 EVERYTHING YOU NEED TO KNOW ABOUT CATHOLICISM, ALL IN ONE PLACE This is your go-to guide to the Catholic faith. It covers the basics and history of Catholicism, the Catholic Church today and teachings and traditions. It is your comprehensive and essential account of Catholic doctrine, faith and history. 'Informative and interesting' Cherie Booth, QC On the world stage, Catholicism is the largest of the branches of Christianity with over 1.2 billion followers. How has the Catholic Church's message reached into every corner of the globe, and what challenges does it face now and in the future? Catholicism: A Complete Introduction is a thorough and structured overview of the subject, covering the basics of the faith, the history of Catholicism, the role of the papacy, and teachings and traditions within the Church. It includes topics as diverse as the role of women in the Catholic Church, the celebrity of the Pope, and how 2000-year-old traditions still shape what it is to be a Catholic in the 21st century. Broken down into easy-to-read parts, it includes insights, topic summaries and case studies to encourage further study and reflection. This edition also examines the 'Francis effect', the extraordinary global impact of the election of Pope Francis in 2013, and the shift his arrival has caused within and outside of the Church. Whether you simply want to expand your knowledge of the Catholic faith, or you're studying for an exam or essay, Catholicism: A Complete Introduction is your essential guide. 'A readable and important book of reference' Rachel Billington, Novelist 'Packed with information... it is a most engaging read' Edward Stourton, Broadcaster ABOUT THE SERIES The Complete Introduction series is the ultimate one-stop guide for anyone wanting a comprehensive and accessible entry point into subjects as diverse as philosophy, mathematics, psychology and practical electronics. Loved by students and perfect for general readers who simply want to learn more about the world around them, these books are your first choice for discovering something new.  From the back cover Whether or not you are new to the Catholic Church, or struggling, or lapsed, or dynamically involved, this book will enlighten you with the essentials of the Faith that have been handed down to us by the apostles. 100 Things Every Catholic Should Know covers what it is we believe in the Creed, how grace configures us to Christ in the sacraments, how we worship in the liturgy, how we connect to God in prayer, how Mary and the saints fit in in all of this, and how we are part of Christ's Mystical Body - the Church. Each of the 100 topics is easy to read

and distilled into bite-sized portions. Through cross-referencing, the book also shows how the topics are interrelated. Those who are new to the Faith will find this book an edifying handy reference, and those who have simply forgotten will find it a great review material that might spark a new love for God and religion. A quick and enlightening approach to know the core beliefs of the Catholic Faith. This book was written primarily for Catholics who do not know much about their Faith but want to know more, and are drawn to concise text. It is also written for others who are curious about Catholicism. In 100 Things Every Catholic Should Know, the author arranges the principle beliefs of the Catholic Faith as short phrases in a logical sequence so they build upon each other. Although the text for each topic is concise, the coverage is extensive. With this accessible contemporary style, this book will help readers appreciate the individual doctrines and how they relate to the entire Faith when woven together. Through clear and direct language, readers will find that the Catholic Faith is not as intricate as it seems, but rather follows only a few tenets when distilled to its basic essentials. Readers will find out about God's nature; man as his creation; man's choice to separate himself from God through original sin; God's loving plan to restore his relationship with mankind; why the only person who can do this must be God and man at the same time; why we believe Jesus is the person who did this through his passion and death; that Jesus established a Church to perpetuate what he started through its teaching, sacraments, and leaders; and why we need to pray. John Wiley & Sons

Catholic Q and A Candlewick Press

"How can you believe all this stuff? This is the number-one question Catholics get asked and, sometimes, we ask ourselves. Why do we believe that God exists, that he became a man and came to save us, that what looks like a wafer of bread is actually his body? Why do we believe that he inspired a holy book and founded an infallible Church to teach us the one true way to live? Ever since he became Catholic, Trent Horn has spent a lot of time answering these questions, trying to explain to friends, family, and total strangers the reasons for his Catholic faith. Some didn't believe in God, or even in the existence of truth. Others said they were spiritual but didn't think you needed religion to be happy. Some were Christians who thought Catholic doctrines over-complicated the pure gospel. And some were fellow Catholics who had a hard time understanding everything they professed to believe on Sunday. Why We're Catholic assembles the clearest, friendliest, most helpful answers that Trent learned to give to all these people and more. Beginning with how we can know reality and ending with our hope of eternal life, it's the perfect way to help skeptics and seekers (or Catholics who want to firm up their faith) understand the evidence that bolsters our belief and brings us joy" --

The popular blogger and publisher of *Envoy* magazine offers 10 key reasons why he loves being Catholic (and you should too). Drawing heavily on poignant anecdotes from his own experience as a life-long Catholic born in 1960s, Madrid offers readers a way of looking at the Church—its members, teachings, customs, and history—from perspectives many may have never considered. Growing up Catholic during a time of great social and theological upheaval and transition, a time in which countless Catholics abandoned their religion in search of something else, Patrick Madrid learned a great deal about why people leave Catholicism and why others stay. This experience helped him gain many insights into what it is about the Catholic Church that some people reject, as well as those things that others treasure. Drawing upon Madrid's personal experiences, *Why Be Catholic?* offers a deeply personal, fact-based, rationale for why everyone should be Catholic or at least consider the Catholic Church in a new light.

Man cannot live without love.... His life is senseless if love is not revealed to him, if he does not encounter love, if he does not experience it and make it his own, if he does not participate intimately in it. — John Paul II, *Redemptor Hominis* If you were asked what immediately comes to mind when you hear the words "Catholic Church", would you answer an intimate relationship with the God who loves me? If not, you would do well to read this engaging and thought-provoking book which explains why such a relationship is the reason for everything the Church does and teaches. Professor Edward Sri will show you how all the pieces of the Catholic faith, including the most baffling ones, fit together to make one beautiful mosaic of God's love for us and our own participation in that all-encompassing love. Using the Catechism of the Catholic Church as his itinerary, Sri will walk you through all the important aspects of the Catholic Church—what Catholics believe about God and the difference it should make in life. Along the way he addresses such often-heard questions as: Why do I need the Church—can't I be spiritual on my own? Isn't one religion just as good as another? How is the death of a man two thousand years ago relevant for my life today? Why does the Church talk so much about morality? Can't I make up my own morals? Is it really our responsibility to care for the poor— doesn't God help those who help themselves? Why do Catholics and Protestants disagree? Must Catholics worship Mary and always obey the pope? More than an intellectual enterprise, this work is also a deep spiritual reflection and a practical guide to living out our faith in Christ. It aims to form both the head and the heart, not only helping us to understand Jesus and his plan of salvation, but inspiring us to love God and our neighbor better.

"You're not a Christian because you believe that good works will get you to heaven?" "You're not a Christian because you worship Mary like a goddess?" "You're not a Christian because you believe that the pope is right about everything?" "You're not a Christian because you obey the pope instead of God?" And the biggie: "You're not a Christian because you're not saved?" Prove It! Church gives you the answers you need when someone challenges your Catholic Faith. From Mary to the saints to papal infallibility, infant baptism, purgatory, and a whole lot more. Prove It! Church explains what you need to know to prove that the Catholic Church belongs to Christ, teaches Christ, preaches Christ - and is, in fact, Christ in the world today!

Why Be Catholic? Independently Published

With Nihil Obstat & Imprimatur. You are called to love the Lord your God with all your heart, with all your soul and with all your mind. This is not an option if we want to be a Christian! It's a command of love from God and is an invitation to share in His divine life. We should hear those words and soak them up desiring to fulfill them in our daily life. How do we do this? How do we love God with everything we are? To say with all your "heart, mind and soul" means everything! It means all that we are. Our whole being. So loving God in the way we are called to requires a very radical commitment on our part. It requires that we are "all in" so to speak. So, again, how do we do this? The key is worship! To worship God is to love God in the way we are called to love. To worship God means that He is indeed the God of our life and nothing else gets in the way. It means we allow our heart, soul and mind to become immersed in God and filled with His presence. This is worship. And it's our calling in life. Worship is prayer. It's true prayer. But it's not only a prayer we offer at church or at a specific prayer time. Rather, we are called to worship God 24/7 in all that we do and all that we are. We cannot set specific times of worship and times when we do not worship. It's a calling to constantly be in God's presence surrendering all to Him. This book is about Worship of the Triune God! There is nothing more important in life than what is presented here in these pages. Not because of this book itself, but because of the truths this book shares. There are two main sections of this book. The first section is about prayer as it is lived in the Sacraments of our Church. The Sacraments can seem, at times, to be dry, dull and repetitive. They can, at times, feel like empty rituals that we are "obliged" to do out of obedience. But when understood and entered into correctly, the Sacraments become the greatest source of our intimacy with our God. They become personal. They become My Catholic Worship! The second section of this book deals with all other forms of prayer. It highlights various methods as well as the meaning of prayer. So jump into this book with an open heart and know that God wants to draw you more closely to Himself in all forms of worship. He wants you to know and love Him with your whole heart, soul and strength. And the way to do just that is prayer! About this Series: *The My Catholic Life!* series is a three volume series written as a complete summary of our glorious Catholic faith! The goal of these books is to answer the difficult and deep questions of life in a clear and understandable way. We need to know who we are and what life is all about. And we need to know who God is and what He has spoke to us through the ages. Volume One, *My Catholic Faith!* is a summary of the Apostles and Nicene Creed. This volume looks at everything from the creation of the world to God's eternal plan of salvation. Other topics include: Afterlife, saints, God, faith, and the Church. It is a summary of the teaching of the Catechism of the Catholic Church #1-1065. Volume Two, *My Catholic Worship!* is a summary of the life of grace found in prayer and the Sacraments. So often the Sacraments can be seen as dry and empty rituals. But they are, in reality, the greatest treasures we have! They are God's true presence among us! It is a summary of the Catechism of the Catholic Church #1066-1684 and #2558-2865. Volume Three, *My Catholic Morals!* is a summary of the morality itself, knowing how we choose right from wrong, as well as a summary of all the moral teachings of our faith. It is a summary of the Catechism of the Catholic Church #1691-2557 Nihil Obstat & Imprimatur granted for three volume series.

You've probably heard statements such as these: "There is no God." "I'm spiritual but not religious." "Science has made religion obsolete." Cardinal Donald Wuerl can help you navigate these often difficult conversations. In *What Do You Want to Know?*, Wuerl addresses twenty-six of today's most common misconceptions of the faith and the Church and offers everyday Catholics encouragement for framing responses in a way that can be an invitation to friendship. Many Catholics are confronted with statements and questions that challenge their faith. Employing a conversational tone and friendly style, *What Do You Want to Know?* sets out to answer each one, responding, as Wuerl says, "to friends who think they are enemies." A work of popular

apologetics, Wuerl tackles each concern, explaining, illuminating, and challenging all who read *What Do You Want to Know?* with the truth of the Christian faith and the essential purpose of the Catholic Church in the world today. He also takes the pressure off people who may not feel able to provide philosophical proof of God's existence by telling them that their personal experience of faith in God can be just as (or perhaps even more) effective. Those who pose challenging questions or statements will be drawn into conversation by Wuerl's thoughtful answers. Catholic educators, pastors, parish leaders, and parents also will find the book to be essential for their use in catechesis and evangelization. *Catechism of the Catholic Church* Crossroad Publishing Are you new to Catholicism and become a recent Catholic convert? Losing your religion is harder than it looks ... From devout ten-year-old performing the part of Jesus in a primary school play to blaspheming, undergraduate atheist, Monica Dux and her attitude to the Catholic Church changed profoundly over a decade. Eventually, she calmed down and was just 'lapsed'. Then, on a family trip to Rome, her young daughter expressed a desire to be baptised. Monica found herself re-examining her own childhood and how Catholicism had shaped her. Was it really out of her system or was it in her blood for life? In *Lapsed*, Monica sets out to find the answer. Her investigations lead her to test a miracle cure in Lourdes and visit the grave of a headless Saint who claimed to be married to Christ (and wore a wedding ring made of his foreskin to prove it). She speaks to canon lawyers, abuse survivors and even a nun who insists that the Virgin Mary starts her car every morning. With wry humour and razor-sharp observations, *Lapsed* is the story of one woman's attempt to exorcise her religious upbringing, and to answer the question, is Catholicism like a blood group and, if so, is it possible to get a total transfusion?
