To Write As If Already Dead circles around Kate Zambreno's failed attempts to write a study of Hervé Guibert's *To the Friend Who Did Not Save My Life*. In this diaristic, transgressive work, the first in a cycle written in the years preceding his death, Guibert documents with speed and intensity his diagnosis and disintegration from AIDS and elegizes a character based on Michel Foucault. The first half of *To Write As If Already Dead* is a novella in the mode of a detective story, searching after the mysterious disappearance of an online friendship after an intense dialogue on anonymity, names, language, and connection. The second half, a notebook documenting the doubled history of two bodies amid another historical plague, continues the meditation on friendship, solitude, time, mortality, precarity, art, and literature. Throughout this rigorous, mischievous, thrilling not-quite study, Guibert lingers as a ghost companion. Zambreno, who has been pushing the boundaries of literary form for a decade, investigates his methods by adopting them, offering a keen sense of the energy and confessional force of Guibert's work, an ode to his slippery, scarcely classifiable genre. The book asks, as Foucault once did, "What is an author?" Zambreno infuses this question with new urgency, exploring it through the anxieties of the internet age, the ethics of friendship, and "the facts of the body": illness, pregnancy, and death.

*Harry Potter and the Deathly Hallows* is the seventh and final novel of the Harry Potter series, written by British author J. K. Rowling. The book was released on 21 July 2007 by Bloomsbury Publishing in the United Kingdom, in the United States by Scholastic, and in Canada by Raincoast Books, ending the series that began in 1997 with the publication of *Harry Potter and the Philosopher's Stone*. The novel chronicles the events directly following *Harry Potter and the Half-Blood Prince* (2005), and the final confrontation between the wizards Harry Potter and Lord Voldemort. Rowling finished writing *Harry Potter and the Deathly Hallows* in January 2007. Before its release, Bloomsbury reportedly spent 10 million to keep the book's contents safe before its release date. American publisher Arthur Levine refused any copies of the novel to be released in advance for press review, although two reviews were submitted early. Shortly before release, photos of all 759

pages of the U.S. edition were leaked and transcribed, leading Scholastic to look for the source that had leaked it. Released globally in 93 countries, Deathly Hallows broke sales records as the fastest-selling book ever, a record it still held in 2012.[3] It sold 15 million copies in the first 24 hours following its release, including more than 11 million in the U.S. and UK alone. The previous record, 9 million in its first day, had been held by Harry Potter and the Half-Blood Prince. The novel has also been translated into over 120 languages."

ABOUT THE BOOK When Harry Potter, Hermione Granger, Ron Weasley, and their friends first arrived at Hogwarts School of Witchcraft and Wizardry, the literary world was set ablaze. Readers young and old alike were captivated by this group of inquisitive, spunky and daring youth, and it didn't take long for the powers that be to decide to bring Harry Potter and Hogwarts to the big screen. Legions of fans followed Harry, Ron and Hermione through to the last book, Harry Potter and the Deathly Hallows, and eagerly anticipated the final book's launch to the big screen. When Part One of the film came out in November, 2010, the Broadcast Film Critics' Association was impressed, giving the film 87 out of a possible 100 points. Part 1 went on to rack up nearly a billion dollars worldwide, becoming the third highest grossing movie of 2010, behind Toy Story 3 and Alice in Wonderland. It seemed an interminable wait for Part 2 to hit theatres, but when it did in July, 2011, the fans were profusely appreciative, coming out in droves to wait in line for ticket pre-sales. In fact, the film broke a pre-sales record; \$32 million was grossed in pre-sales alone. As expected, the film was lauded and earned an estimated \$1.3 billion in worldwide revenues. MEET THE AUTHOR Chris St-Jean is an Ontario English teacher with a great passion for American literature in particular and the written word in general. Her two daughters, aged 3 and 7, also seem to have a love of books. She follows global events as closely as she can but also enjoys entertainment news. Currently, she is working towards a black belt in karate EXCERPT FROM THE BOOK David Yates, who also directed Harry Potter and the Order of the Phoenix and Harry Potter and the Half-Blood Prince, directed both parts of the series finale. David Heyman returned as producer, as he had done for the other films of the series, and was joined by J.K. Rowling and David Barron. It was Heyman himself who discovered the as-yet unpublished Harry Potter and the Philosopher's Stone manuscript back in 1997. He admits that the response from the fans was unprecedented for him; in fact, no other film series followed the same characters throughout a linear storyline throughout eight films. The series, in fact, has gone on to become the highest-grossing series of films of all time. Perhaps what has also helped make the series so successful is having the same screenwriter at the helm for six of the seven books. Buy a copy to keep reading!

Harry Potter - Sheet Music from the Complete Film Series Hyperink Inc

Following another deeply troubled year at Hogwarts, described in Harry Potter and the Half-Blood Prince, at the end of which Dumbledore is killed by the ever-deceptive Severus Snape, Harry begins the final volume of the series in hiding. When the spell that has kept him safe until his seventeenth birthday expires, he and his helpers are immediately attacked by Voldemort, suffering casualties. Unable to return to Hogwarts, Harry is forced to go on the run with Ron and Hermione, hunting desperately for the "horcruxes" that contain fragments of Voldemort's soul and thus maintain his invulnerability. The search for the horcruxes is complicated when Harry learns of the existence of another set of magical objects-the "deathly hallows"-which might also be vital to the settlement of the final battle. Voldemort is unable to give his complete attention to the quest to kill Harry because he is searching for one of the hallows: an undefeatable wand. Uncertain as to whether to give priority to the remaining horcruxes or the hallows, Harry continues to evade death, albeit narrowly, until he is forced to return to Hogwarts in order to complete his search. The castle housing Hogwarts Academy then becomes the last fortress holding out against Voldemort's rise to power, subject to intensive siege and violent bombardment. The remnants of Dumbledore's Army and the Order of the Phoenix mount a heroic defense of Hogwarts in the attempt to win Harry enough time to finish his quest, suffering heavy casualties in the process. The conflict reaches the limit of desperation when it
