L'illa del tresor explica les experiències d'un grup d'aventurers que van a la recerca d'un tresor enterrat en una illa per un vell pirata. Aquesta novel·la, narrada en primera persona per Jim Hawkins, el més jove dels mariners, ha entusiasmat milions de lectors des que es va publicar l'any 1883. És una obra que conté tots els ingredients d'un llibre d'aventures: una expedició a terres llunyanes i desconegudes, perills, pirates, baralles..

What is the value of telling the truth? For independent blog reporters in the midst of the Mexican Drug War, it's as important as their very lives, which are threatened on a daily basis. Blog del Narco is a heavily visited website, both in Mexico and the rest of North America, and it reveals the horrible savagery of the drug cartels. More than this, it also speaks of corruption and violence from the government itself. Many journalists in Mexico have been killed and silenced. Blog del Narco is not run by professional journalists, but it's the only forum for the true story of the violent drug war. Dying for the Truth is the first and only book release that contains both text and images, many of them gruesome, from this vital public forum. This book contains both the original Spanish-language posts in addition to their English translations. Truth is risky, and sometimes it's also harsh. Here is the reality of the Mexican Drug War, created in part by American demand for the products controlled by the cartels and their government collaborators. The Blog del Narco authors live anonymously and under threat in Mexico and aspire to relocate to the United States.

Vivimos en épocas difíciles. En ocasiones la vida parece un río turbulento que amenaza con ahogarnos y destruir al mundo. ¿Por qué entonces no deberíamos aferrarnos a la certidumbre de la orilla —a nuestros patrones y hábitos familiares? Porque, según nos enseña Pema Chödrön, ese tipo de anclaje basado en el temor nos priva de la experiencia infinitamente más satisfactoria de estar plenamente vivos. Las enseñanzas que la autora nos presenta aquí -conocidas como los "Tres Compromisos"—brindan una riqueza de conocimientos para aprender a adentrarse directamente en el río, a acoger plenamente y sin temores el carácter insondable del ser humano. Cuando lo hacemos, empezamos a ver no solamente cuánto mejor se siente vivir de esa manera sino que descubrimos que, de manera natural y efectiva, empezamos a buscar el cuidado y apoyo de otras personas. We live in difficult times. Life sometimes seems like a turbulent river threatening to drown us and destroy the world. Why, then, shouldn't we cling to the certainty of the shore—to our familiar patterns and habits? Because, Pema Chödrön teaches, that kind of fear-based clinging keeps us from the infinitely more satisfying experience of being fully alive. The teachings she presents here—known as the "Three Commitments"—provide a wealth of wisdom for learning to step right into the river, to completely and fearlessly embrace the groundlessness of being human. When we do, we begin to see not only how much better it feels to live that way, but we find that we begin to naturally and effectively reach out to others in care and support.

Isaac is a struggling but gifted painter in pre-revolutionary France. With pressing financial troubles and a strong-minded fiancée, he takes a temporary job as a naval painter on a ship delivering supplies to the New World. This is the simple beginning to a not-so-simple tale, for things are not quite what they seem. The boat is not out on a short cruise, but a lengthy and dangerous expedition led by Captain John the Pillager, a successful and charismatic pirate possessed by a touch of madness to rival Herman Melville's Ahab. WINNER OF THE 2002 ALPH ART AWARD FOR 'BEST GRAPHIC ALBUM' at the Angouleme Festival in France. A triumph--Booklist *Diccionario Manual Enciclopédico Ilustrado de la Lengua Castellana...* Editorial El Pirata Twelve evocative and unforgettable tales of adventure, self-discovery, and flawed humanity by one of the twentieth century's most able storytellers The literary career of the remarkable Geoffrey Household spanned more than half a century, from the 1930s to the late 1980s, and it began with the publication of his first short story, "The Salvation of Pisco Gabar," in the Atlantic Monthly in 1936. A powerful, moving tale of a fateful bargain struck between a unbelieving entrepreneur and a mad Indian priest at a treacherous impasse in the mountains of Peru, it begins a sterling collect of short fiction by a successor of Jack London and Robert Louis Stevenson. Here are a dozen masterful yarns and parables that span the world, transporting the reader from the quaint, picturesque hamlets of Europe to the remote villages of South America, from the bustle of New York City to the Mediterranean dockside. Whether he's spinning the tale of a downtrodden Cockney and his affinity for a caged marsupial in the local zoo, revealing the bizarre truth about a werewolf prowling the dark Carpathian woods, or recalling the charming courtship of a tough yet virginal teenage street waif and a drunken Basque "pirate," Geoffrey Household thrills, excites, and continually surprises with short fiction rich in color and consequence.

Grandes ideas, explicaciones sencillas Tan documentado como cautivador, con un texto absorbente y sugerentes ilustraciones, El libro del crimen aporta una nueva perspectiva sobre el crimen y la criminología. Desde los piratas y los salteadores hasta los asesinatos en serie y los ciberdelincuentes del siglo XXI, cada artículo ofrece un vislumbre sobre la mente criminal y el sistema judicial. ¿Cómo se ganó Jack el Destripador su siniestro nombre? ¿Quién «vendió» la Torre Eiffel? ¿Cómo llevaron a cabo el atraco los ladrones del Hatton Garden? Este libro responde estas y otras muchas preguntas mediante el análisis de las estafas, los robos y los asesinatos más infames de la historia. ¡La criminología explicada de forma sencilla! Los crímenes (delitos graves castigados por la ley y que pueden ser juzgados) son el pan de cada día, desde infracciones menores relativamente triviales hasta actos atroces de increíble maldad. Los autores de tal variedad de delitos han fascinado largamente a los estudiosos, así como al público en general. Averigua si ciertas personas tienen una mayor tendencia que otras a cometer crímenes o si existen unos rasgos del carácter exclusivos de los criminales, como se decía en la antigua Grecia, quienes creían que ciertos rasgos faciales o la naturaleza de una persona eran indicadores de riesgo. Tanto el estudiante de derecho o psicología como el ávido lector de novela criminal encontrarán en este libro en español para adultos, jóvenes y niños, multitud de casos de crímenes perfectos y crímenes imperfectos, en ocasiones tan interesantes como sobrecogedores a través de los siguientes capítulos: • Bandidos, ladrones, y pirómanos. • Estafadores. • Crímenes de guante blanco. • Crimen organizado. • Secuestro y extorsión. • Asesinatos. • Asesinos seriales. • Intrigas y asesinatos políticos. El libro del crimen, pertenece a la galardonada serie Grandes Ideas que, en su versión de libros en español, explica temas complejos de un modo fácil de entender mediante explicaciones claras y alejándose del academicismo tradicional. Su creativo diseño y los gráficos innovadores que acompañan al texto hacen de esta serie una introducción perfecta a una gran diversidad de materias para toda la familia.

El Pirata comenzó esta obra un mes antes de cumplir 65 años y la acabó un par de meses después de que volviera a nacer en una ambulancia del SAMUR en octubre de 2022. Nacido en el seno de una humilde familia en la década de los cincuenta en Talavera, vio cómo se expandía por su cuerpo tanto el rock and roll como la polio. La cultura del rock llamó a su puerta y el revulsivo a su enfermedad fueron la radio, las revistas musicales y el tocadiscos. Es un tipo que cumplió su sueño, y se ha convertido en un referente de la radio rock de este país y que ha podido conocer a los músicos y locutores que han fraguado la historia del rock y la radio musical y codearse con ellos. Por su profesión guarda discos, revistas, entradas de conciertos y un montón de objetos que configuran toda una galaxia de satélites que orbitan en torno a la cultura del rock y que tienen detrás unas batallitas que también enriquecerán este libro. Esta es su vida contada en palabras, lo que ha dejado huella profunda en la superficie de su memoria. Las marcas de su rostro, las cicatrices, el brillo de sus ojos y la amplitud de su sonrisa. ¿Somos heavies o no somos heavies?

Roberto Cofresi, the son of an Italian immigrant, was born in Puerto Rico in 1791. He was raised in the vicinity of Cabo Rojo and as a child he was drawn to a life at sea. By the time he was fourteen, he'd joined privateers cruising the waters of Hispaniola and Puerto Rico, and in the following decades he became a pirate of wide renown, terrorizing ships of all nations. The American government found him to be a threat of such magnitude that they sent a squadron of naval vessels to the region to hunt him down. After more than twenty years of freebooting, Cofresi was finally captured, but not before he'd hidden a number of treasures on both sides of the Mona Channel. This is the story of "The Treasures of Roberto Cofresi."
