean-Marie Élie Setbon, the son of non-observant French Jews, was first attracted to Jesus when he saw a crucifix at a young age. He hid a crucifix in his room and contemplated it often, even though he knew his family would be hurt and angry if they ever caught him. Seeing the Basilica of Sacré-Coeur from his apartment window, he was drawn to the church, where he found himself powerfully pulled toward Jesus in the Eucharist. After several years of surreptitiously attending Mass, he resolved to convert to Catholicism in spite of the scandal it would cause, but God had other plans. Upon graduation from secondary school,

Jean-Marie moved to Israel to delve deeper into the faith of his ancestors. He lived in kibbutzim, learned about the history and religion of his people, served in the Israeli Army, and attended two different rabbinical schools. Eight years later he returned to France as an ultra-Orthodox Jew. While teaching in a Jewish school, Jean-Marie married a woman who shared his faith, and together they began raising a family; yet his yearning for Jesus remained, becoming the source of a long and difficult internal struggle. Jean-Marie's moving and unusual conversion story is about his battle between loyalty to his identity and fidelity to the deepest desires of his heart. Above all, it is a love story between Christ, the Lover the relentless yet patient pursuer and man, his beloved.

Becoming Jewish Ignatius Press

The book traces the role of Judaism and the Jewish people in God's plan for the salvation of mankind, from Abraham through the Second Coming, as revealed by the Catholic faith and by a thoughtful examination of history. It will give Christians a deeper understanding of Judaism, both as a religion in itself and as a central component of Christian salvation. To Jews it reveals the incomprehensible importance, nobility and glory that Judaism most truly has. It examines the unique and central role Judaism plays in the destiny of the world. It documents that throughout history attacks on Jews and Judaism have been rooted not in Christianity, but in the most anti-Christian of forces. Areas addressed include: the Messianic prophecies in Jewish scripture; the anti-Christian roots of Nazi anti-Semitism; the links between Nazism and Arab anti-Semitism; the theological insights of major Jewish converts; and the role of the Jews in the Second Coming. "Perplexed by controversies new and old about the destiny of the Jewish people? Read this book by a Jew who became a Catholic for a well-written, provocative, ground-breaking account. Some of the answers most have never heard before." Ronda Chervin, Ph.D., Hebrew-Catholic

"Jewish Just Like You" is the first children's book for the children of Jewish converts, written by convert Kylie Ora Lobell. This book teaches children about the process of Jewish conversion that one or both of their parents may have gone through, as well as how converts are just like Jews who were born Jewish. It is an uplifting and empowering book that answers questions that children of converts may have. Perfect for elementary-school aged children and up, it touches on key Jewish concepts like having Shabbat dinner, lighting Hanukkah candles, saying the Shema, having strong values, studying Torah, and having pride in Israel. Praise for "Jewish Just Like You" from today's influential Jewish leaders "An emotionally uplifting, profound yet fun book, written by one of the most sincere, talented and insightful writers of our time, beautifully illustrated, that will be a blessing and a treat to children and parents alike!"- Rabbi Jason Weiner, senior rabbi and director of the Spiritual Care Department at Cedars-Sinai in Los Angeles, and rabbi at Knesset Israel Congregation of Beverlywood "Kylie Ora Lobell is one of today's most eloquent Jewish voices in print. This book fills an important gap in the market and introduces children to sensitive and nuanced subject matter in a gentle and positive way, overflowing with Jewish pride. 'Jewish Just Like You' will capture your heart with its sincerity, powerful imagery and clear presentation." - Rabbi Elchanan Shoff of Beis

Knesses of Los Angeles and author of, "Paradise: Breathtaking Strolls through the Length and Breadth of Torah" "This is a delightful and charming story with captivating illustrations. The story's positive theme about being the child of a convert is a much-needed and timely contribution to diversity in literature for young Jewish children." - Judy Gruen, author of "The Skeptic and the Rabbi: Falling in Love with Faith" About the Author Kylie Ora Lobell is a writer and personal essayist who has been published in New York Magazine, the Washington Post, the Los Angeles Times, the Jewish Journal of Los Angeles, The Forward, the Jewish Telegraphic Agency, Chabad.org, Tablet Magazine, Alma, Aish, Mayim Bialik's GrokNation, and Jew in the City. Originally from Baltimore, she is a convert to Judaism who lives in Los Angeles with her husband, comedian Daniel Lobell, her daughter, and her two dogs, four chickens, two tortoises, and hedgehog. About the Illustrator Barbara "Willy" Mendes is an American cartoonist and fine artist. She is best known in the comic world for her work alongside Trina Robbins in "It Ain't Me Babe" and "All Girl Thrills." Mendes was one of the early and very influential members of the underground comix movement, working alongside the other few female artists who contributed to the newly founded underground comix movement. After completing a mural in a Sephardic synagogue in Los Angeles, Mendes felt reconnected with her heritage and then began to study the Torah and actively practice Judaism which became the driving force in both her life and art.

Over the course of the nineteenth century, some 84,500 Jews in imperial Russia converted to Christianity. Confessions of the Shtetl explores the day-to-day world of these people, including the social, geographic, religious, and economic links among converts, Christians, and Jews. The book narrates converts' tales of love, desperation, and fear, tracing the uneasy contest between religious choice and collective Jewish identity in tsarist Russia. Rather than viewing the shtetl as the foundation myth for modern Jewish nationhood, this work reveals the shtetl's history of conversions and communal engagement with converts, which ultimately yielded a cultural hybridity that both challenged and fueled visions of Jewish separatism. Drawing on extensive research with conversion files in imperial Russian archives, in addition to the mass press, novels, and memoirs, Ellie R. Schinker offers a sociocultural history of religious toleration and Jewish life that sees baptism not as the fundamental departure from Jewishness or the Jewish community, but as a conversion that marked the start of a complicated experiment with new forms of identity and belonging. Ultimately, she argues that the Jewish encounter with imperial Russia did not revolve around coercion and ghettoization but was a genuinely religious drama with a diverse, attractive, and aggressive Christianity.

Roy Schoeman, a Jewish convert to Catholicism, and best-selling author of *Salvation Is From The Jews*, once again shows the clear links between Judaism and Catholicism in these inspiring stories of sixteen Jews who became "fulfilled Jews", as Schoeman says, through their spiritual journeys to the Catholic Church. The sixteen people whose stories are told here are a variety of Jews, including some who came from secularized, liberal or even atheistic backgrounds, while others came from Orthodox Judaism. Some were well trained Jews, others unschooled in Judaism; some rich and wildly successful, others down and out. But their common link was they all had a profound longing for God that gave them no peace until they found God Himself in the Catholic Church. Some of these converts are famous people like Edith Stein, Alphonse Ratisbonne, Karl Stern, and Rabbi Zolli, while

others are less well known, but all have powerful stories of life-changing spiritual transformations. Roy Schoeman's work, *Honey from the Rock* illuminates the essential link between the Jewish faith and Catholicism through the lives of those who were born into the Jewish faith and have come to know the fulfillment of their faith in Christ and His Catholic Church. I recommend *Honey from the Rock* to anyone who desires to understand the revealed faith of the God of Abraham, Isaac and Jacob, which is fulfilled in Jesus Christ and His Mystical Body, the Church. *Honey from the Rock* illustrates in a most concrete way the truth expounded so well by Roy Schoeman in his earlier work, *Salvation is from the Jews*, which I also wholeheartedly recommend. Raymond L. Burke, Archbishop of Saint Louis This book is far more than just another collection of conversion stories. It is a spiritual pathway with each story creating a stepping stone to transformation. These life changing encounters will deepen your faith and provide insights into the riches of the Catholic Church. It is filled with Jewish wit and wisdom and climaxes in the radical transformation of conversion. I highly recommend this book to all who wish to grow deeper and learn about the Faith from a Jewish point of view. You won't be disappointed! Brother Bob Fishman - B.S.C.D. Roy Schoeman has given us all a great gift in showing us the mysterious and wonderful ways in which Y'shua, the Messianic Son of David, and His Mother Miryam continue to speak deeply to the longing hearts of that people to whom, more than all others, we Gentiles owe an incalculable debt. Mark Shea, Senior Content Editor, CatholicExchange.com God's covenant with Israel was neither revoked nor abolished. It was fulfilled in Jesus Christ, and *Honey from the Rock* is powerful proof of that fulfillment. Israel's prayer and piety, vocation and sacrifice - all are transformed as they are restored. All find their completion in the lives we encounter here. Pope Pius XI put it well when he said that Spiritually we are Semites. May all Catholics be enriched by this movement of the Spirit, because for us it's a movement homeward Scott Hahn, author, *Rome Sweet Home* This is a gripping book sketching powerfully the Jewish metaphysical restlessness that nothing can satisfy until they taste *Honey from the Divine Rock* and recognize in Christ the King of the Jews and the Roman Catholic church as fulfillment of Judaism. This book is a constellation made up of sixteen sons and daughters of Israel for whom overwhelming talents, worldly success, money, pleasure brought nothing but despair. Each one of them had its own path; but what is striking is the role played by the Holy Virgin and the holy hunger for the Eucharist in some of the most amazing conversions. This book will bring joy to its readers and rekindle their hope in the power of G

Figures of Conversion Harvard University Press

An intimate portrait, based on newly discovered archival sources, of one of the most famous Jewish artists of the Italian Renaissance who, charged with a scandalous crime, renounced his faith and converted to Catholicism. In 1491 the renowned goldsmith Salomone da Sesso converted to Catholicism. Born in the mid-fifteenth century to a Jewish family in Florence, Salomone later settled in Ferrara, where he was regarded as a virtuoso artist whose exquisite jewelry and lavishly engraved swords were prized by Italy's ruling elite. But rumors circulated about Salomone's behavior, scandalizing the Jewish community, who turned him over to the civil authorities. Charged with sodomy, Salomone was sentenced to die but agreed to renounce Judaism to save his life. He was baptized, taking the name Ercole "de' Fedeli" ("One of the Faithful"). With the help of powerful patrons like Duchess Eleonora of Aragon and Duke Ercole d'Este, his namesake, Ercole lived as a practicing Catholic for three more decades. Drawing on newly discovered archival sources, Tamar Herzig traces the dramatic story of his life, half a century before

ecclesiastical authorities made Jewish conversion a priority of the Catholic Church. *A Convert's Tale* explores the Jewish world in which Salomone was born and raised; the glittering objects he crafted, and their status as courtly hallmarks; and Ercole's relations with his wealthy patrons. Herzig also examines homosexuality in Renaissance Italy, the response of Jewish communities and Christian authorities to allegations of sexual crimes, and attitudes toward homosexual acts among Christians and Jews. In Salomone/Ercole's story we see how precarious life was for converts from Judaism, and how contested was the meaning of conversion for both the apostates' former coreligionists and those tasked with welcoming them to their new faith.

The Rabbinic Conversion of Judaism Columbia University Press

Religious conversion is often associated with ideals of religious sincerity. But in a society in which religious belonging is entangled with ethnonational citizenship and confers political privilege, a convert might well have multilayered motives. Over the last two decades, mass non-Jewish immigration to Israel, especially from the former Soviet Union, has sparked heated debates over the Jewish state's conversion policy and intensified suspicion of converts' sincerity. When the State Winks carefully traces the performance of state-endorsed Orthodox conversion to highlight the collaborative labor that goes into the making of the Israeli state and its Jewish citizens. In a rich ethnographic narrative based on fieldwork in conversion schools, rabbinic courts, and ritual bathhouses, Michal Kravel-Tovi follows conversion candidates—mostly secular young women from a former Soviet background—and state conversion agents, mostly religious Zionists caught between the contradictory demands of their nationalist and religious commitments. She complicates the popular perception that conversion is a "wink-wink" relationship in which both sides agree to treat the converts' pretenses of observance as real. Instead, she demonstrates how their interdependent performances blur any clear boundary between sincere and empty conversions. Alongside detailed ethnography, *When the State Winks* develops new ways to think about the complex connection between religious conversion and the nation-state. Kravel-Tovi emphasizes how state power and morality is managed through "winking"—the subtle exchanges and performances that animate everyday institutional encounters between state and citizen. In a country marked by tension between official religiosity and a predominantly secular Jewish population, winking permits the state to save its Jewish face. *Honey from the Rock* Schocken

Why has God allowed a long delay until the close of history for the conversion of the Jews en masse to Jesus Christ? This book seeks to answer difficult and sensitive questions concerning relations between Catholics and Jews. It offers three suggestions of what Catholics can do to serve the final reconciliation of Jews with the Church.

This book provides an edited text, introduction, and the first English translation of a central document in the history of religious coercion in late antiquity: Severus of Minorca's Letter on the Conversion of the Jews. The Letter describes the forced conversion of the Jews of Minorca to Christianity in AD 418, allegedly under the influence of St. Stephen's relics. Although ostensibly a hagiographical work, the Letter is fundamentally an anti-Jewish document, and therein lies its interest for historians. It offers a fascinating perspective on Jewish-Christian relations in a Mediterranean town, and on the motives for religious intolerance in the unsettled age of the Germanic invasions. In addition, its wealth of information about a diaspora Jewish community in the

Western empire makes it unique among the surviving sources.

Between the 1870s-90s, considerable attention was paid to Jews and Judaism by English critics and writers. Argues that the consideration of Jews by English writers was often in the context of their efforts to describe and improve the English character. Observes that alongside English antisemitism there existed English attitudes which were in effect protective of the Jews. These included the Evangelical Revival's desire to both protect and convert the Jew, the English self-definition as both tolerant and believing in God (in contrast with intolerant Spain of the Inquisition and godless France of the Revolution), and the view expressed in George Eliot's "Daniel Deronda" which was affirmative of Judaism and the quest for a Jewish national homeland.

The Obligations of Christians to Attempt the Conversion of the Jews OUP USA

This book tackles a central problem of comparative religious history: proselytizing by Jews and pagans in the ancient world, and the origins of missions in the early Church. Why did some individuals in the first four centuries of the Christian era believe it desirable to persuade outsiders to join their religious group, while others did not? In this book, the author offers a new hypothesis about the origins of Christian proselytizing, arguing that mission is not an inherent religious instinct, that in antiquity it was found only sporadically among Jews and pagans, and that even Christians rarely stressed its importance in the early centuries. Much of the book focusses on the history of Judaism in late antiquity. Dr Goodman makes a detailed and radical re-evaluation of the evidence for Jewish missionary attitudes in the late Second Temple and Talmudic periods, questioning many commonly held assumptions, in particular the view that Jews proselytized energetically in the first century CE. This leads him on to take issue with the common notion that the early Christian mission to the gentiles imitated or competed with contemporary Jews. Finally, the author puts forward some novel suggestions as to how the Jewish background to Christianity may nonetheless have contributed to the enthusiastic adoption of universal proselytizing by some followers of Jesus in the apostolic age.

When the State Winks Jason Aronson

A new investigation that shows how conversionary preaching to Jews was essential to the early modern Catholic Church and the Roman religious landscape Starting in the sixteenth century, Jews in Rome were forced, every Saturday, to attend a hostile sermon aimed at their conversion. Harshly policed, they were made to march en masse toward the sermon and sit through it, all the while scrutinized by local Christians, foreign visitors, and potential converts. In *Catholic Spectacle and Rome's Jews*, Emily Michelson demonstrates how this display was vital to the development of early modern Catholicism. Drawing from a trove of overlooked manuscripts, Michelson reconstructs the dynamics of weekly forced preaching in Rome. As the Catholic Church began to embark on worldwide missions, sermons to Jews offered a unique opportunity to define and defend its new triumphalist, global outlook. They became a point of prestige in Rome. The city's most important organizations invested in maintaining these spectacles, and foreign tourists eagerly attended them. The title of "Preacher to the Jews" could make a man's career. The presence of Christian spectators, Roman and foreign, was integral to these sermons, and preachers played to the gallery. Conversionary sermons also provided an intellectual veneer to mask ongoing anti-Jewish aggressions. In response, Jews mounted a campaign of resistance, using any means available. Examining the history and content of sermons to Jews over two and a half centuries, *Catholic Spectacle and Rome's Jews* argues

that conversionary preaching to Jews played a fundamental role in forming early modern Catholic identity.

Salvation Is from the Jews University of Pennsylvania Press

In this work, Fr. Fahey explains the rights of Christ the King versus organized naturalism which is counter to Christ's rights. Christians are not only called to be holy and spiritual, but also to transform society according to the rules of God so that Christ reigns not only in heaven, but also in everyday society. Fr. Fahey speaks of the role of the Jews against this rule of Christ the King, explains their role in ancient and modern society, and their conversion to Christ the Messiah. Modern society is grossly disordered, as any thinking man will readily acknowledge, and it can only be reconstituted by reestablishing the rule of Christ, and His Church, over all parts of society, from the top down. Though written in 1953 it remains timely because the subject matter remains pertinent to our day and age. Father Fahey is the expert on the rights of Christ in society, and a good place to begin to understand what has happened to our society, why, and the solution.

Finalist for the 2020 National Jewish Book Awards In this dazzling work of historical fiction, the Man Booker International-long-listed author of *War and Turpentine* reconstructs the tragic story of a medieval noblewoman who leaves her home and family for the love of a Jewish boy. In eleventh-century France, Vigdis Adelaïs, a young woman from a prosperous Christian family, falls in love with David Todros, a rabbi's son and yeshiva student. To be together, the couple must flee their city, and Vigdis must renounce her life of privilege and comfort. Pursued by her father's knights and in constant danger of betrayal, the lovers embark on a dangerous journey to the south of France, only to find their brief happiness destroyed by the vicious wave of anti-Semitism sweeping through Europe with the onset of the First Crusade. What begins as a story of forbidden love evolves into a globe-trotting trek spanning continents, as Vigdis undertakes an epic journey to Cairo and back, enduring the unimaginable in hopes of finding her lost children. Based on two fragments from the Cairo Genizah—a repository of more than three hundred thousand manuscripts and documents stored in the upper chamber of a synagogue in Old Cairo—Stefan Hertmans has pieced together a remarkable work of imagination, re-creating the tragic story of two star-crossed lovers whose steps he retraces almost a millennium later. Blending fact and fiction, and with immense imagination and stylistic ingenuity, Hertmans painstakingly depicts Vigdis's terrible trials, bringing the Middle Ages to life and illuminating a chaotic world of love and hate. *The Kingship of Christ and the Conversion of the Jewish Nation* Pantheon

In print for over 20 years, *Choosing Judaism* has become a classic guide for individuals considering conversion. By sharing her own story, Lydia Kukoff creates a remarkable work about what it means to make this significant choice. Years after her own conversion she continues to question, grow, and learn, and encourages others to do the same.

If You Believed Moses (Vol 2) Stanford University Press

The intimate story of an Italian peasant community's unique conversion to the Jewish faith, and its links to major changes that swept twentieth-century Europe Not many people know of the utterly extraordinary events that took place in a humble southern Italian town in the first half of the twentieth century—and those who do have struggled to explain them. In the late 1920s, a crippled shoemaker had a vision where God called upon him to bring the Jewish faith to this "dark corner" in the Catholic heartlands, despite his having had no prior contact with Judaism

itself. By 1938, about a dozen families had converted at one of the most troubled times for Italy's Jews. The peasant community came under the watchful eyes of Mussolini's regime and the Catholic Church, but persisted in their new belief, eventually securing approval of their conversion from the rabbinical authorities, and emigrating to the newly founded State of Israel, where a community still exists today. In this first fully documented examination of the San Nicandro story, John A. Davis explains how and why these incredible events unfolded as they did. Using the converts' own accounts and a wide range of hitherto unknown sources, Davis uncovers the everyday trials and tribulations within this community, and shows how they intersected with many key contemporary issues, including national identity and popular devotional cults, Fascist and Catholic persecution, Zionist networks and postwar Jewish refugees, and the mass exodus that would bring the Mediterranean peasant world to an end. Vivid and poignant, this book draws fresh and intriguing links between the astonishing San Nicandro affair and the wider transformation of twentieth-century Europe.

The Jews of San Nicandro Walter de Gruyter

In 1341 in Aragon, a Jewish convert to Christianity was sentenced to death, only to be pulled from the burning stake and into a formal religious interrogation. His confession was as astonishing to his inquisitors as his brush with mortality is to us: the condemned man described a Jewish conspiracy to persuade

recent converts to denounce their newfound Christian faith. His claims were corroborated by witnesses and became the catalyst for a series of trials that unfolded over the course of the next twenty months. Between Christian and Jew closely analyzes these events, which Paola Tartakoff considers paradigmatic of inquisitorial proceedings against Jews in the period. The trials also serve as the backbone of her nuanced consideration of Jewish conversion to Christianity—and the unwelcoming Christian response to Jewish conversions—during a period that is usually celebrated as a time of relative interfaith harmony. The book lays bare the intensity of the mutual hostility between Christians and Jews in medieval Spain. Tartakoff's research reveals that the majority of Jewish converts of the period turned to baptism in order to escape personal difficulties, such as poverty, conflict with other Jews, or unhappy marriages. They often met with a chilly reception from their new Christian brethren, making it difficult to integrate into Christian society. Tartakoff explores Jewish antagonism toward Christians and Christianity by examining the aims and techniques of Jews who sought to re-Judaize apostates as well as the Jewish responses to inquisitorial prosecution during an actual investigation. Prosecutions such as the 1341 trial were understood by papal inquisitors to be in defense of Christianity against perceived Jewish attacks, although Tartakoff shows that Christian fears about Jewish hostility were often exaggerated. Drawing together the accounts of Jews, Jewish converts, and inquisitors, this cultural history offers a broad study of interfaith relations in medieval Iberia.
