MACK KENNEDI

Report of the Council of Hygiene and Public Health of the Citizens' Association of New York upon the sanitary condition of the City

Rockwell Publishing

Demystify the process of evaluating, acquiring, and managing rental property and becoming a landlord with Landlord Academy founder Bryan Chavis's clear, step-by-step plan to make your dream of owning a multi-family property a reality. With interest rates at historic lows, there's never been a better time to buy rental property—and to hang on to it for long-term wealth building. Drawing on his ten years of experience managing and owning hundreds of rental properties, Bryan M. Chavis shows how you can leverage as little as \$10,000 into a lifelong stream of wealth using nothing more than good instincts, smart research, and a little elbow grease. Learn how to buy desirable properties, attract quality tenants, negotiate lease agreements, collect rent, finance a mortgage, and manage the property. From leases to property-evaluation documents, you'll find a complete tool kit in this book, which contains every form and checklist you need to run a single-unit apartment or an entire rental building. With added guidance from building-maintenance experts, property attorneys, and tenants' rights organizations, *Buy It, Rent It, Profit!* is the go-to guide for anyone interested in becoming a landlord and achieving profitable, consistent results.

New York Landlord's Law Book Nolo

Create a solid, binding lease that complies with your state laws. If you rent out residential real estate, you need to create documents that are legally valid where your rental property is located. Every state has its own rules when it comes to what landlords must include in their leases, and generic forms don't tell you what you need to know. Not only does this book contain instructions on how to tailor your rental documents to your state's laws, it also gives you customizable versions of key rental forms you need, including:

- a fixed-term lease
- a month-to-month rental agreement
- a rental application
- tenant reference and credit check forms
- move-in and move-out letters, and
- a property inspection checklist.

The 15th edition is completely updated to reflect the latest landlord-tenant laws—find out what your state requires regarding security deposits, entry to rental property, disclosures, termination notices, and much more. This new edition also covers topics relevant to today's landlords, such as cautions about asking for applicants' criminal history, when you can seek attorneys' fees, and things to consider when using tenant screening reports.

California Tenants' Rights Nolo

Examples & Explanations: Property, Sixth Edition, is a study aid that offers clear textual introductions to legal terms and concepts in property law, followed by examples and explanations that test and apply the reader's understanding of the material covered. Both authors have years of experience presenting material in a clear and compelling way. With its rich pedagogy that features boldfaced legal terms and visual aids, *Examples &*

Explanations: Property, Sixth Edition, fills a niche that is distinct from other books. Using a six-part topical organization, accomplished authors Barlow Burke and Joseph Snoe ensure that the rules and doctrines making up the first-year course on the law of property are well covered. New to the Sixth Edition: Revised and rearranged coverage and examples to focus on major points and concepts and to clarify more obscure issues Simplified examples and questions to highlight the main issue A more structured development of Chain of Title problems inherent in recording systems An added discussion of Construction Industry of Sonoma County v. City of Petaluma in the exclusionary zoning section Incorporation of the Department of Justice's regulations and examples interpreting the Religious Land Use and Institutional Persons Act Expanded guidance on the Wireless Communication Facilities Act Reorganization of the chapter on Takings to emphasize how exceptions build on the Penn Central Transportation Co. v. New York City ad hoc factors Discussion on Muir v. Wisconsin in the Takings analysis (states' ability to conceptually merge parcels to defeat a Takings claim) Follow-ups on the effect (or lack thereof) of Stop the Beach Renourishment, Inc. v. Florida Dept. of Environmental Protection Brief discussion of Marvin M. Brandt Revocable Trust v. United States in easement chapter (whether a railroad abandoning a strip of land held an easement or a fee simple determinable) Clarification and expansion of the discussion of landlord-tenant issues The California Landlord's Law Book: Rights & Responsibilities Nolo The go-to survival guide for California tenants California tenants have many rights, especially those lucky enough to

have rent control. But knowing and enforcing these rights can be difficult. Fortunately, California Tenants' Rights, the leading tenant guide for over 50 years, provides all the information and key forms tenants need to: find a good rental in a competitive market understand the rules regarding service and support animals deal with a problem roommate or noisy neighbor stop landlord intrusions of privacy get the landlord to make repairs or deal with mold or bed bugs fight illegal discrimination, harassment, or retaliation break a lease with minimal liability respond to a late rent or termination notice get as much of the deposit back as possible, and fight an eviction, with line-by-line instructions on completing required forms. The 24th edition includes updated information on state eviction rules and forms, local and statewide rent control ordinances, and additional anti-discrimination protections.

The Municipal Journal John Wiley & Sons

Before you put that FOR RENT sign in the yard, read this Hello there, future landlord. You've found what you're looking for—a complete package of information and resources to teach you what you need to know and make your life (and your tenants' lives) easier. With Property Management Kit For Dummies, you can learn how to manage single-family homes, large apartment buildings, treehouses, dollhouses... okay, there's not much info here on managing dollhouses, but everything else is definitely covered. Find good tenants, move them in, and keep them happy and paying rent on time. When it comes time for a change, learn how to move tenants out and turn over the property, easy as pie. This book makes it simple to understand tax and insurance

requirements, building maintenance concerns, and financial record keeping. Plus, the updated edition reflects the current rental property boom, new technologies, changes to the law, and the inside scoop on the latest Fair Housing issues to keep you out of court. Emotional support animals? Rent control? Bed bugs? Eviction? It's all in here. Find out whether property management is right for you, learn what you need to get started, and be successful as your residential rental property portfolio grows. Get your ducks in a row—develop solid marketing and advertising strategies and resources, build up-to-date rental contracts, figure out the legal side of things, and minimize your income and property tax bills. Make sure you're renting to responsible people, and deal with the occasional problem tenant without major drama. Maximize your cash flow by keeping your rents at market prices, efficiently handling maintenance, and ensuring your property has great curb appeal with the features and benefits sought by today's tenants. Become a top-notch property manager with this one-and-done reference, plus online bonus materials.

Fair Housing iUniverse

Educators and practitioners across the nation find *Real Estate Fundamentals* to be an essential source of information on real estate principles. Whether used as a classroom text, supplement, or a personal guide, *Real Estate Fundamentals* is versatile -- it's easy to use, whether you are studying to sell real estate, or are a potential homebuyer curious about what to expect. The text's informal approach gives the reader a less intimidating look at real estate concepts. Book jacket.

Cost of Accessible Housing Nolo

More states than ever before are passing laws—such as rent control and eviction prevention laws—to protect tenants. This book helps renters navigate and use these new protections (along with the old ones) to their advantage, and offers timely advice on how tenants can handle common rental-related problems without assistance from a lawyer.

Every Landlord's Guide to Finding Great Tenants American Society of Heating Refrigerating and Air-Conditioning Engineers

"The New York Landlord's Law Book"

explains New York landlord-tenant law in comprehensive, understandable terms, and gives landlords the tools they need to head off problems with tenants and government agencies alike.

Ask a Manager Aspen Publishing

The legal information and forms every California landlord needs. Choosing tenants, raising the rent, returning deposits, and maintaining rental property--these are just a few of the things landlords do that are strictly regulated by California law. To avoid problems and hefty legal fees, property owners and managers need to know and comply with federal, state, and local rules, and use the proper legal forms. Fortunately, everything you need is in this book. Rent control and eviction protections are now a matter of state law, and even small municipalities are enacting their own ordinances that affect rent, terminations, and notices. This book contains a unique rent control chart that explains key provisions and gives information on how to learn more. No California landlord can afford to do business without checking for local ordinances and following them. With *The California Landlord's Law Book: Rights & Responsibilities* you'll learn how to: screen prospective tenants--without

discriminating illegally prepare (and enforce) leases and rental agreements apply the state-wide rent control and eviction protection law if it applies to you collect and return security deposits raise the rent and change other terms of the tenancy hire, work with, and fire property managers keep up with repairs and maintenance restrict subletting and short-term rentals act promptly when rent is late, and terminate a tenancy. With Downloadable forms: Download and customize more than 40 essential legal forms, including a lease and rental agreement (in both English and Spanish), tailored to meet California law - details inside.

Tenants' Rights Ballantine Books
Offers legal advice for tenants in New York, discusses common rental problems and solutions, and includes instructions for preparing legal forms and letters.

Leases & Rental Agreements John Wiley & Sons

Embedded in a digital version of the summary guidance information are hundreds of internal and external links to resources for the design, construction and commissioning of buildings with

excellent indoor air quality.

Examples & Explanations for Property
Mary Ann Hallenborg

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison

Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By* and *Get Your Financial Life Together*

The go-to survival guide for California tenants California tenants have many rights, especially those lucky enough to have rent control. But knowing and enforcing these rights can be difficult. Fortunately, *California Tenants' Rights*, the leading tenant guide for more than 45 years, provides all the information and key forms tenants need to: find a good rental in a competitive market understand the rules regarding service and support animals deal with a problem roommate or noisy neighbor stop landlord intrusions of privacy get the landlord to make repairs or deal with mold or bedbugs fight illegal

discrimination, harassment, or retaliation break a lease with minimal liability respond to a late rent or termination notice get as much of the deposit back as possible, and fight an eviction, with line-by-line instructions on completing required forms. The 23rd edition includes updated information on state eviction rules and forms, local and statewide rent control ordinances, and your options when faced with unpaid “Covid rent.” With Downloadable Forms & Sample Letters Download a lease and eviction defense forms, plus more than two dozen sample letters and emails inside the book.

Internal Revenue Bulletin Dearborn Real Estate

Answers legal questions of concern to tenants and explains how to deal with a landlord who is acting unfairly

California Real Estate Property Management Nolo

Educational tool for California brokers, agents, landlords, resident managers and attorneys. The objective of this book is to fully inform the reader of federal, state, and local landlord/tenant rights and obligations. This book examines and applies the rules of leasing and renting for both residential and nonresidential income properties using sample case studies throughout the book. Included, with an explanation for their use, are all the forms and notices required by California law to establish leasing and management agencies: how to create, alter and terminate tenancies, and how to preserve rent obligations for later enforcement after evictions. These forms fully reflect the most up-to-date relevant codes, judicial decisions and practices.

California Tenants' Rights Nolo

Protect your investment! Choosing new tenants who will pay on time, respect your property, and stay for an extended

period will make your life easier and your business more profitable. This book guides you through the process of attracting, screening, choosing, and getting the best renters possible. Just as important, it shows how to avoid problem tenants. You'll learn how to: avoid discrimination complaints advertise effectively screen tenants over the phone show the unit evaluate applications examine credit reports check references make a rental offer reject applicants and much more. With Downloadable Forms: includes dozens of forms and checklists that will help you get the information you need without running afoul of the law (available for download (details inside)).

Real Estate Fundamentals John Wiley & Sons

You'll need to wear many hats in the business of property management: advertiser/promoter (in seeking tenants), host (in showing your property), handyman (in keeping up with and arranging repairs), bookkeeper (in maintaining records), and even counselor (in dealing with tenants and their problems). But *Property Management For Dummies* will help you maintain your sense of humor – and your sanity – as you deal with these challenges and more. You may become an unintentional property owner – someone who inherited a house from a relative and didn't want it to sit idle, or someone who transferred to a job in another city and decided to rent your home rather than sell it – or you may have entered the world of property ownership intentionally. Either way, real

estate offers one of the best opportunities to develop a steady stream of residual income. *Property Management For Dummies* is organized by specific topic areas, so you can easily and quickly scan a topic that interests you, or you can troubleshoot the source of your latest major headache. You'll discover how to Evaluate your skills and personality to see whether you have what it takes to be a landlord Keep your units occupied with paying tenants who don't destroy your property Move in your new tenants and move them out – and everything in between Assemble the right team of professionals to help you, from employees to contractors Insure your property and understand the taxes that go with it Look for additional sources of income beyond rent, including the opportunities and pitfalls of lease options While many of life's lessons can be uncovered by trial and error, property management shouldn't be one of them – the mistakes are too costly and the legal ramifications too severe. In this book, you'll find proven strategies to make rental property ownership and management not only profitable but pleasant as well.

Water and Gas Review Simon and Schuster

Whether you are renting out part of your home, or investing in a property, this guide to the constantly changing market and its laws will prove to be invaluable. Whether you've inherited a home you now need to rent or you're aiming to become a property tycoon, this friendly guide is your road map to success.
